Arrival of Mr. Cameron.-English-Built Rams for the Rebeis. The No. Simon Cameron, Minister to Bussia, returned on Saturday from St. Peteraburg, having received a short fur-lough. He has not resigned his position a yet, but will leave for Washington to-day to consult with the administration. He reports the friendly feeling of the Russian government to be as steadfast as aver. The other European governments are still con-sidering the question of intervention. Mr. Cameron states that three immense iron-i clad steam rams are being constructed in a class the state that the insume in the state state the state state state the insume in the state state in the state in the state state state in the NEW ADVERTISEMENTS.
