for-a dissolution of the Union. The sp-pointment of commissioners on our side to meet other commissioners on our side to meet other commissioners on their side, would be an acknowledgment that the government of the Confederate States is the equal of the government: of the Union states, and that moment the political disso-lution of the Union would be consum-mated. In fact, there is no possible way of bringing about any negotiations at all, not even a truck, without virtually ac-knowledging the nationality of the 'Con-federate government. Therefore, spar-from the diabonor of stopping to treat with armed rebels, any settlement whatever, short of the subing to negotiate there must be a recognition of the antionality of the Con-ties, is out of the instinnality of the Con-short of the subing to negotiate there must be a recognition of the nationality of the Con-ties, is out of the instinnality of the Con-ties, is out of the subing to negotiate there must be a recognition of the nationality of the Con-ties, is out of the instinnality of the Con-ties, is out of the instinnality of the Con-ties, is out of the subing to negotiate there must be a recognition of the subingation of one of the Con-ties, is out of the instinnality of the Con-ties, is out of the instinnality of the Con-ties, is out of the subingation of one of the Con-ties, is out of the instinnality of the Con-ties, is the with one of the subing attors are of the strain within our-selvers." Another negro publishes a spirited ap-solute at the men of his arane. The lany mast is the read an or-ties t

ties, is out of the question. Before we can be a provided from the values emotions, which their pressures begin to negotiate there must be a pressure in a bick of the question. to Thibodeaux came upon the plantation of Mon who talk in this way are not likely

General Bragg. An interview with Mrs.

to Thibodeaux came upon the plantation of General Bragg. An interview with Mrs. Bragg is thus described by a correspondent of the Times: In the vicinity of Thibodeaux is situated the plantation of Maj Gen. Bragg. It of Genera and his negroes issemed to have a dirry is the patrol and guard duty done by course attracted the attention of our sol-them on the roads and highways. Once the while man could demand the pass of very intelligent ides of the rolation their sour soldiers advanced, Lieut. Col. Warner, of the 12th Connectiout, received word from Mrs. Bragg that she would like to have a guard to protect her property. This ing to the prod planter. It is one of the strange revelations of the site of word word from Mrs. Bragg that she would like to have a guard to protect her property. This ing to the prod planter. It is one of the strange revelations of the strange war. Yet in the hour of exultation and triumph the negro bears himself with proprioty. The negroes had taken advantage of the opportunity to break open the closets, in wade the burcaux, rip open the feather and mess beds, in search of the starwage and ther-wise destroy valuables in the different treewise.
