were Weeklies will be found on the country.

J. W. Pittock, at his News and Periodical Depot, Fifth street, opposits the Post Office.

Frank Lesile and Harper's Weskly are particularly noticeable among the illustrated papers, containing, as they do, several very effective sketches by clever artists, of striking somes of current history. Wilker's Spirit of the Times is also a good number, this week. It contains a vigorous dissection of the sham
of Raymour, which we cordially deadling them at remarkably low prices.

Taimste's Varieties.—This afternoon at two o'clock, the fourth matines of the season will be given at the Varieties. He far the afternoon performances, at the Varieties, have been very successful, and to-day several new faces will appear. Don't fail to take the children. Admission to all parts of the house only 10 cents.

[For the Pittsburgh Gazetta.]

A Card. vice of the United States army. I am no lenger Lieutenant Colonel of the 128d Regivill state it in brief. On the march from Sharpsburg, while we were encamped a Saicker's Gap, a young man in the regiment secured and gave to me a black mare, belonging to a paroledrebel. I meet the animal for one day. The second day I was notified to give up the animal to the Division Quarter Master. So soon as we cannot to a half for the alight, I went in search of said Quarter Master with the full intention of giving up the animal, but unfortunately for me Capt. Morris could not be found, being absent, as I was informed, getting a good supper at a farmhouse. The next day I delivered up the animal as soon as we reached White Plains. But Gen. Humphrey ordered me under arrest. My case was tried before a court martial, Nov. 18th, while in camp, near Warrenton. On the moraing of Dec. 11th the decision in my case reached me, when, to my surprise, I found that I had been dishonorably discharged. The above statement I am prepared to establish by, I believe, every officer in the regiment. secured and gave to me a black mare, belong-

regiment.
I feel that I have been unjustly dealt with. I feel that I have been unjustly dealt with. The severity of the sentence is far greater than my ordine (if ordine it was) merited. While scores are allowed to plifer unmodested the funds of the government, I am disgraced for trucking an article of rebel property, of very small value. I feel that I am an honest man. Before I left, svery Captain of the Regiment signed a paper expressing their confidence in me, and the hope that I may enjoy the respect of my former friends at home. I know also that I enjoy the respect and sympathy of Oct. Clark, whose views in regard to the guarding and protecting of rabel property will be undorsed by every true and loyal man. I sould weep at my parting from the Regiment and its belowed commander. I am proud to knew that I was ever connected with a Regiment and the selowed commander. I am proud to and its beloved commander. I am proud knew that I was ever connected with a Res

COLLINS.

Its importance is se great that we transmit it in rull:

Washington, April 9, 1862.

To Mejor General McClellan:

My Darr Sir: Your dispatches complaining that you are not properly sustained, while they do not essand me, pain me very much. Blenker's division was withdrawn from you before you left hare, and you have the pressure under which I did it, and as II thought acquiesced in it, cortainly not without reluctance. After you left I ascertained that less than twenty thousand unorganised men, without a single field better, and you designed to be left for the defence of Washington and Manassas Junction, and a part of these even were to go to General Hocker's old position. Gen. Banks' corps, once designed for Manassas Junction, and a part of these even were to go to General Hocker's old position. Gen. Banks' corps, once designed for Manassas Junction, was divided, and tied up on the line of Winchester and Straburg, and could not leave it drive in our right at Providence Church. Infanty, cavalry, and artillery were even could present when Method to gath the Baltimore and Ohiorailroad. This presented or would present when Method to get that I was leave the mystation to the enemy to turn back from the Rappahannock and sack Washington. My explicit directions that Washington when the Baltimore and Straburg, and artillery were ewas charged to move the stratile secure of the secure of th

when that arrangement was broken up, and onlining was substituted for it, of course I was not satisfed. I was constrained to substitute something for it myself; and now allow me to sak—"Do you really think I should be from it the line from Richmond via Manassas to this city to be entirely open, except what resistance could be prevented by less than twenty thousand unorganised trops. This is a question which the country will not allow me to evade. There is mystery about the number of trops now with you. I talegraphed you on the 6th, saying that you had over 100,000 men with you. I had just obtained from the Sceretary of War a statement taken, as he said, from your own returns, making 100,000 then with you, and on route to you. You now say you will have to do if that command, I understand it is doing for you would have to do if that command was away."

I suppose the whole force which has gone forward to you is with you by this time; and if this is so, I think it is the precise time for you to strike a blow. By delay, the enemy will readily gain on you. While the precise the form the present heart in the heart of the first post had not surmounting a difficulty; that we would find the same enemy, and the same or equal time the heart of a fisch, instead of fighting at or heart Manassas, as it is only shifting, and not surmounting a difficulty; that we would find the same enemy, and the same or equal time the heart of the first post of the first post of the propose of constitute to move upon an intrended enemy is the theorem and relictive and the same enemy, and the same or equal time the heart of the first post of the first pos

required him to sell them at the market value He could not have threwn so large an amount on the market without producing a panic, and allowing the bonds to go at a sacrifice. This, Hutchins contended, would not have been selling at a market value within the terms of the law.

Mr. Gurley demanded if the market value of the special feeling of gloom, both in the samy adjace. Admiral Farragut had sent the Brooklyn, Scotia, and half a dosen of the best ships to receive the Harriet Lane, at all hasards, and, if possible, destroy the rebel punboats in the Bayon Buffalo.

Of this expedition, nothing why here here here.

the law.

Mr. Gurley demanded if the market value Mr. Gurley demanded if the market value
was not what it would bring in the market,
then what was it? and further inquired whether any loyal man would have objected if
some sacrifice had been incurred in raising
money to pay the soldiers.

In the Bayon Buffalo.

Of this expedition, nothing has been heard
in New Orleans up to the 8th inst.

The following are all the details of the
Galveston disaster, to be found in the New
Orleans papers:

At two o'clock, on the morning of the 1st
inst four reind gupbate lived and facility.

The test of 11-inch Dahlgren guns, with solid shot, yesterday, at the Navy Yard, succeeded in shattering a wrought iron target 15 inches thick. It was not penetrated, but was against which it was placed was knocked down The distance at which the firing was done, however was only about fifty feet. COL. GARRECHE'S REWAINS.

The Remains of Col. Garesche, late chie of Gan. Rosecrans' staff, killed at Murfrees. boro, arrived here to-day. The funeral services are to be hald to-morrow in the Roman Catholis church of St. Aloysus, of which he

orieans papers:
At two clock, on the morning of the 1st instit, tour robel gunbeats, lined and fortified with cotton bales, emerged from Buffalo with cotton bales, emerged from Buffalo with cotton bales, emerged from Buffalo Bayou into Gaiveston Bay, and moved directing to dear to do as Chase had done—leave the army unpaid rather than open this door for arelling against his illegal actions.

Mr. Van Wyek and other members recited cases of suffering from the failure to pay the army, and the difficulty they had experienced in getting any pay at all for regiments that, in some cases, had been in the service five and aix months.

Mr. Hutchins was badgered a good deal with demands for an explanation of such courrences. The debate developed a deep feeling over the failure to pay the army.
