END. POPE'S REPORT.

Therefore Washington.

Interest Pope has sent to -General Allock his difficult report of the monitor of the comment of the comment

tween Winohester and Middletown, the bulk of the forces being in the vicinity of the latter place. One division of Melbowell's corps was at Manassas Junction, with its advance thrown forward to Cattett's station. The other division was posted in the vicinity of Falmouth, opposite Fredericksburg.

"When I first assumed command of these forces, the troops under Jackson had retired from the valley of the Shenaudoah and were in rapid march toward Richmond; and so to delay and substrass his movement as to gain all the time possible for the ment as to gain all the time possible for the arrival of the army of the Potomac behind." [General Pope now gives details of the

main operations ordered by him, to prepare the way for the greater; several successful cavalry raids upon the Virginia Central Railroad; the successful movement on Culpepper Court House, and beyond towards Gordonsville; and lastly, the expedition ordered, under General Hatch, t capture Gordonsville, and destroy the railroad towards Charlottesville. This failed.

through the incapacity of General Hatch.] a considerable force of the enemy from

"Meantime, on the 16th of July the adagainst that city of the army of the Potovance of Jackson's forces under Ewell had

reached Gordonsville, and the proposed concentrate, as far as possible, all the movement, as ordered, became impracticamovement as ordered, became impracticamovement as ordered, became impracticatic establish them in such positions as best
to establish them in such positions as best
to effect the objects set forth. the effect the objects set forth.

It seemed to me that the security of the Shenandosh Valley was not best stained by posting troops within the valley itself, but the necessary results could be better to select from his own cavalry, and that of the standard of the security of the secur

with this order General Hatch commenced to make the movement as directed, but abandoned it very soon after the started, and returned by way of Sperryville to his post. As soon as I had received the report of this second Yailure I relieved General Hatch from the command of the cavalry of General Banks' corps, and sent Brigadier General Banks' corps, and sent Brigadier General Buford to report to General Banks as the chief of cavalry of his corps.

"On the 20th of July I left Washington, and after reviewing Rickett's division of McDowell's corps at Waterloo bridge, repaired to the headquarters of Gen. Banks, a few miles south east of Little Washing-on hards of the headquarters of Gen. Banks, a few miles south east of Little Washing-on hards of the headquarters of Gen. Banks, a few miles south east of Little Washing-on hards. considerable force of the enemy would act the movement as directed, but while the forces under my command were so posted as to beable, without difficulty, to intercept its retreat and fail upon its rear.

[Accordingly, General Pope gave such Haich from the command of the cavalry of orders as concentrated all his forces except that part of McDowell's troops gearding Fredericksburg, on the line of the Bappahannock and towards Culpepper and Gordensville.]

OCOMERATION WITE GENERAL MCLELLAN-Wille these movements were in progress, the series of battles began, which presented and attended the retrest of Gen. All preparations having been completed, for instructed Gen. Banks to move pleted, for instructed Gen. Banks to move forward on the 7th of August and take post

gress, the series of battles began, which preceded and attended the retreat of Gen.

McClettan from the Chickahominy towards Harrison's Landing. When first General McClettan began to intimate, by his dispositones, that he designed making this movement towards Jamesriver, I suggested to the President of the United States the impolitor of such a movement, and the serious censequences which would be likely to result from it, and urged upon him that he should send orders to General McClettan his position upon the Chickahominy, and were pressed by superior forces of the enemy, to mass his whole force on the north side of that stream, even at the risk of losing much material of war, and endeavor to make his way in the direction of States of the savely forces covering the front of the savely forces covering the front of the way in the direction of Gen. Buford, with five regiments, was posted at Madison Court House, with his sarmy further to the south than the Waite House of York river.

"I stated to the President that the retreat with his sarmy further to the south than the Waite House on York river.

"I stated to the President that the retreat of James river was carrying General McClellan away from any reinforcements that could possibly be sent him within a reasonable time, and was abounted the first of the description of the south that from Burrett's Ford, as far west as: the point where the road for the supplied, fi instructed Gen. Balord, with five regiments, the could possibly be sent him within a reasonable time, and was abounted the first of the south state of the supplient of two officers who were worked to the President that the received the first of the first of the south state of the supplied, fi instructed Gen. Balord in front of the line of the Septian, the first of the first

tween Jackson and Lee, and would have rated on the records of the British navy entirely cut off the Stonewall General's retreat, if Fitz John Porter had not failed him at this critical moment. The report

"I speak thus freely of the strange failure of General Porter, not because I am more convinced of its unfortunate results now than I was at the time, but because a full investigation of the whole subject,

"I was so deeply impressed with these embarrassed him in concentrating his that some reorganization should be made of them, the some reorganization should be made of them, in order that earlier effective service hem upon the President and the Secretary of war.

If was, so deeply impressed with these embarrassed him in concentrating his that some reorganization should be made of them, in order that earlier effective service should be secured than was possible in forward promptly from Hazel river to Cul-

hancek, to less than twenty thousand, by their sycophants innocently express their the incessant marching and fighting, was opposed by nearly the whole rebel army in Virginia.

FORTER RESPONSIBLE FOR THE ESCAPE OF JACKSON.

When the rebels crossed the Rappahannock, on Pope's extreme right, Jackson's corps advanced, and by some excellent responsible for the first writer also inquires if the trained gunners of the English Naval Reserved.

corps advanced, and by some excellent gunners of the English Naval Reserve, manœuvering Pope inserted his forces be- whom Semmes hired in England, are still Good .- In a general order issued by

Gen. HUNTER, at Hilton Head, we find the following paragraph:

No officer or soldier will leave the battle "While this attack was going on the forces under Heintzelman and Reno continued to push back the left of the enemy in the direction of Warrenton turnpike, so Poor wounded men, helpless in the hands

intued to push back the left of the enemy in the direction of Warrenton turpnike, so that about eight o'slock in the evening the greater portion of the field of battle was occupied by our army. Nothing was heard of General Porter up to that time, and his forces took no part whatever in the action; but were suffered by him to lie idle on their arms, within sight and sound of the battle during the whole day. So far as I knew he made no effort whatever to comply with my orders, nor to take any part in the action.

"I do not hesitate to say that if he had discharged his duty as became a soldier, under the circumstances; and had made a rigorous attack on the enemy, as he was expected and directed to do, at any time up to eight o'clock that night, we should have utterly crushed or captured the larger portion of Jackson's force before he could have to the years of the latter be regularly certified to force to have made any effective resistance.

The death while being improperty carried from the battle field by renegades, who use the death while being improperty carried from the battle field by renegades, who use the force to the static not the sufferings of their victims.

Ox Monday, George R. H. Hughes, of the was a "attorney in fact" of the "rebel John A. Washington, who was killed in the will of the latter be regularly certified, &z. He bequeaths to his seven children his to eight o'clock that night, we should have utterly crushed or captured the larger portion of Jackson's force before he could have the bene by any possibility sufficiently reinforced to have made any effective resistance.

STOREWALL JACKSON is said to be in North Carolina at the head of 60,000 men—40,000 at Kinston, and 20,000 at Goldsbore. This is given by the Boston Traveller, on the authority of a gentleman who had just arrived from Newbern.
