lean, and in suppression among cants, of whem 2,186 were baptized the last year.

The Western Christian Advocate says work on the new version of the Bible has been stopped. In the volumes of books already issued, the reading is paragraphed instead of being versed off, as in the present version.

For four years past, the Baptist Church at Rumney, Vt., has sustained on a worsign one religious meeting daily, and now maintains eight weekly prayer meetings. The work of revival has been greatly promoted by these meetings, and quite a large number of accessions to the Church have taken place.

Presentation of a Rebel Fing to Gov. On Wednesday a rebel flag was presente to Governer Curtin by A. R. Bosior, Secre tary of the Society of the Relatives an Friends of the Anderson Cavalry. The flag was contract at the bartla of Muniferation

The Trustees of the Western University, while increasing the number of the faculty, to recure simple instruction in all the departments of study, have also taken measures to provide for the amusement and health of the students, by purchasing a lot of land on Ross street, on which a building for all the appointments of a first class gymmastum into be erected. Four liberal gentlemen have subscribed \$5,500 for the endowment of the department of natural science. The Institution never was more prosperous. The next term will commence February 2d.

THE FAIR AND PERSONAL for the benefit of the First Baptist Sabbath School will be con-tinued this evening, at Latayette Hall. Those who attend will find ample enjoyment, and at the same time contribute their mite to a very workly ablant

LATE TELEGRAPHIC NEWS.

a strong force at Carrotted and a strong force at Carrotted and Maj. Gen. Banks was still in New Orleans. He had reiterated Gen. Entier's order taxing certain rebei merchants for the support of the poor; had cautioned the public against offering insuit to the soldiers, and in several acts had indicated a vigorous administration.

The Delta, of the 17th init, says the news from Berwick Bay, last evening, brought official confirmation of the total destruction of the rebei iron-clad steamer Cotton, in Bayou Teche, by the land and naval forces, under command of Gen. Godfrey Weitzel. She was blown to atoms, and there is an end to this formidable vessel, which has been a kind of stumbling block in the way of the advance of any forces on the Teche.

Gen. Weitzel has succoeded in getting a heavy force in the enemy's rear, thereby comheavy force in the enemy's rear, thereby completely flanking them, and their cutire over

few days' time.

The rebel force is smaller than was at first The rebel force is smaller than was a late-supposed. Gen. Weitzel has ascertained that it consists of only 1,100 infantry, about 1,000 cavairy and three pieces of artillery. Jacob Barker had appealed to the Major General several times for permission to revive the Adocate, but Gen. Banks will not permit the publication of that rebel sheet again. Business was dull and the market over-stocked. Coffee is cheaper in New Orleans than in New York, and the same was true of the other commodities. There were a great

the other commodities. There were a great many speculators from the North, but they were doing little or nothing. Until the Mis-sissippi was fairly open there would be no were doing nette of account is a point in the most size ply was fairly open there would be no general revival of trade.

Gen. Hamilton, Military Governor of Texas, the most line is the most line in New Market in had addressed a large Union meeting in New Orleans on the night of the 14th. Mr. Du-rant, the lawyer, followed in an able speech. The meeting was very largely attended, and all the speakers went for the Union, negro or
