soted daily : IN SUN. IN SEADS. 32 88

alaim on behalf of our American in Instang time chiefy among these, of Mr. Emerson, who, more than thirty years ago, took the lead in this delighting and most efficient method of educating the people—the living generation both old and young—by the healthful stimm-Ins of a poetic, or ideal, rehabitation of the teachings of philosophy. In it various ide-

I a pocido, or ideal, renabitation of the ings of philosophy, in ist various ide-ments of natural science, sociology, stor, and metaphysics, or transcendental lation. This secture system, we repeat, dering both its essential qualities and dering both its essential qualities and spect shing characteristics; appears t -till it attained that folces of stature, an-tilling it to be called "an institution," as, after the manner of eur octemporaries, we have ventured to call it. And its growth has certainly been such as could not have been attained elsewhere, -for the conditions favor-Tuesday. ing the rapid development of an idea of what

werk kind, can no where else be found, as they manifest themselves in the free spirit of in-quiry and bold spirit of innovation, generally prevalent in American society, resulting from animate information in the first spirit of in-guiry and bold spirit of innovation, generally a prevalent in American'society, resulting from the untranneled thought and the vigorous life of a nation not yet committed to the pro-scriptions of a traditional system, with its time-worn grooves of easy but unvarying movement.

time-worn grooves of easy but unvarying morement. First in the order of time, as we have al-ready intimated, and still the most distin-guished of all the locturers whose names have become household words all over the land, Balph Waido Emerson cannot be announced to locture in this or any other city in America without attracting a marked public attention -without attracting as marked public attention without attracting as marked public attention without attracting as marked public attention without attracting as marked public attention and the England, some dozen years ago, we remember how the name of Mr. Emer-son drew large and incose, wherevare he want-and the English generally heard with delight and surprise the clear; tranchant style of him who had been mirrepresented as an imitator of Mr. Carlyle, and of the Tentonio graces which characterise and (according to some) disfgure and obcense the style of that emi-nent writer. We are not certain in that the same mirrepresent

The concert given on Saturday evening, by the eminent planist and composer, L. M. BY TRLEGRAPH. Gottschalk, was a complete success. The audience was large and appreciative, and the music was of the most superior order. Miss FROM WASHINGTON. Patti was received with the warmest applause. and was encored throughout the warmest splitate, Tho'' Laughing Song' and the "Echo Song" were received with enthusiastic plaudice, as OUR SPECIAL DISPATCHES.

was also the song "Comin' through the Bye." The wonderful performances of Mr. Gottschalk need no commendation from us, and we will not attempt either culogy er oriti-cism. Mr. V. De Ham, who arsisted Mr. Gottschalk in the execution of the duct for pecial Dispatches to the Pittsburgh G WASHINGTON, Jan. 31, 1863. COL. FORD'S CASE.

COL. FORD'S CASE. Col. Thos. Ford, after a month or mere of persistent work has succeeded in precuring the following order, which enables him foleave the service without technical disgrace: WAR DEFARTMENT, ADJUTANT GENERAL'S OFFICE, Washington, Jan. 26, 1863. General Order No. 21. --By direction of the President, so much of the General Order, No.

General Order No.21. - By direction of the President, so much of the General Order, No. 183 of Nov. 8, 1852, as diffuses Col. Thes. H. Ford, of the 32d Ohio/ volunteers, is re-soinded, and he is discharged on the tender of his resignation, to take effect on Nov. 8, 1862. By order of the Secretary of War, L. THOWAS, Adjutant General. GOV. HAMILTON,

Of Texas, has unexpectedly arrived here

bigible seals can be seened during the day, at the music store of Mr. J. H. Mellor, Wood street.

DEATH OF C. L. MAGES.—Many of our read-ors will be pained to hear the announcement of the death of Mr. O. L. Mages. He expired on Sunday, at kis residence on High street, from the effects of an attack of paralysis. He was well known throughout the community, having for many years conducted business as a hattar. He was appointed as Sutier to the Bixth Regular Ouvairy; but was compelled to shaudon that patition on account of III-health, and been at home for several weeks provious to his death. His funeral takes place on Tuesday. Contrary to general expectation, the Re-Contrary to general expectation, the Re-byblicans, to-day, permitted the debate in the House to continue on the negro arming flag ship to propare for action, and get under bill. Judge Thomas, of Mass., from the ul-tra conservative Republican stand-point, op-posed it. Carey A. Trimble made an admira-ble speech in its favor. Mr. Pendleton made about as forcible a speech against it as the opposition have yet presented. The intenopposition have yet presented. The inten- our fire was directed. tion was to have called the previous question. The ball was opened by the Brooklyn. She after Trimble's speech, but, in deference to

The nations sufferings still leave ample time for gaiety at the Capitol. AN IRON-CLAD REPORTED DISABLED.

Rebel papers report an iron-olad repulsed y a fort on the Georgia coast, with her turet disabled. It is known that one of the ionitors left Port Royal some time ago on in expedition to the Georgia coast.

THE GUNBOAT ISAAC T. SMITH, Which the rebels claim to have captured, was one of the purchased vessels, and mounted

THE GALVESTON APPAIR. The Court of Inquiry on the Galveston mis hance, find it not a surprise, and imply canure on Renshaw.

WARNINGTON, Jan. 31 .- Representatives iheffield, Bice, of Maine, Noble, Webster and Trowbridge have been appointed by Speaker Grew a Select Committee to examine into the charges, extensively oirculated in pamphlet form by Mr. R. Betts, against the Commis-

sioner of Patents, Holloway. Maj. General Hooker was in the city to-day. General Butler and the Military Governor

isj. General Hooker was in the city to usy means in the city to usy means in the consultation is the second is a the second is the second is a the second is the second is

caused the encmy to retreat. Gen. Corcoran advanced all his force. His infantry with fixed bayonets drove the rebels nearly a mile they leaving their killed and wounded behind ran continued to follow them up,

from the first battle field. At the latest in formation by mail, Gen. Corcoran was moving to flank them. The fight occurred by moonlight. The talegram of yesterday indicates that

opening of it. REFUBLICAN CAUCUS. The Republican Honse caucus was again in session last evening. The proceedings are set in noise a wall of a proceedings are and amputation it is thought will be neces-save.

ohn Robinson, right leg; Henry Sickman

Section first accepts the President's profismation to Congress for compensated emancipation. Sections second and third create a fund for emancipation, consisting of Congressional apportionments, and such provisions as the State may make, and two por cont. tax on slaves. Sections fith and sixth provide that those loyal owners, who consent to emancipate their slaves, shall file their consent with the Oconty Clerk on or before the 4th of July, 1863, and after proper returns are made to the state officer, warronts that the issued by the state officer, warrants thall be issued by the state officer, warrants that be issued by the state officer, warrants that be found issued ing fixed by the appressent of Commission-er appointed for the full value, that value be-sides and in the context that the Commis-sioners shall make out after the 4th of July, 1864, lists of the slave owners who have not field their consent to emancipation, and that warrante be issued to them for their slaves who shall thereafter be free. Bection minth provides, for the freedom of slaves as fast as warrants re issued for them. Sections fourteenth and filteenth provide for the apprenticeship of freed may for year by their composite to abolich the institution in 1865. The bill does not provide for any freedom without payment, except those of owners who have forfetted their claims under killed. Among the rebel regiments engaged were the 54th, 63d, 50th, and 29th Virginia. The rebels received leinforcements during the fact. Friday last: 6th Massachusetts-Killed, 3; wounded.
