OUR SPECIAL DISPATCRES.

Washington for Every day is adding in the House social provided for the Dispatch to the Pittsburgh Gazette.

Washington Feb 3, 1863.

CONGRESSIONAL PROGREDINGS.

The Illinois Ship Canal bill came up to the Millingues to support it in its modified and proposed it in the outset have signified their willingness to support it in its modified and proposed of it, said that it details could not enter into the vote which make depend upon its principle. He therefore asked that it receive a square vote, and manifested, as usual, by the Pennsylvania, Ohio and Indiana delegations. The enemies people of the District of Columbia, to organics are regiment among themselves, and when it to offer their survices to the President to go wherever ordered. The colored population of the bill raised the point of order that it to contained an appropriation, and must therefore be discussed in Committee of the Whole, at this stage of the session that would have been partially to kill. Its friends denied that the clause in it providing for the future distance and appropriation, but the Speaker ruled against the clause in it providing for the future distance and appropriation, but the Speaker ruled against the clause in it providing for the future distance and appropriation, but the Speaker ruled against them, and to prevent its being smothered in Committee of the Whole they had it referred back to the Military Committee.

To-murrow its friends shope to get the ball and the content of the with a special propers of the most influents of these with the clause in the colored population of the colored population of Mr. Special propers of the said of the wote, made that motion accordingly.

The bill was then rejected.

On motion of Mr. Specification of the revenue in New York, by the special of Earl Land Back to the Military Committee.

Active reference for the whole and th

Massis. J. & M. Mosters, gas fitters and brass founders, announce to the public that they are prepared to execute, on short notice and in a workmanlike manner, anything in their line of business. The members of the firm being practical mechanics of many years experience, will insure to give satisfaction in every respect. Orders let at Bown & Tellows.

The same Committee also decided to report in favor of appropriating \$13,500 to relieve the Bardstown and Louisville troit of said borough, as already located within the same; and, farther, to permit the use of their railroad over the public thoroughfares, under the control of said borough, as already located within the same; and, farther, to permit the use of their railroad over the public thoroughfares, under the control of said borough, as already located within the same; and, farther, to permit the use of their railroad over the public thoroughfares, under the control of said borough, as already located within the same; and, farther, to permit the use of their railroad over the public thoroughfares, under the control of said borough. Also, a bill to incorporate the public thoroughfares, under the control of said borough, such motive power upon said road as may be enacted by the ordinances of said borough. Also, a bill to incorporate the public thoroughfares, under the control of said borough, said borough, as already located within the same; and, farther, to permit the use of their railroad over the public thoroughfares, under the control of said borough, as already located within the same; and, farther, to permit the use of their railroad over the public thoroughfares, under the control over the public thoroughfares, and the control of said borough, as already located within the same; and, farther, to permit the use of the control of said borough, as already located

It is to be hoped that the effect of the Senate Finance Committee's action in cutting into all the provisions for more legal tender notes in the House bill, will be to produce a speedy fall in the present rates of gold, insemuch as it gives assurance of no further expansion of

Mr. Doolittle reported a bill to-day for granting disputed land titles along the boun- which the Constitution entitles them to redary line of the Ashburton treaty.

The Senate will probably reach to-morrow the new Enlistment bill from the Millitary

Committee. Drafting may be engrafted on it. Assistant Secretary of War Watson wa onfirmed to-day. Also a number of Assessors and Collectors.

Mr. McDougal's speech to-day, on France in Mexico, is considered able and thorough, but his resolutions is thought inopportune, and will be laid on the table with little opposition. A motion to take them, up prevailed only from a feeling of courtesy to Mr. MoD. to Mr. McDougal, in a very effective ten min-

ing had held. Bacy took Mr. Henderson from the District of Columbia Committee to fill that important place, and then put Mr. Richardson in the position thus vacated by Mr. Henderson.

A movement to repeal the law limiting the number of Major and Brigadier Generals wa made in the Senate to-day.

MAY'S SPEECH. The Globe's report of Henry May's speech on Saturday makes him say that the only atternatives in the war are separation or subection-re-union, while slavery exists, being impossible. Also, that the rebellion stands justified before God and man. These expressions occur in the latter part of this speech, which he procured leave to print without de livering. Some republicans are so much outraged at them as to talk of bringing up a resolution for his expulsion. ASKING FOR PAY.

The New York Herald correspondent, who sent the first lying account from Pittsburgh Landing, is here now asking for pay as a
