[From 64 Mes To's Trüces, May 16, 1800.] Dr. Jonis is a thoroughly educated 'physician', gradnate of the old achool and the saw is thool Medica Ouleges, and of an Eye and Ear College. No coulsi and attist now practicum, his had the atvantege which Probased Jones has had. [Irom Hon. Gargs Baymond, U. S. Con

[From Mon. Getry's Apparone, J. S. Commun.] BALTE, Briths Hondurs, March J. 1863. Dr. Jokanas A. Jones-Dear bir: While scilds in Mollidysours; Pa., you operated on my laft ea-which had been sentirely deaf five years. I have instead the discist of your still, now order a year, as my ear is policic in every respect. Not will pea-saccept the warmed; confiderations of my return and accept the warmed; confiderations of my return and ver a year, an free confidence that you are master of your pro on. Yours truly, OKO. BAYMOND, United States Consulate.

We have seen cause of desires and stactions of the eys, of variant hinds; that pr. Johannes A. Jones has cated. We have seen an art finis eys in-troduced by him which gives no pain, and cannot be distinguished from the natural organ. We have seen a number of oursons in this teinite who have

distinguished from the partical organ. We have seen a number of promoti in this vicinity who have pears a public as, be is equal to the best; as an ulat and sarist he is both countific and natural, a his quait we have nave mat. It will best as y characteristical it is preached between the same distinguished to the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and distinguished by the same and the same and the same and the same and distinguished by the same and the same and the same and the same and distinguished by the same and distinguished by the same and the same and

There been blind for three years with Amaunoia T was promonous internable by our doctors, after how has blintered me, cuped ma, heeched may, physiched me, and muchared me up in every way. As last hepe I consulted Dr. Jones. My confident a it ham nearwary high, for I sound him to be a young nim the very high for inverse statisments. I have been under his treatment all mouth. It can now read fine yrint. I am fily nime text old. Dr. Jones has cur'd ma. The doctors whe to id as tours mo calles Dr. Jones a queck; they now come to me an i six what Dr. Jones gave ma. I recommend them to Dr. Jones, and i recommend the adicted is him. Justers di treorne not the solitet is him. Pottwills, Schuytkill county, Pa.

I have been hard of hearing for a number of years. I placed myselt under the basic of the Jose of Mew Netk, also cay says, who istued me in an hort. I am buryette of Funk could be the say hort was cantae. Obloc My says is TI years. My eyes were so impaired that, a could a satesd it my presser is a without the use of three different glasses. La Jours has fitted me with one pair which enables ma to see far and near with ease. T
