TUESDAY MORNING, PEB. 10. OITY AFFAIRS. OFFICIAL PAPER OF THE CITY. METSOROLOGICAL CHARLVATIONS for Ganete, by Q. E. Shew, Courien, No. 55 Fifth RES Firemen's Association. A meeting of the Firemen's Associate theld last night at their hall, in the city "billdlags, W.J. Montgomery in the chair, in The roll having been called, the minutes of the preceding meeting were read and adopted Mr. Sawyer, President, having arrived, and takes his seat, the quarterly report of the Chief Engineer was read, from which we ke the following synopsis:

Number of fires.

Alarms. Amount of loss as far as ascertained. \$93,650 Amount of loss over insurance...... \$65,550 On motion, the report was received and adepted.
On motion, the reporters were requested to publish the report of the Chief Engineer in Tall. dil. (Oring to the crowded condition of our solumn, we find it impossible to comply with the report of the Committee on Instrument Un motion, the treasurer was such as the place the money in the treasure out at interest.

The resignation of James Lytell as a mon-ter of the Lascolation was then read and societied, and the Becretary directed to notify his company.

A motion was made, and seconded, that a Committee by appointed to wait upon John T. Logan, Edd, and others holding a fund for the sabled firemen, and conter with them in regard to the disposal of the fund for the gurpase of establishing a fire alarm telegraph. Adjourned. The Flag of the Seventy-eighth Pennsylvania Regiment. MURPEREBBORO, TREE., Jan. 31, 1863. Editors Gasette : Will you allow me a sma space in your widely circulated and truly loyal paper, for the purpose of correcting a mistake of the corresdondent of the Philadelphia 20th inst., I noticed an artible relating to Sergeant H. A. Miller, of Butler county (Co. H, man who planted the fing of the 78th across Stone Biver, during the charge of Friday, Jan. 2d. I will here state that the person who planted the colors was Bergeant G. D. Hamm, of Charlon county, Color Sergaant of Company C. Sergeant Hamm has been the 12

Company C. Sergéant Hamm has been the sent to Camp How. The reasons the sented the regiment with the flag, on the Allegheay Commons, Oct. 17th, 1851, the day previous to our starting for Louisville, Ky. He bore the flag throughout the whole five days' fighting. And I will here state, injustice to Bergeant Hamm, that I knew this to be true, as I was fightiled previous to the battle to command Company C, and was fight on the toto immand Company C, and was fight command to many be flagged to the flag the whole five days' fight. And There the shiftsation of knowing, as I saw him during the whole fire days' fight. And There the hottest of the fight, that he will be sold at Dayis' Auction, three small bore slott the colors—and was, during the bore slott the colors—and was, during the Sergeant Hamm bors aloft the colors—was, was, otherse, in advance of the regiment—which inspired the men with renawed courage to follow after. The first was completely riddled, lew after. The first was completely riddled, and, strange to say, not a man of Company C was injured—not even the color bearer. With a plures in the property was injured—not even the color bearer. lew after. The fist was completely riddled, and, strange to say, not a man of Company C was injured—not even the color beaver. With the same of the colors and a stronge of the first of th Committee to prepare an ordinance regulation the storage of oil in the city, and as the subject is one of wast importance, it should receive the most carried consideration of the wealth and business prosperity of Pittsburgh, and its replig growth has rendered it a matter of primary importance to our citizens.

The oil trade has already added immensely to the wealth and business prosperity of Pittsburgh, and its replig growth has rendered it a matter of primary importance to our citizens.

This not, however, without its disady-manages and dangers, and to confine these within the sand dangers, and to confine these within the least possible timits, the Guscules propose legand dangers, and to confine these within the least possible timits, the Guscules propose legand dangers, and to confine these within the least possible is not which should be discussed its and indicates the subject of landing off on our instances should not lose sight of the fact that werey annecessary obstraction thrown in the way of the trade will result in a positive loss by the came of the people property protected, but the start of the people prop

At the sloss of the play she was call whether the surtain, and took possion to thank the and since for the flattering reception they had out tanded to her. She paid a high complime, to the stook actors for the admirable, support which they had given her, and remarked that they would do credit to a New York stage. It gave her pleasure to recur to the part, when, some four years since she played her "Gamille" have for ety moneastrive mirable. This was her

Our Book Table. UAL POINT OF VIEW; Or, The Glas in Answer to Bishop Colenso. B) D., St. Mark's in the Bowery Ecclesiastical History in the Co pical Sem nary. New York: D. Appleto Pittsburgh: E. S. David, 63 Wood stree

Wittsburgh Guzette.

The first title which Dr. Mahan has give: to his answer to Bishop Colenso, may appear quaint to some readers—but it certainly exresses very well the excellent conception of the nature and kind of the argument with says: which he has met the arithmetical matter-of-fact criticism of Bishop Colenso's book. We think that Dr. Mahan has made anjable and valuable contribution to this controversy, and think that Dr. Mahan has made an able and valuable contribution to this controvers, and cordially command his "Spiritual Point of View; or, The Glass Beversed?" to all who have read the work to which it refer. In commending the argument of the book, howers, we do not commend the, we think, uncalled, for personal reflection on Bishop Colesso. But this is the inevitable disagreeable side of controversy—no matter what the subject.

THE CREMEUS C. KERR PAPERS. Second Sorte New York: Carleton. Pittsburgh: Henry Mine Fifth street. Figh street.

The first series of these "papers" must have prepared a public for the second. Here we have the same distinguished names recurring in the correspondence of the redoubtable as the correspondence of the redoubtable as the secondens. Samyule Sa-mith, and, ever and anon, the immortal Mackerel Brigade. This is one of that fortunate class of books that to a whole host of readers only needs to be announced it's welcome being assured beforehand.

SPRIES AND SPLASHER; Or Droll Recollections of Town and Country. A Book for Helirost Rides and Odd Helf-Hodra. By Honry Moriord. New York: Carleton. Pittsburgh: Henry Miner, Fifth treet.

The dramatic faculty is strongly developed in the author of these lively stories—and hence we find the stories themselves, which have all the cruiesmelonic of perional adventures, most dramatically presented. We think the beok will very delectably fulfit to many a traveller and lounger the promise of its second title. When so many books fring disappointment, now-a-days, this opinion, if well-founded, is redcient of some praise. June." \$50 00 100 00 50 00

The Old Folks' Concert. As was anticipated, the announcement the Allegheny made to change the name of the Continental Old Folks would appear last the Allegheny Hand Engine Company to the night, literally filled Masonle Hall to its utmost capacity. This troupe are top well known to consider the Treasurer was authorized to nigat, interaily inted masons han to its de-most capacity. This troupe are to well known to need anything more than a passing notice at our hands, and any attempt on our part to post them into notoriety would be merely su-perfluous. We would, however, say this when a reception, such as the Old Folks, secsived last night, is iondered to a hand of singers they must nossess more than ordinary mort

WASHINGTON, Feb. 9, 1863.

CONGRESSIONAL. The defeat of the Snip Canal bill to-day Mr. Jackson presented memorial from the was not wholly unexpected, after the develop-citizens of the Commonwealth in reference to ments of last Friday and Saturday. The the arbitrary and illegal arrests, and praying friends of the bill say they lost two votes in Ohio and Indiana by the recent actions of the Legislatures of those States. Also, that the smooratic party made it a strict party question, and under the leadership of Vallandigham, took away from its support all the Democrats from Misseuri and New York, every one of whom they had ample reason o reckon as favorable to the bill till within from the citisans of Morcos county, praying the last two days. The only members from for the passage of an actimating canal boats Indiana who voted for the bill were: Colfax, White and Julian. The only members from Ohio voting for it were: Ashley and Riddles materials and labor furnished in building and The feeling over the defeat, of the bill was unusually bitter. Mr. Washburn was particularly conspicuous in declaring that Con gress had voted to smother the Northwest and might as well adjourn. That country had

received a vital stab by to-day's action, etc. The friends of the Illinois and Michigan canal, however, do not wholly despair. Mr. Arnold, of Chicago, has already secured the power from the Committee on Boads and Canals to report again their canal bill, without the New York and Eric amendment, and will embrace the earliest opportunity to bring it in. It must be admitted, however, that the prospects are exceedingly bad at this stage of the session, and with to-day's decisive action class of purchased vessels, two of the heaviest men-of-war, the Powhattan and Canandigus, of the House, for the success of such a moasure; they think they can get the votes of some of the Pennsylvanians for it who opposed it when connected with the New York
