The lady, however, refused to prosecutors in the old cases, the Alderman informed her that she could depart on paying the costs. The Sale of the Cleveland Railroad tion to a matter in which many of our readers

are interested:

"The recent purchase of the Cieveland and Pittsburgh, by the Pittsburgh, Fort Wayne and Chiesgo Company, puts an end to the former line as a distinct institution and makes it an important branch of the great highway having its terminus in Chiesgo. The Cleveland branch will be operated by the superintendents, general freight and general ticket agents of the Fort Wayne road, the only change that will be made for the present in its management. The acquisition of the C. & P. will undeabtedly prove a valuable ofte to the Fort Wayne stockholders, as it gives them an almost absolute control of most of the principal railroad points in the northwest."

I must confess I had no faten in patent medicines, but after I had used three bottles of Blood Searcher, the ulcers on my head and arm began to heal. I have now taken eighter ten bettles, and my head and-arm are entirely well accept the scar remaining from the scree. I will also state that I had the rheumatism sores. I will also state that I had the resembling very bad in my arms and legs. The Blood Searches also cured the rheumatism.
