TUESDAY MORNING, FEB. 24

LOCAL INTELLIGENCE.
In the Court of Common Pleas, this morning, the case of Francis Ward, charged on tion to reduce the amount of bail.

Mr. Habrouct, counts for Ward, asked to large and taken to Richmond, where they some days since, in giving the decision of the highest process.

The Gambling Case--How McKee
Swaaringen, of the Ninth Reserves, and Capt.
Charles Owston, of the Pittaburgh Rides, attached to the came regiment, have been released by the rabels and are now at Annapolist, Maryland. Both those gentlemen were wounded at the battle of Fredericksburg, captured and taken to Richmond, where they were held as prizoners until a few days since, when they were paroled. LOCAL INTELLIGENCE. From Yesterday's Evening Gazette. oath of John McKee with being a common

LOCAL INTELLIGENCE
From YesterGay's Evening Gasette.
Coon vs. The County Treasurer responsite Opinion by Judge Sterrett.
Some days since, in giving the decision of Judge Stowe in the matter of the application of D. R. Coon, for a writ of mandamus to compel the County Treasurer to pay a waterate of D. R. Coon, for a writ of mandamus to compel the County Treasurer to pay a waterate for Judge Stowe in the matter of the application of D. R. Coon, for a writ of mandamus to compel the County Treasurer to pay a waterate of D. R. Coon, for a writ of the difficult of the county. After recounting the application and the answer; of the respondent and refursing to the law registering the application; and the survey of the recommendation of the county. After recounting the payment the question raised by the mandatory write of the Officult Court, to the court found its ludgenests, as follows: a distribution of the courty. After the money in the Treasurer's hands must be applied to the mandatory write of the Officult Court, to the court found its ludgenests, as follows: a distribution of the court of the Court found and payles of the Tennes of Court found and galactic contine and town the proceed to give the reasons upon which the Court found and galactic contine and twenty to the court of the court found and payles of the Tennes of Court found and galactic contine and twenty the court of the court found of the court of the

we have already seen, the set makes full and specific provision.

Second—The funds claimed to be held by the writt of the Circuit Court are not "moneys mappyorizated of the country," and, therefore, not subject to those write. The 6th section of the set of May 1st, 1861, entitled "An set selling to Allegheny County," (Pamp, Laws, 651,) and therefore, not subject to the server the first of the set of May 1st, 1861, entitled "An set of February, annually, to submit to the Commissioners, or February, annually, to submit to the Commissioners for the legitimate purposes of the country flowers of the country that the commissioners for the legitimate purposes of the country that the commissioners for the legitimate purposes of the country that the commissioners for the legitimate purposes of the country legitimate purposes of the country legitimate purposes are seed the country beyond the taxes so astrong the country legitimate purposes of the section of the country legitimate of the section of the

Within the time prescribed, the Commissioners as esseed a tax of few milts to meet all these items of a properly and the same time severed a tax of few milts to meet all these items of the same time severed a tax of few milts. They also at the same time severed a tax of few milts of the same time severed a tax of few milts of the same time severed a tax of few milts of the same principle. These several assessments were mide for the treatment of three milts of the surpress purpose of meeting the different items of the first part of the few milts for the express purpose of paying the Biate tax, and for the same principle and repair the position of the same of defeaying the ordinary current expenses of the first properly the sense of the first properly the same several damages, builting and repairing bridges, 2c., 2c. It may therefore, with the sufficient propriety to said, that the smouts of tax thus assessed were respectively appropriated to the several objects for which the assessments were made. If this is not an appropriation we are at a loss to know what it should be called Biandard lexicographers tell us that to appropriate it to set apart or vote a sum of mency for a particular eleject.

The samual appropriations of the Legislaturs are on the same principle. An estimate of the various receipts and expenditures of the State government is made—tho amount required for each item or class of the same principle. An estimate of the various receipts and expenditures of the State government is made—the amount required for each item or class of the same principle. An estimate of the various for a particular is inced, and appropriation is made to raise and bring into the treasury sufficient revenues to meet the same. The foreign and provides, by taxation and an admiring the properly of the greater year, and provides, by taxation and an admiring the properly of the greater year, and provides, by taxation and an admiring the properly of the greater year, and provides, by the properly of the greater year, and provides,

sech of said departments; and no transfer from one appropriation to another shall be made, unless in case of absolute necessity and by consent of the Controller and Commissioners in writing, filed as freeded. The following the filed said the controller and Commissioners in writing, filed as freeded. The filed said the treature, assessed and collected for the supersess purpose of paying jurors and other necessary current expenses are not "moneys unapproprieted of the county," and, that consequently, they are beyond the grasp of the write is question. This description of the considerations, a ground public policy forbids that the funds necessary to definy the ordinary current expenses the consideration, a ground property of the writer of the funds necessary to definy the ordinary current expenses the consideration, and property of the county organisation as some currents that the Common-wealth, in a ground and pure institutions are in a powers. The property of the county organisation as some currents and pure institutions are in a powers. The county organisation of their efficiency. Her reveaues are mainly collected through the agency of the county authorities. In abort, the county government enters se largely into, and form such an essential part of the state government, that whatever impedes the one, must necessarily embarrass the other.

The public necessity of the first transcaled every thing size. All other interests are necessarily subservions. And this is the view that has been uniformly takes by our course in every case where the question has arisen. (I. Whart. 3, 2 Whart. 304.) These cases both arcses since the act of ISSA. They were both rules for mandamus on the county Our missioners to draw warrant on the Tressurer. In

question has arisen. (1. Whart, 3, 2 Whart, 294.) These cases both arcse since the act of 1884. They were both rules for mandamus on the county Commissioners to draw warrants on the Trésaurer. In the first cases the Commissioners nawer, "that there is no money in the tressury accept that which wanted to defry the commissioners as the second of the county of the tressury accept that which wanted to defry the antidistic says, "We should place the county of the Commissioners is "that there is no money in the tressury, which is not wanted to defray the ordinary current expenses of the county; and that there is not smitclest the ordinary current expenses of the county; and that there is not smitclest the ordinary current expenses of the county of the Court, sustaining the answer and refusing the mandamus, says, "the Couffty Commissioners must exercise a sound and just discretion in reserving money to defray the current expenses of the centry, because they are of the first importance to the welfare of the public." More precently, the same principles arose in the District Court of this county. (More 10.) It that case a mandamia list, was been done yield general against the section of the southly, and the tewnship officers, noting the mind of the township, and the tewnship officers, noting the mind against the township officers and properly discharged the stewnship officers and properly discharged

of the formship to the support of the point evaporal ing the roads. An attachment was applied for, and Judge Hephurn, in a well committee the consideration of the three states and their duty in applying the funds as they slid, and their duty in applying the funds as they slid, and that the annatactor with a first affect of the formship.

The and the states of the form of the three of the township.

The and the states of the form of the states of the township.

—as indicated by her inguistion and all other interests ——as indicated by her inguistion and the decisions of her courts—has been based upon the same principle; and we see incline to athere to it, unless the court of irricing by the court, treasury and stopping the machinery of government, with all the desistrous consequence that must name, is a modern suggestion,

Larcony of Variety Goods. A man named James Harrison was arrested and 55@60c for Molasses.

PROVISIONS—Bacon is firm with a fair demand and committed to jail to-day by Alderman Humbert, charged with the larceny of about \$300 worth of variety goods, the property of James Green. It appears that Green keeps a huckster stand or box in the Diamand market, in which he secured his goods as usual on Saturday night. On Monday morning he found that the box had been broken open and robbed. Nearly all of the goods were recovered, and the police are searching for the balance.

IMPORTABT ARREST OF COUNTREPEITERS.

In Philadelphis, on Friday evening last, two men and two women were arrested on a charge of counterfeiting. This officers secured all the machinery used in making bank notes, consisting of presses, rollers, plates, paper, chemicals and engraving tools. Also a large number of plates for making alterations. Among the plates found was one for the five on the Western Bank, issued some time since, and which was so well executed as to almost dely detaction. Some of the plates are also believed to be altered for U. B. Treasury notes. The whole amount of counterfeit bills notes. The whole amount of counterfeit bills recovered is between \$40,000 and \$50,000.

THE CONTINUE AL MONTHLY.—The March number of this able competitor with older rivals, is laid on our table by Mr. John P. Hunt, Masonis Hall, Fifth street, and opens with an interesting and hopeful paper on "Turkey"—which the writer regards as likely to be "a great country" yet. The author of "Among the Pines" continues his always wellows "Herchant's Story." Robert J. Walker, F. P. Stanton, Charles G. Leiand, and several other distinguished contributors have articles in this number. The "Continental" is a live magazine, and highly creditable to the pariodical literature of our country.

ATLANTO MONTHLY FOR MARCH. John W. Pittock has received this last publication, and effert it. for sales. This number has been so highly praised, that any more comments spuid he apperfucus.

Husr has received a large supply of reliable and correct photographs of the renowned den. Tem Thumb and his wife. Price only are costs.

LATE TELEGRAPHIC NEWS. FROM OUR EVENING EDITION.]

IMPORTANT FROM VICKSBURG

Active Hostilities Commenced. OUR POSITION CHANGED.

THE BOMBARDMENT RENEWED. The Result Not Known.

CHICAGO, Feb. 23.—A special Memphis dissatch, dated Saturday, furnishes advices from Vicksburg to the 18th. It says that active satilities against Vicksburg had commenced. On that day mortar boats were towed into position, and opened briskly.

The effect of the shots were not known. The firing was responded to by three batteries, when our position was found to be too much exposed for effective operations, and it was changed.

The bombardment was then renewed. The Boundary between California and Nevada--Sailing of Mexicans for Acapuico.

SAN FRANCISCO, Feb. 21.—A serious controversy is going on in Honey Lake Valley over the boundary question between California and Nevada, both sides claiming jurisdiction over the land in dispute. A California shariff the land in dispute. A Ca the laid in dispute. A California sheriff at-tiemped to serve a civil process on the 1st-inst., when the residents of the valley fired on the sheriff and his assistants and six of them were wounded. The sheriff sent reinforce-ments, and his assaliants also expected to be reinforced. Both parties are very defamt, and at last accounts were fortifying them-selves in log houses. A schooner which has just arrived brings

advices from Maratian to the 22d of January.

Four thousand Mexicans, commanded by La Vega, had sailed for Acapulco. The object of the movement is not known. Slave Property in Maryland. Baltimone, Feb. 23.—The appraisars of the property of the late Charles Carroll; of this State, one of the largest slave where of Maryland, have made their return to the Orphan's Court, assessing the value of the hundred and thirty slaves at an average of only five dollars. This, they say, was the highest rate they could name, after a consultation with various laye owners and dealers. tion with various slave owners and dealers. A slave dealer told the appraiser that he would not give \$500 for the whole lot. This is considered a striking illustration of the
