cost of the general treasury, on the pretence that a military necessity required it,
have gone to work to try and get the State
Legislature to do it. The Corn Exchange
of that city have held a meeting; and recommended the State to appropriate sufficient money te accompilat the work. They
urge it not as a military necessity—that
humbug was intended only for the general
government—but as a great commercial
necessity, arising out of the growing wants
of the West, and to increase New York
trade. The expending of their own capital upon their own improvements indicates
the right kind of enterprise which deserves
success. It would have been gross injustice to have made other States, which are
competing for this very trade, to have contributed taxes to building up a rival interest, which would have been the case if the
National Treasury had paid the coat of the
work. Detrois Fourth and Fifth Street, Large assortment of SPRING GOODS, bought bere the last great advance in price.
