Trial calls for each day consist of the first ten open Bank Statements. The following is a tabular statement of the ondition of the Banks of this city, for the month of April, 1863, as compared with the previous month : ...6,677,054 1,443,563 6,336,623 1,839,510 6,231,761 1 476,564 6,638,192 1 816 679 #45,x93 83,/ 01 301 584 X 74 514 Presbyterial. The Reformed Presbytery of Pitteburgh met in the First Reformed Presbyterian poorly uttered. To give a fair abstract of the gentleman's church of this city yesterday. In addition to the usual routine matters, the following items of business were transacted: The name of the Second Reformed Congregation of Pittsburgh was stricken from the roll of Presbytary's vasual routine matter of the subject. Prof. Jas. B. Nowell was then called upon, and recited Jagurtha's Prison Thoughts, and recited Jagurtha's Prison Thoughts, and was stricken from the roll of Presbytary's va-cancies. The pastoral relation between Rev. John Nevin and the congregation of Shenan-go, Crawford county, was dissolved. The congregation of Neshannock presented the following currer. We its assets. The congregation of Neshannock presented the following query: "Is it consistent with good standing in the Reformed Prashyterian Church to support a treasonable newspaper?" This was referred to a special committee who reported. That insamuch as civil government is an ordinance of God, and christians owe allegiance to such governments as secure a good degree of civil and religious liberty to their citisans, therefore, Received, That instead of supporting treasonable newspapers, to do which is literi treasonable newspapers, to do which is literi treason, we should use all proper means to discourage them: The Committee made certain specifications, which, after some discussion, were withdrawn less sum offense might be given to those where the committee is an arrant impostor. Quite a number of our citimens have been informed that a woman is going about among our citimens collecting money under the tollowing pretence: She says that there is a certain soldier lying at her house with a builet in his citying at her house with a builet in his collecting money under the tollowing money under the tollowing about among our citimens about a woman is going about among our citimens about a money our citimens be asys that there is a certain soldier lying at her house with a builet in his citying at her house with a builet in his collecting money under the tollowing money under the tollowing about among our citimens collecting money under the tollowing about among our citimens collecting money under the tollowing about among our citimens collecting money under the tollowing about among our citimens collecting money under the tollowing about among our citimens collecting money under the tollowing about among our citimens collecting money under the sensor woman that there is a certain solder lying at her house with a builet in his collecting money under the sole woman in going about among our citimens woman in going about among our citimens collecting money under the tollowing about among our citimens associated in the at woman i report was adepted manimously. The following persons were appointed delegates to General Synod, te meet in Cedarville, Ohio, on the third Wedneday of May next: The Excelsior Institutes under the superintendency of Rev. W. S. Gray, and is under the comparison, J. F. Hill; John Alferd and John Nevin. Riders—John Stavenson; Esq. James M. School for boys and girls, it has a deservedly high reputation, whilst as a Normal Imbris, George Shaw, Benjamin Miller, Andrew Waterson, Daniel Minnick, and Henry Galdwell. Prebyters cordially recommended the observance of Thursday, the 30th of April, as a servance of Thursday, the 30th of April, as a day of humilistion and prayer, in accordance with the President's proclamation. Our Book Table. Ristory of the Reformation in Europe in the Time of Galvin. By J. H. Merie D'Arbhyne, D. D., Author of the "Ristory of the R formation in the fit-teenth Century," 2 vols. 12mo. pp. 433 and 475. New York: Robert Carter & Brothers. Fittaburgh: R. S. Davis, 83 Wood st. Some weeks ago we noticed the publishers' announcement of these volumes, and gave a few extracts from the preface, which happened to be included in a fasciculus of proof-sheets distinctly stated the author's great monumental work—the "History of the Reformation in the Sixteenth Century." That such a work as Dr. D'Aubigne purposes to write, (and of which we have so substantial an instalment in the two volumes before us.) will be received. which we have so substantial an instalment in the two volumes before us,) will be received with a world-wide welcome, we are ontiroly assured; for, if his special qualifications as a histerfan of the Reiomation are considered, it will readily be admitted by all these beat acquainted with his writings, that the very portion of it in which he might be expected to attain the highest excellence, is that exactly which he here undertakes—the second, or Calvinian, as distinguished from all those best acquainted with his writings, that the very portion of it in which he might be expected to attain the highest excellence, is that exactly which he hare undertakes—the second, or Calvinian, as distinguished from the first, or Lutheran, period of the great movement. He has long meditated and prepared for this division of his worken the Reference in the says in his preface: "The assortment of cloth, cassimeres, ventings, &c., and they are now ready to open their Spring dood, have purchased last fall a beautiful assortment of his present work is not a new one; it distess more than forty years back......The learned Heasder, speaking with the author at Berlin in 1818, pressed him to undertake a History of the Reformation of Cateria. The work is all done under their supervision, to sketch successively two pictures so similar and yet so different." Bestdes the portion of the work comprised to these two volumes, wa are informed. Fashtowable Clothing - Garactic are Bordin in 1816, present lim to undertake. History of the Referencies of Course. They will sail their goods by the state that of Littler; has the list per history of the Referencies of Course. The second of the Littler, has the list per history of the Referencies of Course.
