Destructive Fire on Wood Street. About half-past eleven o'clock last night

very destructive fire broke out in the four story bricks (Nos. 128 and 131) on the west side of Wood street, one doer north of Virgin alley, compled by W. & D. Binehart, one of heaviest tobacco firms in our city. For a con siderable length of time intense excitement prevailed, in consequence of persons not

knowing where the fire was raging, owing to peared, that could at all be accounted of such the dense smoke which filled thei streets. Fifth street was completely choked up with smoke, and rumors were aftent that Masonio take of writing such a work could not have Hall, the Disputch office, and other buildings were on fire.

The fismer bursting from the roof of the obacco warehouse, soon set all minds at rest a regard to its locality, and as we reached the spot, an immense crowd had assemb The aggint, an immense or own had assembled, The aggints were soon on the ground, and the superiority of steam; over muscle was soon made manifest. At first it was thought that the whole block, consisting of J. MoMil-lan's job printing office, the tobacco ware-house, (two in number, of the Messrr. Rine-hart, Schmeis & Bleakly's oil and lamp store, and Oinhausen & Crawford's saddery estab-

Finite of the second of the leading incidents in the life of the great traveller and author-ess, Ida Pfaifer. It was nestly compiled ess, Ida Pfeifier. It: was nestly compiled; and was read in a pleasing manner. Music, "Dew Drop Polks," by Miss Nettie Rumsey's Minstrels. This world-renowned troups will open the sir

Oburn. Rssay, "Plus Ultra," by Miss Fannie J. Canti ald. This quaint subject was handled in entertainments in this city with an entire no w repertoire, at Masonio Hall, commencing of Cann'eld. This quarks about was handled in a vary pleasing and interesting manner. The reading was highly creditable. Bong, by the Vocal Class, "Give Us an Iron Cied Navy." This was so well exceuted by Monday evening, and continuing four nights. This will be their third appearsnoe in this

raading was highly creditable. Bong, by the Vocal Olass, "Give Us an Iron Cied Navy." This was so well executed by the class as to call forth isplause, contrary to the strict rule governing incese exhibition. Essay, "Our Meckens," by Miss Mattie J. sets of worship and adoration, as the title suggests, pointed out some of the modern ob-giest of worship and adoration, and courved an impertant lesson. Essay, "The Human Vert," by Miss Bessie T. Bephard. This was a very pleasing and interesting essay, ingeniously written and well read. Song, "Come with Me to Fairy Land," by Alloe B. Tuit. The President of the Association, Miss

Alloe B. Tuit. The President of the Association, Miss Frances E. Willard, then delivered an address, which was replete with instruction, conveyed in a most fascinating style. This lasty is a very vigorous and rurssille writer, and is pos-sessed of talents of no ordinary character. Her address wis listened to with marked at-tention. DE. JONES, OF NEW YORK .- This gree ophthalmic and aural surgeon, who has now practiced three months in Pittsburgh, has been more successful during the past week than any previous one. His patients come fr far and near. There is not a square in the city, a county in the State, nor a State in the

Upion, perhaps, which does not ontain liv-ing witnesses of his skill. He is always busy. His stay is growing very short. His office hours are from 9.s. m. to 6 p. m. Office No. 47 Smithfield street.

Her address was listened to with marked at-tantion. The exercises closed with a song by the Vo-cal Class, "When this Grant War is Over," infar which the andiance dismissed. The performances were of a very promising character, alike honorable to the pupils and the invatitution of which they form a part. We were exceedingly gratified with the music, both Voe al and instrumental, which was of a very high order, and added much to the inter-est of the order, and added much to the inter-in having the vervices of a teacher so comp-tent and so populy as Prof. H. Bohbook, un-dar whose tiltion this most desirable accom-pliahment has been imparted with remarkable success. DESIGNED AND THE PROFERTY FOR SLIL.-We would, direct special sticution to the advertisement, in another column, of the sale of sixty-four desirable building lots, on what's known as the Algeo property in McOlure township, ad-joining the property of the House of Heinge. The passenger railway ranning past the property renders it easy of access, while per-sons will have all the enjoyments of a coun-try residence. The easy terms on which it is sold is also an inducement to those who are in want of homes.

The Pittsburgh Female College now en-

The Pittaburgh Foundation of the previous term. Its moto is "Historicity," and its course is chuward and spward. There is a master mind, which comprehends all its re-cessities, and liberally supplies all its 'wants -leaving nothing unders which might con-tribute to advance the gammal good of the in-tribute. Hence 'want's have alumidd' times STRING SHOW, &c.—The Linnesster Jaquirer, speaking of a misorable pices of witticism perpetrated the other night by one of San-ford's trupe in regard to the President's proclamation, says it was greeted with a storm of hisses. Sanford and his troupe should have learned ere this that the time for palming of jokes aimid at the efforts of the government to put down rebellion, has gone by. If they do not know it they should receive a lesson that they will not soon forget. Finde to Four weaks have shaped since the present term commenced, and yet the pu-plis are still entering the ory is still they come. Well, there is room for a few more ooms. wen; there is roun to a some time, we opine, be-fore the energetic and progressive President will cry "enough."

roads are, of course, as bad as they have been and after a day or two returned to Williamsburg, where Capt. Slough is prepared to re-WASHINGTON, April 24 .- The President h ceive them. Wolford's regiment is being paid, and from pardoned Samuel Van Horn, a soldier in the

four aundred per cent. THE NATIONAL BARKING LAW. In as much as general inquiry is bein made by capitalists in all parts of the cour try, in regard to the national banking law, condensed summary of the proceedings ne conserve for organizing under it, may be of in terest. pardoned Banuel Van Horn, a soldier in the Sth Pennis volunieers, who was coarieted on the 22d in the Oriminal Court and santeneed to an imprisonment in the Albany Peniten-tiary for a term of one year. Ohief Justice Carter and Associato Justices Olin and Fisher united in a petition for his pardon, upon con-dition that he would forthwith join his regi-ment. being the poorest, they will be the richest in a few days. I am told it will take \$150,000 to pay them. Scouts, in this evening, announce that, about four o'clock this afternoon, the rebel pickets, for fifteen miles up and down the The Navy Department to day received a dispatch dated the 23d from Admiral Lee, of Newport Nows, stating that Liet. Cashin had, on the afternoon of the day previous iver, suddenly moved, and bidding our pickets a farewall rode off. Wolford is not cor ain whether its a ruse to conceal some evil

ntent to coax him, or if it really foreshadows a retreat of their forces. In any case he will hed, on the siturnoon of the day previous, with 90 men gone to the village of Ohueka-tuck, where he encountered 40 rebel cavalry. He defeated them, killing two of the cavalry and capturing three of their horses, fully equipped. Lieutenant Cushing lost one man kulled.

Finch's a sta which his bark focures so per only of the To start a bank of the minimum capital, \$15,000 in cash and \$5,600 circulation is ne-cessary. But as the law requires 10 percent. of the capital to be paid in every sixty days, circulation can be obtained in the same pro-portion, and no bank can put out a greater amount of circulation than capital southally paid in. The President has officially proclaimed the additional article to the target mount of elroulation than course womans, paid in. The advantages offered by the national tanking law are exemption from the expense of the bank notes, all of them being furnish-ed by the Treasury Department, cheapiness to organise under a isolility for getting out of it; notes being a legal tander for all dues; oppor-tunity for becoming financial agents of the Overament, and width of circulation, it being unform in appearance and national in its character.
