brief resolutions. The correspondent of the -It is reported by an exchange that the First Baptist Church, Springfield, Illi-Post, in endeavoring to help his fellow-traiton nois, within eight years, between four and out of a tight place, also resorted to a falsefive hundred members have been added to hood of the baldest character, in asserting that the soldiers had been called upon to mob the the church. Patriot and Union office.

-----The Archbishop of Canterbury, in a We now quote from the Telegraph of Thursletter to his clergy, gives his opinion of the day morning :

Tay morning: Immediately after the appearance of the Patriot and Union, on Tuesday, containing the foul attack on Gen. Hocker, and after it had reached Camp Curtin, an immense scilla-ment was at once created, and it was only by opinions of Bishop Colenso, as follows: "Happily it is without precedent that such published opinions should have ema-nated from a bishop of the Church of Christ. But is is astisfactory to be assured that the principal objections advanced by Bishop Colemas are for the most part purile and trite. So purile'that an intelligent yout, who had read his Bible with care, should ment was at once created, and it was only by the prompt orders of the officers that the men were restrained from marching to the eity and visiting vergeance on the traduers of their brave leader, Gen. Hooker. This morning, after that sheet had again appeared, in which it endeswored to eraw out of its base assaults,

Baurday Gen. Hocker is charged with being "a braggart, a besater and no General;" men are expected to be present, and much while in that of Tucsiday last be is placed in business of importance will be transacted. the Okristian Instructor gives an account of the fate of a Methodist church in that city. the light of a "drunkard in whom the arm Without intending, doubtless, to produce After which the following preamble and esolutions were read to the regiment and enan unfavorable impression, he neglects to "A few weeks since their church was sold or rented. Passing by last week, I noticed that its handsone little steeple had church into two rooms, one of which was sold or rented. The Pariod end been taken down. A partition divided the church into two rooms, one of which was s carpenter shop and the other a whisky model in the renter a state of the state will be church will be church the fact of the state of church into two rooms, one of which was a carpenier shop and the other a whisky shop." — The Young Men's Christian Associ-ation in Providence, B. I, has been in op-eration about eight years. It now has nine hundred members. There has been an in-foresse of three hundred during the year. crease of three hundred during the year. Pittsburgh is without an organization of this kind, owing to the indifference of young men. Bishop Simpson is about to change
