THURSDAY MORNING, MAY 21. Vallandigham's Sentence. VALLANDICEAR, and his sentence to con-

That's man so postilent and so undisguisedly hestile to the Government should was impossible to maneuvre them in solave been suffered to go at large as long as tion or bring them under the control of he did to more a subject of wonder than their orews; that owing to their flimited that he was at last arrested tried and pun- power of steerage," they are liable to lose abed. From the beginning of the war, their "way" in action, and so are rendered bolk in and out of Congress, he has labored unserviceable. On a recent occasion it took to embarrass, cripple and weaken the Gov- "seven miles" of seaway to maneuvre the strationt, and in the same degree to en- Black Prince, and "in a sea" it was imposcourage and strengthm the rebellion; and sible to get such vessels "round to the he has not consed to now broadcast in the wind." This is just the kind of difficulty popular mind the most seditions sentiments that was experienced in the handling of the speeches have been widely disseminated by the copporhead press of the North, Sumter, and hence what is being considered

mated by the copperhead press of the North, and no less so by the rebel press of the South. In the North he was the accepted seed of the south. In the North he was the accepted in England by way of remedy for the defect must be of interest here. On this point, it is a seed of the party; while in the South he was regarded as the champion of the friends of the rebellion in the North. No man can estimate the mischief he has done, or how many lives have been sacrificed in consequence of the hope, courage and vigor he has infused into rebel hearis and rebel areas. Certainly it was high time his danger of the south and the South he South has infused into rebel hearis and rebel areas. Certainly it was high time his danger of the south as they please; and the South her reless and unsages of peace are not appliedlike to a state of war, especially such a way as this. But when the rebel armies shall have been subdued, and we shall have been subdued, and w shall have nothing but copperheads to fight with Mr. Vallandights, according to his sensence, will be set at liberty, and allowed to talk ad libitum to as many people as will be set at liberty, and allowed to talk ad libitum to as many people as will be set at liberty, and allowed works of armored ships. His statement was rather vaguely made, but on turning to another column of the Times we find an

will be set at liberty, and allows a many people as will state to him.

The rebel papers are by no means pleased with the first will be at the liberty and allows the state of the state of

ug at disadvantage when we shall enter upon the adjustment of terms of peace. A great deal has been said about guarantying great deal has been said about guarantying the free navigation of the river to the Northwest, but with what plausibility could our government come forward with such a tion when the entire river, with all its fortifications, creeted by the Confederacy is already in their possession? Of course they would laugh at such a proposition com-lag from us under such circumstances, and ing from us under such circumstances, and hence it is of the first importance that our present position on the river be permanently held. Better far would it be to sacrifice. Bishmond, Charleston, Savannah or Mobils than to yield the river by which the Con-
