Daniel Bonnett. The American Tract Society. The report of the American Tract Society, just out, contains a statement of the work of the Pennsylvania branch. During its first our Commissioner of Exchanges decides that medical officers and chaplains are noncombatants, and are not classed as prisoners of made friendly christian visits to one million, one hundred and thirty-six thousand families. The amount of colporteur missionary labor performed, has equalled the acrylees of or man for nearly four hundred years. The value of religious reading master gratuitous. decade, which is just completed, the Pennsylvalue of religious reading matter gratuitously circulated, has been \$22,150, and the funds
generously contributed for this purpose,
\$58,366. Last year, forty-two colporteurs
visited 41,417 families, held 675 religious
meetings, and \$40,627 worth of whole-rome
religious reading was dispensed, an increase

Casey's staff, in about to establish an army religious reading was dispensed, an incres of \$10,000 over the year before, mainly due to the calls from the army and navy. From Lake Superior. The steamer Iron City arrived at Cleveland n Saturday, from Lake Superior, and reports perior. A very disastrous one broke out in the vicinity of the Pennsylvania and Amygralisation Mines, on Sunday, burning up the stamp mills and everything on the Amygdaloid location except the agent's house, the office, and two other buildings, and there was illittle hope of saving a very these. When our informant left there, six buildings on the fine still raging.

There was considerable excitement at Portage Lake, caused by the exhibition there of some specimens of gold-bearing rock, said to be found some few miles back from L'Anse Bay.

The Iron City brought down 160 tons of copper from the Cliff and National mines, consigned to Hinsey & McBride; 212 tons iron or for the Cleveland Iron Mining Co., and a good number of passengers.

Col. Thomas A. Scott.

The Harrisburg Telegraph rays: "When the war broke out the services of the Penns, with it sationed at Charlestown. Lee's army is not known to be within supporting distance of Eweil.

It is very probable teat the robel icine now the war broke out the services of the Penns, and the party which just advanced upon Green Caste and Chambersburg numbers of passengers. ces, were placed under the exclusive centrol of the Government. Its energetic officer, of the Government. Its energatic officer, Thomas A. Scott, Esq., the Vice President of the road, came in person to the State and National capitals to render his aid, and he continued in that service until others were initiated by him to perform the dutien. When eur soil was invaded last year and the militia called out, all the cars and locomotives that could be commanded were furnished without remuneration, and troops poured in for our defence. "When we see the capital of the State again in danger, who do we meet again at his W. Shaw.....

"When we see the capital of the State again in danger, who do we meet again at his old post but Thos. A. Scott, tha Vice-Proti-dent, giving his sole attention to the preser-vation of our lives and property. Bound to Go.—Among the three hundred and thirty volunteers from the neighborhood of Erle, who came to this city, were a number of farmers who had left everything in their hurried departure. One old man was shearing a sheep when he was hailed by the passing troop. He left the sheep half shorn, hung up the shears and fell into the ranks. ton, Philips & Co., 3 horses and one plow.
