By command of

Msj. Gen. W. T. H. Brooks.
T. Breff Swaringer, Capt. & A. A. Gen. Office at Alex. Laughlin's, near the Water Works, Pittsburgh, Ps. Pittsburgh Sanitary Committee. We sometimes receive letters from our branch societies asking us to give them some advice in regard to their raising money to carry on their societies. Many have concaris, tableaux, strawberry and proces, & ., by which they raise enough to supply the acciry with material for some time, but when that is ex-hausted they have nothing more to work en, and they must again devise some means by which they can raise money. Now if, by some plan, a regular monthly income can be vere loss, beyond Upperville, into Ashby's gap, a distance or eight miles, capturing one some plan, a regular monthly income can be secured, the scolety will work more regularly and with more satisfaction; for we knew that as leng as the war lasts, the woman must work. We think the plan of the Alert Club, of Morwalk, for raising funds, very good; but laisly we have heard of the system en which the Mew Brighton Society works, which is very similar, but more simple and there is less collecting, which is worthy of notice. The town is divided into districts and collectors appointed, who solicit subscriptions from both ladles and gentiumen, the amount subscribed warying item five dollars to ten cents, seen feeling themselves so poor that they cannot spare ten cents a month for the relief of the soldiers. By this means they raise about cose hundred dollars as more. grp, a distance or eight miles, capturing one gun and a good many prisoners, and blowing up two caiseons. The success throughout the day, has been uniformly on our side.

From information received here, it is put beyond doubt that the enemy's main infantry force, including the corps of A. P. Hill, is on the immediate western slope of the Blue Ridge, between Snicker's Gap and Winchester. Noth-JOHN COCHRAN & BRO. Missouri State Convention. beyond doubt that the enemy's main infantry force, including the corps of A. P. Hill, is on the immediate western slope of the Bine Ridge, between Snicker's Gap and Winchester. Nothing seem of the rebel infantry in to-day's fight.

White, Orr & Co.—200 yards of mosquito

White, Orr & Co.—200 yards of mosquito Manufacturer of LLUMINATING and LUBHI-CATING CAEBON OILS and BENEOLE. ST. No. 1, REFINED OIL, WAITARTED BON-EXPO-A Copperhead Scheme.

Sr.Lours, June 22.—The Democrat's Spring field dispatch says that the clerks of the Ai sembly scaled up the journals of both house and placed them in the hands of a copper head Treasurer. The law says they shall be deposited with the Secretary of State. The law slap provides that the public printer shall have an official copy of each day's proceedings of the Legislature, which has not been compiled with. The clerks pretend to consider it. The Assembly is yet in resision. These journals are public property and open by law to all, even while the Houses is in session. This is part of the copperhead plan against the integrity of the State.
