has already so well-nigh achieved.

The source of all these reports is an obvious one. They come from the same parties, of course, who are ever exaggerating the numbers of the rebels, and over-color- els at Richmond, finding that something ing the slightest of our reverses. Nobody | must be done to retrieve the disasters to the believes them but the simple-minded, who arms of the "Confederacy" in the West, are credulous enough to think, in the face and to recover that almost lost prestige of of such a long and disastrous experience, good fortune which the incapacity, timidithat this prince of copperheads is a Gen- ty, or perhaps worse still, of some of our eral, or that, the President himself is a fool, West Point Generals, who had worn the see a persistent exclusion of men like Bur- be most favorably carried out.

brought to believe, in the face of all the damning evidence now accumulated upon, and burnt, as it were, into our public records—that the (President of the United States could so stultify himself, and so outrage the loyal and honest sentiment of this nation as to take again to his arms, in a position of higher trust than ever, the man from whom he has already borne so much, and who stands convicted now by his own evidence of flat disobedience of his own orders as his Commander-in-chief, and still further impeached of compilcity in that effence which stripped his fides Achetes—Fits John Porter, whom he still countenances and befriends, of his epaulets, and would have cost him his life in any other Government—then we could indeed graving of the Union—then we could not but consider our holy cause as betrayed and lost—then we would indeed weep anew for that noble army of martyrs which an ungrateful country had forgotten—then we would indeed grudge every drop of that priceless blood that has been shed in vain brought to believe, in the face of all the he is intending to fight the Summer campaign on Northern soil. priceless blood that has been shed in vain to fatten Southern fields, or feed the vultures of the Southern skies. If President recalling General McCLELLAN, after all that has happened, and is now so widely known, no reason why Jave. Daves and his assowould erlect, above all others, as the Commanger of our armies would be Guozau B. McCLELEAN. - For his own, he would scarceat the head of ours that he could effectually serve him, by his imbecility, and his nawillingness to fight.

We know the fact that a concerted effort is being made now amongst the copperheads throughout this State to restore this man to power, and we see it stated that Gewernor Cuntin and other prominent par-Ges about Harrisburg are advising it. When he was reinstated on the former ocsame gentleman had undertaken to recommend and urge it in the name of the people and the volunteers of Pennsylvania, from the copperhead "Demoorable to J. F. CAKR. Proprietor A DJOURNED SALE OF REAL ESTACY" to Jeff. Davis, to suggest and invite an invasion, be true or not, the people of pennsylvania and Maryland, who have sufsered from the rebell, may blame their copperhead filendurater, corner of Island Lane and the New perhead friends for it all;—and still more WEDNESDAY. Job and the second state of the people of prised, therefore, if it were true. Judging from the texture of his mind and the kind of men by whom he has so strangely surrounded himself, and some of whom are understood to have quite as decided opinions against the see, as helps himself expressed in regard to arbitrary arrests, it would not be remarkable if he peace Democracy. We beg leave to say, however, that if he has so interfered, it is whispered in copperhead circles therefore Democracy. We beg leave to say, however, that if he has so interfered, it is without warrant, and in defiance of the will be at the Clifton without warrant, and in defiance of the will be at the whereabouts of that gentleman is of little consequence.

INDIA BUHBER OLUTHING—Caps that if he has so interfered, it is without warrant, and in defiance of the will be at the Clifton without warrant, and in defiance of the line, at the India Bubber Depot that gentleman is of little consequence.

where he lies.

Lee's Invasion. When LEE and the council of arch-rebwest Point Generals, who had worn the insignia of the "Golden Circle" before the same thing worse. Wise men, however, shudder at the possibility of their truth, because they fear that the President is in more terror of his enemies than of his friends, and that he may possibly hope to strengthen his administration by casting off the latter entirely, and throwing himself bodily into the arms of those whom all the sacrifices already made by him for that new the sacrifices already made that all hinds in standal decked their shoulders the shoulders the sacrifice already to sacrifice already the sacrifices already made that all hinds in standal water the shoulders the shoulders the sacrifice already to sacrifice already the sacrifices already made that all hinds in standal water the shoulders the shoulders that all hinds in standal water the shoulders the shoulders the shoulders that all hinds in standal decked their shoulders the shoulders that all hinds in standal water the shoulders that all hinds in standal water the should recommended the should recommended the should recommended the should recommended the should reco sacrifices already made by him for that in what Northern State, or part of a State, purpose have never yet propitiated. They could the bold project they had concaived TOULY CELE-BRATION—The Annual Colebration for

LER and FREMORT, whom the loyal and An intelligent correspondent of the New long-suffering supporters of the Adminis- York Times, in a recent letter, states the tration most highly trust and honor. They fear that it may not possibly be considered enough that men like these are estracised for their opinions, and that a well-meaning but timid Executive might be even compelled by a factitious clamor, when things look dark, to plunge us into utter despair, and irretrievable ruin, by taking the last fatal step of rushing again, by some terrible fascination, into the fatal embrace of the deadly serpent-from which he has just escaped, and which is still hungering to devour beth him and us, as it has already devoured so many of our children.

If we partock of this feeling—if we could magnine now the possibility of that of which the very thought itself sends a cold shudder to our heart—if we could be brought to believe, in the face of all the owners, and the supparent concentrate as an invasion of the North thus:

Les is proceeding on the Napoleonic principal consists and consequence of the North thus:

Les is proceeding on the Napoleonic principal consists and consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus:

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal consequence of the North thus.

Les is proceeding on the Napoleonic principal and the North thus the story be and the lower part of Pannaly and the North thus the story of the County of the Story, and the Superior of the County of the Story of tration most highly trust and honor. They question of an invasion of the North thus:

That the rebels have attempted their invasion in Maryland and the eastern part of our own State, is the best proof in the Lincoln should feel himself warranted in world that, from the rebel point of view, that region on the whole promised greater advantages than any other-than, for instance, Western Pennsylvania and Ohio, the return of his confidential adviser and ed that Lzz's movements were aimed. Now adjutant Firz John Porzes, and we see as the region lying west of the Alleghenies, is in no respect inferior as to wealth and council. If the question were left to that council. If the question were left to that arch-rebel himself, the man whom he would ericot, above all others, as the Company were the paramount and decisive Pitts Parch July 1 1853.

| Command our former triends and others to the pitts Parch July 1 1853. | 193:18 reasons which determined the choice of Lzz? One of them, certainly, may have

ly trust him with a captaincy. It is only been the nearness of that field of operations, which might not involve an abandonment of important lines of communication; but while this is at once admitted as good for one reason, it strikes us as highly probable that the strong leavening of the population of the eastern counties with the "Peace Damedracy," (that is, the copperhead element,) was also good for at least the second reason. So, whether the story that is stated COLUMBIA HOUSE, to have been told at Washington by wellinformed parties from Richmond, respectemphatically, the COUNTRY may charge upon these traiters the gullt of at least in-

directly bringing on it the shame of this

men of Ohio won't talk about a lower figure than a hundred thousand majority against him in October. In fact the nomination of 100 CAVALRY HORSES.
