THE LATEST NEWS BY TELEGRAPH. OUR SPECIAL DISPATCHES. FROM WASHINGTON. Bepecial Dispatch to the Pittaburgh Gazsita. Wasursorow, July 6, 1863. THE NEWS CONTINUES TO BE CLORED. The news from the recent battle continues to be of the most chering character. Pris-conces at d deserters are constantly combined into our lines. The enemy have lost of the latter over six thousand, and the number is Mr. Beansett offered the following : Resolved, That in accordance with the re-commissidation of Capt. Craighill, a temporary doiny will take place in the labor upon the fortification, uncil a concise report be prepar-ed, thowing the amount and nature of the labor required. As soon as this report is presented, however, this committees feel that they are but expressing the opinion of the community when they say the works ought and will be fusibled at the carliest moment: Provided, That nothing in this resolution be construed so as to interfore with the volun-tary labor at present in progress, or any offer-ing, upon the works nearly finished. Adopted. Mr. Bennett gave notice that any volun-teers wishing to work upon the works will be furnished with rations. Mr. Bennett offered the following :

Fort Branst, after Felix Brunot, Big.

latter over six thousand, and the number is guage be used in all public transactions, and increasing. No correct reports of the killed and wound-

ed have yet been made out, and the figures given are only estimates. General Meade is fully alive to the emer-gency of the hour. Details from the army indicate the capture of more guts and wagons belonging to the robels. General Hooker, who is here, thinks that Lee cannot escape, as the river has already

risen sufficiently to prevent it without the aid of arms. Our forces are posted so as to render the capture of a large part of Lee's force probable. Sixty-seven hundred prisoners have al-

Ing on----

setsion. The enemy can only get through by desperate fighting.

GENERAL STONEMAN. General Stoneman had an interview with the Secretary of War to-day, and is to receive

orders to join the Army of the Potomac.

orders to join the Army of the Potomac. Gen. Couch telegraphs that the Potomac river is rapidly rising. Postmactor-General Blair and Gen. Meade were class-mates at West Point, and have not met since. No men, sick or wounded, are to be rent east from the Washington hospitals, but the east from the Washington hospitals, but the

east from the Washington hospitals, but the tioniars. ounded from the battle fields will be sent to Philadelphia and other eastern hospitals.

THE LATEST NEWS | Arrival of the Steamer Oity of Wash-The French in Mexico. Accepting the news which comes from Mezico by the way of San Francisco as true, --- and we see no reason to doubt that it is true, --- we must conclude that the Emperor Napoleon

will now have fall opportunity to show what he means when he declares that he aims to secure to Mexico a permanent government ef such a charator as she withes. Having discretized also importors and desires in METALS, THE SUC eccupied the capital and received the formal tender by the charator party of their allegiance to the Emperor, Gen. Forrey may well con the Emperor, Gen. Forrey may well con

sider that the chief part of his military wer is done. The Emperor thanking him and his army for the capture of Puebla, says :

army for the capture of Puebla, says: "Our of ject, as you are aware, is not to impore upon the Merroans as Government fourary to their with, or to make our sur-cars a triumph for any party whatseever. I wish Mexico to be regenerated to a new life, and that soon, reformed by a government based apon the national will, on principles of order and progress, is may admit that it swess to France its prosperity." It is difficult to understand how a govern-ment hased more upon the national will than awaited. Vory war-like rumors had prevailed in

Lastrpoot, Same 20 -- Course quies but un-changed. Breastanti, fat. Provisions duil. Produce quiet and steady. Londuce, Juse 35 -- American securities duil. 1 Illinois Ceutral starts, 30% @38 disconst, London, Juse 35 -- The Taxes looks on the present position of England in Karope with unearises. It says: "We content to some of the uneasy and unsettled feelings which took possession of the minds of all re-facting mes, during the lowering and unset-lied year which proceeds the Crimean War. Our anobor is litted, and we are drifting in a current which seems to be leading us to one of two disagreeable alternatives-war, if we advance; loss of charactor, if we retreat. The Taxes alco says that the Eussians in Paris seem pertuded that war is all but cortain. able Lru gists. pose of organising the machinery of government on the French plan. The church party corner of First and Wood stre jel3:8wdawT hasten to welcome the foreign Emperor. It is casy to see how great is their patriotism and how opnident their expectation of a mo-narchical government. One of the newspapers started in Mexico in the French Interest, anhe usual rousine and irregular expensive m nonness that democracy is at an end. One thing is very probable, that trouble in Mexico is not an end.

A Fighting Quaker,

Capt. Nicholas Halleck Mann, of Ulster county, New York, is a Quaker, over six feet high, and "in for the war." He com-manded sequatron of oxvalry at the Aldie fight. When the Federal force was over-From Port Hudson-- I'be Stege Go--Gen. Hosecrans' Army in Frogress. Foarams Monnos, July 6 — The stammer Cahawba arrived irom Naw Celeans, July 16. She also brought 480 rabet prisoners. She reports the bundarduest of Fort Hudson go-Uar seamers were running up the river reguinarly with Gen. Banky' aupplies. There is no truth in the report of his anpplies being cut efficient of the report of his anpplies being the state of the right and left, until the General for the state of the right and left, until the General for the state of the right and left, until the General for the state of the right and left, until the General for the state of th Manu ralited with noble works his flying troopers, placed himself at their head, and far in advance dashed through and over and down the rebel ranks, his sabre flash-ing to the right and left, until the General was releaced and the galant Capital lay bleeding and helples by the side of his dead harse within the robel lines. By a miracle he eacaped death, and is now in the Emory Hospital, counting the days that must clapse before he is again in the sad-dis. Two cousins of the same persuasion are in the same troop, and their genile "thee and thou" language gives little indi-cation of the patriotic fire that lives within. With all deference to the flowing measures of friend Whitter, we may suggest that Cart Witter that the same suggest that From Gen. Genry's Command.
