The Church and he Generals. An offended reader of the Presbyterian ner has just called our attention to an article in that paper, referring to the appointment of Gen. MEADE, in which we find the following remarks :

CLELLAN, BURNSIDE OF HOOKER. And this It is not one man in a thousand ; hardly It is not one man in a thousand; hardly one in a thousand of regularly educated milliary men, that is capable of righly handling an army of a hundred thousand soldiers. It will be an experiment with Gen. Mesde, and such experiments are ex-coordingly expensive. Those with Generals McDowell, Pope, Burnside and Hooker cest us such about 15,000 mea, and the loss of many months of precious time. Pone's was no new opinion. He had been often heard to say, for many months before, in was the rising man in the Army of the Potomac.

many months of precious time. Pope's, 'also, cost us the invasion of Maryland by courageous men, whose sins have been comthe energy; and Hocker's has lost us nearly paratively small, should be singled out for our entire acquisitions in Virginia, and an iavasion of both Maryland and Pennsylva-allowed to escape, and the impression made that every thing has gone wrong only since

right man at last.

The army gets tired of such experiments: and well it may. The country also tree is equence of it. There are some things that of them. A faw more such as the last, would cost us the nation's life. But what are not tolerable in any newspaper, the removal of MCCLELLAN-and as a conis to be done? The four Generals named whether religious or profane, and this i proved to be utterly incapable In all this it will be observed that while might have answered, perhaps, for its cor-

four brave and leyal men are singled out rection. for reproach, two of them never, strict-P. S. We had written the above when our ly speaking, at the head of the army stall--eye was attracted by another paragraph is both those two betrayed-and all dismissed the same paper, announcing the re-appoint in a few months, and after what may be ment of MCCLELLAN, and declaring that sidered a single trial, there is not one "this brightens our prospects of 'victory word about the greatest offender of all, who and peace.'" This turned out to have been was retained in command for over fifteen a little premature. But will the reveren long months after repeated reverses, and doctor show us how this baleful luminary at a cest not of 15,000 but of at least which shed such "a disastrous twilight

Illinols where, best military to the first battle of the war, and the settled at Galena. Illinols where, best military to the first battle of the war, and the settled at Galena. Illinols where, best military to the first battle of the war, and the settled at Galena. Illinols where, where we have a set of the country with set for the war, and the settled at Galena the war, and the settled at Galena the settl tion. It has been his misfortune to have on the breaking out of the present war, he been considered by the friends of MoULEL-LAW as being in the way of their non-mili-tant hero, and hence the abuse which he has received. His star has been considered an unlicky one. But such is the well matured optiaton amongst the best judges at Wash-ington, in Congress as well as in the Cabi-net, in regard to his accomplishments and experience as a soldier, that but for the prejudices so industriculty and successful. If created against him in the army, we have reason to believe that he would have been at the head of it long ago. been considered by the friends of McCLELtendered his services to the Governmen 57592 , a'az Hite et been at the head of it long ago. Then as to Pope, it was only a portion— and the smaller one—of that army that was assigned to him. His mission was to pro-test the capital and extribute McCannary from the perilous predicament in which he had involved himself. He scoemplishedit, sult of that masterly movement, and marked molested while he was holding the whole Bebel army at bay on the Bappahannock. Instead, howaver, of hurrying round to the 20431203 - 20 assistance of Pors, he loitered by the way, his General Firz Jonn skulked while Porn has gathered those laurels which will adorn was fasing every way, like a lion environed his brow while living, and render his name by his hunters, with a hundred thousand enemies, and a wall of fire around him. He had no forage for Porz's suffering cavairy unless he could send a mounted escort. when he had none, and it was not wanted at all events : he held back Franklin notthat we a tanding repeated and urgent orders just said than the following, which is a from Halleck, under one miserable pretext A A P Start St. after another ; and when all his subterfuges May 12, 1882—Fing Officer Farragut de-mands the surrender. June 18—Farragut passes Vicksburg had failed, coolly advised the Government to abandon him by Istting him "get out of his scrape"-the "scrape" in which he had with his fleet: been involved in his successful effort to June 23-United naval attack upon. July 24-Naval siege raised by Farragut. Dec. 28-Gen. Sherman defeated. Jan. 2, 1868-Gen. Sherman withdraws extricate the young Napoleon from the trap ---into which he had fallen on the James Biv-28.2912 23.2912 ar-"the best way he could." A victory from Vicksburg. Jan. 24-Gen. McClernand prepares for 1 "Little MAQ." It was not any more desiliege operations. Feb. 4-Gen. Grant arrives. Feb. 18-Gen. Grant comm alege operstions.
Beb. 4.—Gen. Grant arrives.
Feb. 18—Gen. Grant commences bom-bardment.
March 21—Admiral Farragut arrives.
April 16—Six gunboats run past.
April 17—Fire opened from Peninsuls
batteries.
April 29—Admiral Porter shells and passes Grand Gulf.
April 80—Gen. Grant lands at BowlinsMard 2.—Grand Gulf.
March 2.—Grand Gulf.
May 2.—Grand Gulf.
May 3.—Grand foulf and Port Gibson.
May 3.—Grand Gulf and Port Gibson ot he works; rable, therefore, than it was after Antietam, socording to Major Kays, that the Rebel army should be destroyed. Whether Pors was incapable, as Mc CLELLAN unquestionably was, is a question now better understood in the light of the public records. We have heard more than one Major-General who was at Bull Run and fought bravely, say that Porz's campaign would go down in history as the dan sank most ardnous and brilliant of the war; and that if he had been sustained as he

cient. That they were unsuccessful, like | Movements on the Pesinsula. him, is not to be denied; that they had letter from Fortress Monroe, dated half his opportunities, taking the rebellion luly 5, says : as he did, in an unorganized state, with great superiority of forces, and with fifteen

The movements upon the Peninsula are considered favorable. Gen. Dix is master of the position, and is progressing with his baracteristic sagacity and skill. It may be reserved for the veteran soldier and statesman to take possession of the rebel apilal, after all; at least, all that can be aonths' trial, while they had only three or four, or that either of them cost us one man te his ten, no truthful man can pretend. capital, affer all; at least, all that can be accomplished by the power of man, will be performed by Gen. Dix for a consummation so devoitly wished. There has been skir-mishing on the Peninsuls within the last few days, but no accurrence without the last As they failed, however-whether greatly in fault or not, the Government dealt with them as it ought to have dealt with Mc-CLELLAN, but did not-and we, who have few days, but no occurrence worthy of note has yet transpired. Our troops are in ex-cellent condition and spirits. no hero, and no idol, except the man who wins-are rejoiced that there is reason to

hope, and believe, that we have found the The Richmond papers, of July 4, make some beast of the security of that city and That he is the right man we could have of the numbers of its defenders; but all this cited the testimony of the most accomplish-A GENTLEMAN CONVERSAL OF THE DESIGN OF THE D is merely for effect. It may keep up the ed of all the generals who have been thus libelled for the apparently indirect advantage of MCCLELLAN, even before the great victories at Gettysburg, where he has so gloriously vindicated the wisdom of the seus, if we had been favored with no better or wounded and recovered. ection. The officer referred to is said to more reliable intelligence. But fortunately have remarked, on hearing of his appointmore reliable intelligence. But fortunately we are not dependent on the veracious statements of Bichmond editors for light on this now interesting subject. We have the superior knowledge and authority of Lyry Byrs bimelige and authority of ment, that he was a head and shoulders taller than either of his predecessors-Mo-JEFF. DAVIS himself to rely on, having inhis familiar conversations with those who in the hands of our Government, which tercepted lettters written by him and now

surrounded him, that Gen. GEO. G. MEADE state that there were recently but few rebel troops in North Carolina and Virginia, We sannot consent that loyal and Gen. JOHNSTON and other Generals of the so-called Southern Confederacy.

We therefore are not unwarranted in rejecting the conclusion about the safety of the rebel capital, which its newspaper authorities would have us come to, -- for we have not heard, and they have not told us, where they so suddenly and opportunely, within the interval of a day or two, found the formidable army which, they say, can not only defend Richmond but undertake much more-so much, indeed, as would be oludicrous for us now to mention.

But they had not heard of Gettysburg, when those boasts were written.

Bolemn and Impressive Scene--How Philadelphia Received the News on Tuesday. Received the The Philadelphia North American

eeday morning says :

at a cest not of 15,000 but of at least on the Fotomaco, in the face of a vasily in-feiror canany, while more men were dying in his camps twice over than Manassas itself could have cest us; who then ansaked round to the Peninula- to avoid a batti, and would have surrendered our Capital by stripping it of its defenses, but for the watchfulness of the President; who was disastrouly outgemeraid and diseast there, and was on the point of burning all his baggage and equipments, and of osi-tuiting with his who is amy all furties of the torum all, repaid so magnaninously this great service by betraying him and his army through the meanset jealoury, and cooly advising that he be lot "to get out." A word now, however, as to cach of these fease and the list is said, to have been uticity incapable.
