The Demands and Lessons of the War.

Perhaps one of the best and ablest Fourth of Joly Orations delivered this year, was clearly perfect that must be failed by the perhaps of the periaps perity and comfort is such as to astonish those who visit us from other countries. What are war taxes to a nation which, as

bridges, which seald not be rebuilt before Gen.

Mans, with an array reinforced so as to outment to continent, but the ocean which search is mighty bulk as it wasts its own bubbles. It thus is true of all the harrowing mande it necessary that he should choose his ground, and prepare for another battle on the nerth side of the Potomac.

That he has done this with consummate skill, life well-proved ability renders as certain as saything human can be; but shill and ability have in this case a tremandous problem to set about selving—no less than making an array just defeated, and decimated by that defeat, after flying for the space of a week before the pursues, and, without turn of the consuminate of the victor, suddenly turn round upon the pursues, and, without the men to whom it was alloudent about it. Long before the acceptance of a movement in man referred to ever resounded in the halls of the Capitol; but the formation and loudest about it. Long before the acceptance of a movement in man referred to ever resounded in the halls of the Capitol; on the more largely they report their over resounded in the halls of the Capitol; on the more largely they report their of the second the more largely they report their over resounded in the halls of the Capitol; on the more largely they report their on the more largely they report the seasoned on good authority, has more men worth a milition now, than it had were assured on good authority, has more men worth a milition now, than it had more than the late of the seasoned on good authority, has more men worth a milition now, than it had move the two these reasoned on good authority, has more men worth a milition now, than it had worth ten thousand deliars at the close of the Revolution—whose whole property is a hundred times, and whose commerce, inlusted the set that a substitute of the two of this or that the was then? But we need not study half. Stillot's pamphlet and foreign, is five hundred times and worth ten thousand deliars at the close of the true of those broad th

Overmuch.

If it is not well to be even "righteons overmuch," what shall we say of carrying the practice of the minor morals to an unseemly excess? If the former makes piety degenerate inte pharisaism and hypocristy, and even a genuine and noble courtesy, and even a genuine generous humanity are said to be greatly deficient, or altogether wanting, produce such men (if they are men) with the profession and rapidity of growth which characteristical fungus and parasite production. We were led to these thoughts by reading the following paragraph is a recent letter from Harrisburg to the N. Y.

Inst. evening two rabel officers, one an After two years of war have consolidated

world. As with Pharsch, the Lord hardened to sever the gold dust is sombed from the gold-under the shades and harded to buy bread; till he fact driving youth smoke his clay pipe on the platform of the horse car; till the fact or the horse car; till the fact or produce the first of the new social order. He first lifted a degraded barbarism to the first producing at the street corners; till the tendoused dress has but three flounces, and to heape of bananas and pine applies selling at the street corners; till the tendoused dress has but three flounces, and tit is felony to drink champaign; wait till these changes show themselves, the signs of deeper wants, the preduces of exhaustion of the new-born dispensation is the recognized inequality of races; not that the strong policy of the new social order. He first lifted a degraded barbarism to the street or nearly flour dollars a dozen, and to heape of bananas and pine apples selling at the street corners; till the tendous dress has but three flounces, and the street or nearly flour dollars a dozen, and to heape of bananas and pine apples selling at the street corners; till the tendous dress has but three flounces, and tit is felony to drive the corners of the street or nearly floury them; till the tendous dress the horse of the street or nearly floury them; till the flour them of the scale of the st
