## Pittsburgh Gazette.

THURSDAY MORNING, JULY 16. Union Cousty Ticket. For Provident Junior of the Distint Court MOSES HAMPTON. L JOHN P. GLASS.

R. ALFRED SLACK. M. HANS B. HERSON. N. WM. H. DENNISTON. Y. THOS. J. BIGHAM. For Clark of Courts. WM. A. HERBON. DAVID AIKIS, Ja ABDIEL MoCLURE WM.J. BICHARDOUN. GEORGE HARLLTON. For Director of the Form,

- Geverhor-Raling. The drum and fife seem to have drowned the voices of the politicians about Harrisburg. Even the work of Governor-making seems to have found a respire. The battlealond has involved the combatants, and but

. . . . . .

 The second decomposition of the second decomp future, and because that others are there-fore parplexed and bewildered by recent demonstrations of his friends, and "royal and, and begged them to do nothing so progresses" of his own, which seem to squint at least in the direction of a hope ited, nothing but good. He said it would be affairs of this annient Commonwealth. Whether these manifestations are only dispraced to have no good. Section 14 whather these minimises in the harm less per-intended to minister to the harm less per-sonal graification of the incumbent, or there an ulterior purpose, we do not pre-there an ulterior purpose, we do not pre-bare men, splin artingained the fiames. thave an ulterior purpose, we do not pretend to know. We had supposed however, BELLEVILLE MAR until very recently, that these fears were groundless. We had not entertained the groundless. We had not entertained the sides that, losking to same leading events of his administration, and their effects upon the vortunes of the Republican party, Gov-the vortunes of the Republican party, Gov-the vortunes of the Bepublican party, Gov-the vortune of the Bepublican party, Gov-the vortunes of the Bepublican party of the o . . . . . . services of a second canvass, or would be atter an internet it was in fiames in all part of the mob it was in fiames in all parts. Three or four persons were horri-by bruised by the falling walls, but the names we could not ascortain. There is permitted to do so by those who are as much interested as himself in awakening names we could not severain. There now searcely one brick left upon anothe of the Urphan Asylum. no mamory of past transactions, and avoid-ATTACK UPON THE TRIBUSE OFFICE. During the greater part of the day of rather on the look out for something upon bys, amused themselves by going around to ing all scrutiny of forgetten records, even if the friends of the Union had been inclined to risk the success of the election by taking him sgain with that repord, and all its un-boys, amused themselves by going around to happy cosecquences. the various newspaper of as down town As in times like these, however, when the various newspept which amounced the electring the bulletius which amounced the progress of the riot in the upper part of the aity, groaning the chicor of such jouraals as were deemed obnotious by the mob, and great interests -- when indeed the very life THE WAY AND A CARL of the nation-may be staked on the re-mile of the election here, we cannot afford as were dreamed boundards of and to coler . P: taberab Ga: Company t are this of chasing and bialing every person of coler . The class a drives Ga: Company t are this who obsuced to make his superande. The class a drives of WU Dickaks abu-fridune, as a matter of course, came in for the principal share of the grosns, and it is permutative. JAMAS M. Children to put say thing at risk ; the slightest alarm is not to be overlooked or despised, and an All pordinary denison may be at least ex. the principal share of the gross, and it is bard if it is not abalfatiely required. 4 44 embed, if it is not absolutely required. 19. A. S. Find, if it is not abablately required. It is no longer a question that sither the aut by the rivers that the Trivers would be attacked in the evening, but they were not attacked in the evening, but they were not It is no longer a question that either the Administration has obanged its mind, or the Greender has obanged lis mind, or the Greender has obanged lis. There are reasons assigned for this, of which we do not choose to speak at present the last, however, is no-there in the second of boys which we do not choose to speak at present the last, however, is no-terious, that delegates have been instruct-ed for him by sundry Cointy Conventions, which to be suble withdrawal. Others are believed to be in his interset, if the chance such as present as entry imme-diately greated as entry of the most un-believed to be in his interset, if the chance and commenced a series of the most un-series and demoniae yells. In a . . . 15. without objection on his part, hot withstand-ing his cetenaible withdrawal. Others are beliaved to be in his interest, if the chance shall offer for his nomination. His recent visits to the Bopphannock, and to the city of Erie, with the ovations and bulletins ex-irsordinary of progresses and receptions, with which they were stranded, are not with-out their significance. He stands now with-fore the people as a candidate, in the face of his public disclaimer. It is claimed by his friends that he will be carried by ac-itamation. It is insisted, at all events, as a probable case—it is undeniably a possible one—that in the expected conflict among rival candidates, he might be successfully miget as available in the way of dompro-mise. It is undeniably a possible of his noblet to by his supporters. The ima has come, therefore, when it is necess-every for these to speak out who think it ought to be prevented. We are assuredly of that number. We had not pregarded it as an eventably event to be hought of, withe same was also chock. The wound is any solution of the mob--but soft the polon-ises that number. We had not pregarded it me has come, therefore, when it is neces-every for these to speak out who think it ought to be prevented. We are assuredly of that number. We had not pregarded it me has come, therefore, when it is neces-every for these to speak out who think it ought to be prevented. We are assuredly of that number. We had not pregarded it me has orme, therefore, when it is neces-every for these to speak out who think ti as an eventably event to be hought of, with taking effect in the back. The wound is 1. 825 1.4.1.1 of that number. We had not regarded it as an eventuality even to be thought of, with such reasons as he knows and we know to exist against it. We would deplore it as a great estimity to the country, and shudder that here not the section of the country, and shudder that here not the man for the orisis, and that here not the man for the orisis, and That here's not the man for the orisis, and - would involve usin the risk of defeateven if he work. This we can show by evidence and dear, we think, as to dispose of his spirse tions, and to the country. We have sentificate to gravity. We have always given our support to Governor CURTE, as

far as it was possible, and have been silent | tion or not. As soon as one of these, un far as it was possible, and have been silent as to some things of which visonght, perhaps, to have spoken. As a candidate for re-nomination, the case is altered, and silence would be no longer pardonable. We may would be no longer pardonable. We may be exoured, therefore, while we intimate no choice, and decline to asy who cugate to be exoured, therefore, while we intimate no choice, and decline to asy who cugate to be the condidate, for stating some of the ready to be the condidate, for stating some of the ready to be the condidate, for stating some of the ready to be the condidate, for stating some of the ready decline to death in different parts of the out of the statistic the the to be added to be the conditione of the statistic to the the conditione of the statistic to the statistic t
