Those wishing to connect themselves with a battery that has seen service in the Southwest—particularly at Vicksburg, may find Lieut. Gibson at the office of J. F. Meth, Esq., 4th and Grant streets. Meeting of City Council.

Monthly meeting of City Council, held on Monday evening, July 27th.

In *Select*, present, Messrs. Allen, Herdman, Miller, McCarthey, Morrow, McClintock, Phillips, Quinn, Rees, J. Reed, D. Reed, Wills, Young, McAuley, President.

The minutes of the preceding meeting were read and approved.

Mr. J. Reed presented a petition asking for the paving or repairing of Second street. Read and accepted.

Mr. Phillips submitted a petition signed by nearly all the members of the Night Police, asking for an increase of pay from $1,25 to $1,50 per night, in consequence of the increased cost of living. They also agree to waive all right of fees, in case this increase of pay is granted to them. Read and accepted.

Mr. Allen, a petition from property holders of Union alley, between Logan and Elm streets, calling attention to its obstructed and filthy condition, and asking that it be graded and paved. Referred to Street Committee.

Mr. Morrow, a petition from citizens of the Eighth Ward, asking that the grade of Linden street, between Chestnut and Boyd, be fixed by ordinance. Referred to Street Committee.

Communication from the City Controller, covering bill of T. H. Rabe for $38,00; and Thomas Lamon, $21,50. A resolution was adopted authorizing the bills to be paid.

A bill of R. H. Hartley, for hose, was read and referred to the Finance Committee.

Mr. Rees offered the following, which was read and adopted:

Whereas, The ordinance relative to huckstering is easily violated by persons engaged in the retail grocery business, by purchasing vegetables at and during market hours, for the purpose of re-selling the same, therefore,

Resolved, That the Superintendent of Markets, be instructed to return the names of such persons as may violate such ordinance, to the Mayor, for prosecution.

Mr. Rees presented the following:

Resolved, That the City Solicitor be instructed to proceed, without delay, and use all lawful measures to prevent the Pennsylvania Railroad Company from appropriating to their own use and benefit any of the streets, alleys and sidewalks in the Fifth and Ninth wards of the city, until the proper and legal consent of the councils may be first obtained, and a fair remuneration may be agreed upon.

Resolved, That the Select and Common Councils, in the name and on behalf of the citizens, whose interests they as Councils represent, do hereby solemnly protest against the unwarrantable conduct of the said Pennsylvania Railroad Company, in appropriating streets, alleys and sidewalks within the city limits, to their own use and benefit, without proper authority or remuneration, and that we, on behalf of our citizens, warn the said company that the time may come (and may be brought about speedily, by the action of said company,) when the patience may cease to be a virtue, and when the people, in their assembled might, may insist upon their rights being respected by *corporations* as well as individuals.

Resolved, That the City Solicitor be requested to address a note to Gov. Curtin, asking for information as to the reasons why an act passed by the Legislature during its last session, having reference to the grading, paving and macadamizing of Pitcairn, has not been carried by him, and asking also for information as to what unseen influences, if any, have been brought to bear to prevent the said act from becoming a law. For this information we have a right to ask and will expect an early and respectful reply.

On motion, the resolutions were considered separately.

Mr. Phillips moved to strike out of the second resolution, all after the words "right to put proper authority or remuneration." Agreed to.

The first resolution, and the second resolution as amended, were adopted.

On motion of Mr. J. Reed, the clause in the third resolution, "asking for information as to what unseen influences have been brought to bear to prevent said act from becoming a law," was stricken out.

The yeas and nays were called upon the final passage of the third resolution, as amended, and resulted as follows: Yeas, 10; nays, 4. The nays were Messrs. Allen, Morrow, Wills and Young.

In Common Council, the resolutions were read, and a motion to postpone further action was made, the yeas and nays were called and resulted—yeas, 9; nays, 11. Further action was barred by adopting a motion to adjourn.

Mr. McCarthy submitted the following preamble and resolution, which were adopted without a dissenting voice:

Whereas, This community has been deeply grieved to hear that persons holding disloyal sentiments have been, and are now, employed in the Allegheny Arsenal; and believing that the policy of making no distinction on the part of the Commandant of said Arsenal, between sound unconditional Union men and those who have no party and sinuere opposition to the unholy and iniquitous attempt to destroy this Government and build upon its ruins, upon whose corner stone, as declared by Alex. H. Stephens, is founded upon Slave labor, is unwise and calculated to shield treasonable conduct from the odium and detestation which properly belongs to it. Therefore,

Resolved, That a Committee of five—two from the Select and three from the Common Council—be appointed to investigate the facts of the case, and lay them before the Secretary of War for his action.

Mr. J. Reed offered an ordinance for the grading and paving of Second street, from Wood to Market, which was adopted. In C. C., referred to Street Committee.

Mr. D. Reed offered the following:

Resolved, That the Street Committee be authorized to examine all the cases under the general grading and paving assessment of May 8th, 1859, which may be referred to them by the City Solicitor, and they are hereby authorized to release any such case, or part, of any such assessment, in such cases where they may be satisfied that justice and equity require such release.

Read three times and passed.

Mr. D. Reed, the following:

Resolved, That the Street Committee be requested to take legal means for the suppression of all stands or tables upon the streets, for the purpose of selling cakes, apples, jewelry, and other articles, without paying therefor license to the city.

Read three times and passed. C. C. nonconcurred in.

The President read the following, which was adopted:

Resolved, That the Trustees of the Gas Company be requested to extend a gas main from Penn street down Scott's alley to the lower line of the rear of buildings lately erected by Thomas Scott, deceased; and also that said company be requested to erect one or more public lamps in said alley. In C. C., said over.

Mr. Allen offered the following:

Resolved, That the sum of $1,000 be transferred from Appropriation No. 10, and $5,000 from Appropriation No. 11, to Appropriation No. 8—(Water Works)—for the purpose of laying 1,200 feet of four inch pipe in Locust street, in the Eighth ward. Adopted.

In *Common Council*, present, Messrs. Arday, Armstrong, Bailey, Barckley, Coffin, Oglvile, Daff, Feely, Holmes, Jeremy, Mackey, McVay, McTighe, Montgomery, McCandless, McGilland, McGowan, O'Neill, Steel, Sullivan and Killen, President—31 members.

Prayer by Dr. McCandless. The minutes of the last meeting were read an approved.

Mr. Armstrong offered an ordinance to authorize the grading, paving and setting with curbstones of Merrian street, from the Allegheny Valley Railroad, on Butler, street, to the Pennsylvania Railroad.

The ordinance was read three times and passed.

Mr. O'Neill presented the following resolution:

Resolved, That the Finance Committee be and are hereby requested to inquire into the expediency of raising a temporary loan of $5,000, to be applied towards the maintenance of the families of drafted men within the city limits, who may be really stand in need of relief, and the said committee are further requested to report at the next regular meeting of Councils.

Mr. McCandless moved to strike out "$5,000" and insert "$10,000."

The amendment was accepted, and the resolution as amended was read three times and passed.

Mr. McCandless offered the following resolution:

Resolved, That the Committee on Fire Engines and Hose, be instructed to refuse any warrant to the Viglias Fire Company, for the balance of the appropriation for the current year, and that no steamer receiving appropriations from the city, be allowed to leave the city for the purpose of making a visit, without permission from the Councils.

Mr. McCandless called for the yeas and nays on its final passage, which were ordered and were as follows:

Yeas—Messrs. Andrey, Armstrong, Bailey, Barckley, Coffin, Coward, Hays, Holmes, Jeremy, Mackey, Montgomery, McCandless, McClellan, McVay, McGowan, O'Neill, Steel, Sullivan, and Killen, President—20.

Nays—Messrs. Duffy and Feely—2.

So the resolution was passed.

Mr. O'Neill offered the following resolution:

Resolved, That the Mayor be and is hereby requested to use stringent measures for the enforcement of the ordinances prohibiting the running at large of hogs and unmuzzled dogs within the city limits.

Mr. Bailly moved to lay the resolution on the table and called for the yeas and nays on the motion. The vote was as follows:

Yeas, Andrey, Bailey, Barckley, Colville, and Killin, President—5.

Nays, Armstrong, Coffin, Coward, Duffy, Hays, Holmes, Jeremy, Kearns, Montgomery, Mackey, McCandless, McClelland, McVay, O'Neill, Steel, and Sullivan—16.

So the motion was lost.

Mr. McCandless moved to strike out the word "hogs," which was agreed to.

The question on the resolution as amended, the yeas and nays were ordered and were as follows:

Yeas—Messrs. Armstrong, Bailey, Barckley, Coffin, Hays, Holmes, Jeremy, Mackey, McCandless, McClelland, McVay, O'Neill, Steel, Sullivan, Coward, Duffy, Kearns, Montgomery, Steel, Sullivan, and Killin, President—21.

Nays—Andrey, Colville, Coward, Duffy, Kearns, Montgomery, Steel, Sullivan, and Killin, President—9.

So the resolution was passed.

Mr. O'Neill introduced an ordinance to increase the pay of the night police. It increases each man's pay from $1,00 to $1,50 per night, and outs off all perquisites for arresting vagrants, disorderly and drunken persons.

The ordinance was read three times and passed.

In Select Council, the ordinance was discussed at considerable length, and finally amended by striking out $1,50 per night for the watchmen, and inserting $1,25, and striking out $1,75 for the Captain and Lieutenants, and inserting $1,50. In this shape the ordinance passed, and will have to go back to the Common Council.

The President appointed Messrs. Mackey, Kearns, and Hays as the Committee on the part of the Common Council, to investigate the charges of disloyalty preferred against certain persons at the Arsenal.

In all action not otherwise noted there was a mutual concurrence when Councils adjourned.

The Capture of Morgan.

In our account yesterday of the operations of the Pennsylvania three months' regiments, in the capture of Morgan, we inadvertently ignored Col. Jas. R. Porter's very efficient regiment, from Indiana, Clarion and Jefferson counties. This regiment was the first to leave the city for the scene of action, and took part first in Portland, (Warrenton Ford) fourteen miles below Steubenville, and afterwards at Island creek, six miles above that city. Col. Porter's men, by the patience they exercised, by their assembled might, may insist upon their rights being respected by *corporations* as well as individuals.

None of the Pennsylvania regiments either gave or received a fire during the operations, and all alike performed well the parts assigned to them by Gen. Brooks, and contributed largely to the final result.

It is but just to so fine a body of men as that commanded by Col. Porter, that they should share in the praise due to the Pennsylvania boys, for the part they took in the heading off and capture of the famous rebel chief.

RETURN OF ARTILLERY.—The detachment of one hundred and fifteen men, with two guns and one hundred muskets, which left the city last Friday to help look after Morgan, returned last evening from New Cumberland, West Virginia. During their stay at the town they were treated with great respect and hospitality by the citizens. The detachment returned in the steamer Cottage No. 2.

DISCHARGED.—Thos. Williams who was arrested last Saturday for furnishing Peter Mack, a soldier, with citizen's clothing and harboring him, had a hearing yesterday before United States Commissioner Sprouts. Mack testified that Williams believed Mack to be a discharged soldier. Williams was then discharged.

No such orders have been given. The enlisted men will be kept at Camp Chase until arrangements for their exchange have been completed.

RETURN OF GEN. HOOKER.

Gen. Hooker has returned. It turns out that his visit west only extended as far as a country residence of a friend near Harrisburg. The rumor of his being sent to the Department of Missouri turns out, as we originally intimated was probable, to be groundless.

WASHINGTON, July 27.—The following dispatch was received to-day:

Flag Steamer Dictator, off Morris Island, July 21.—To Gideon Welles—SIR: I have the honor to inform the Department that on the night of the 19th inst. a large side-wheel steamer, trying to run into Charleston, was chased by the Canandaigua and other outside blockaders, and finally headed off and driven upon the shoals by commander Geo. W. Pownee, of the Catskill, then anchored abreast of Fort Wagner on picket duty. The steamer was fired by her crew, and is now a total wreck.

The chances of success to such enterprises are materially lessened by our occupation of the main ship channel.
