SATURDAY- MORNING, AUG. 15.

RELIGIOUS INTELLIGENCE. The general view of the New Bohool Presbyterian Church for the year ending May, 1868, is, according to official announce ment, as follows: Synods, 22; presbyteries, 1,06: ministers, 1,616; licentiates, 1,62; churches, 1454; added an examination, 4,744; and on certificate, 4,079; communicants, 185,894—a gain of 4,40; adults baptized, 1,556; infants baptized, 8,191; his own religion." contributions for expenses of General Assembly, \$6,263,06; contributions to domestic missions, \$122,407,89; to foreign mis-

amount of contributions reported in within a fraction of \$800,000, an advance of 20 ally in the South of Germany and Switzerper cent. upon the amount reported last land, by the proclamation of the Gospel. year. The Synod of Pennsylvania, embracwhole amount reported.

said to be the organ of the Old School Presbyterians in that State, who in political questions sympathizes with the rebels. expresses itself on the General Assembly of 1863, in a very uncourteous manner. It says our chief comfort after reading its to ascend to higher and more scriptural views that is, if the Lord in His anger has not given her over to irredeemable apostacy." -The Second Synod (United Presbyterian) of the West will meet at Blooming-

ton, Ind., September 8, 1868.In the Northwestern part of the United States, there are two Scandinavian Lutheran Synods, the one is called the Augustana Synod, consisting of the most part of Swedish, and a few Norwegian congregations, and with a Seminary at Paxton Ill, whither it has been removed from Chisago, the other is called the Northwegian Synod, and has a Seminary in Decorah, Iowa. Formerly these Synods stood aloof from each other, but of lates better feeling exists. On the 17th of June, pastors from both Synods held a Conference at Chicago.

-Bt. Roy. Henry W. Lee, D. D., Bish op of the Episcopal Diocese of Iswa, has seven took the second degree. A large andibeen elected an honorary member of the ence filled the College Hall, to listen to the "Royal Society of Antquaries." The So-addresses. Rev. David H. Riddle, D. D., the ciety has its headquerters at Copenhagen new President, performed his part with great

in Denmark, and the King of Denmark is its President.

—Henry Ward Beecher, is represented to have said at the opening of a chapel in England, that he began his ministry in a church in the wilderness, where there were nineteen women and one man, and he wished him out more times than one. They were saints, and he was the sinner. The sacilaris are the opening of the Central Presbytery of Philadelphia, the Rev. A. W. Milby, of the Philadelphia M. E. Conference, was

many at the institution monthly meeting of the Managers of the American Bible Society, of which over 32,000 were for the Seuth, or for Confederate prisoners. Interesting communications were read from lets Senior Clars had left it at the call of particular to the service of their country. Twelve members of the lets Senior Clars had left it at the call of particular their country. agents and others in foreign countries. It being the day of Thanksgiving proclaimed by the President, the Rev. Dr. Holdich lisens, Students, Trustees and visitors speak was requested to road the 144th and 150th lisens, Students, Trustees and visitors speak laws.

Pealms, and offer prayer. -The county tressurer of Santa Crax Co., California, A. A. Hecox, Esq., formerly a local preacher, has prepared on the occasion of the erecting of a new church in Santa Cruz, a very interesting memoir of the introduction of Methodism in Califor-this morning. He had been in feeble condinia. It seems that Mr. Heoox was one of tion for some time past, and had gone to the nia. It seems that Mr. Heorx was one of a band of fifty-seven persons who emigrated to California in 1846, or before that State had been annexed to the United States. Col. Frement's expedition had just obtained a foothold in California when this band entered the Valley of Sagramento. Shortly afterwards a young lady died and Mr. Heorx was called upon to conduct the funeral ceremonies. He spoke from "Remember how short my time is." This is is induced to believe, was the first Protestant evernom (if such it should be termed) ever delivered in California. The Methodist contains an interesting summary of the documents, with extraods.

— Rev. Dr. E. O'Haven, editor of Zlos's Herald, published at Boston, has been elected President of the Michigan University. The Bev. N. E. Cobleigh, D. D., President of McKendree College, Illinois, has been chosen to succeed Dr. Haven.

— At the tenth annual meeting of the Open-Air Mission; held recently in a tent in Kennington Oval, Lord Radstock presiding, about 160 lay open-air preschers and a number of distinguished laymen, a band of fifty-seven persons who emi- Springe in hepes of being able to recuperate

siding, about 150 lay open-air preschers and a number of distinguished laymen were in attendance. The report presented for the past year shows that twelve Con- burgh, Fort Wayne and Chicago Baliway ferences had been held, and 63 races and Company, during the month of July filt, fairs, and 11 executions, had been visited compared with the same period of last year, Upwards of 414,000 trasts had been dis- were as follows: Upwards of 414,000 trasts had been distributed. The general progress of the work was estimated by the total receipts had been £406 12s. 6d.

**Recording to a communication to Recording to Recording

-According to a communication to the Reitich Standard there were at the close of 1862, about 250 vacant Independent-Churches in the United Kingdom, Ragland furnishing 1,80. About fifty ministers were annually removed by death. The 31, 44% per cent. denomination is founding places of worship. at the rate 100 per annum.

It is estimated that since the for- Court, this moraling, the several cases against matter of the Midnight Mission movement the bridge companies for lesuing paper cheeks is London, upwards of 7,000 fallen women to be received for toil, were called up, and the first badly felt. Describes from amongst to be received for toil, were called up, and the first badly felt. Describes from being been drawn together, from amongst to fits demurrers so as to raile the question of the army are frequent.

he had an old mother who needed his cherishing care. To show how much feeling this effectionate see has for his old mother, hit neighbors say he has had her coffin in the house for over two years. He came to town with a load of wood ene day, and being unable to sell it he contrived to trade it off with an undertaker for a coffin—his mother being cid might die suddenly, and then, as Toodlessays, "how handy it would be to have it in the house." Being of a frugal, as well as an ingenious turn of mind, he put the coffin in the celler to keep turnips in, against such time as the old lady might "drop off."

Danne Romery.—Yesterday noon, Dr. Mailand, of Germantown, near Philadelphie, had his pocket picked of \$250, while changing from the Central Railroad to the Gieveland cars. The Doctor had his pocket book in maddistely before leaving the easiern cars; but en passing through the gate leading to the western train he was considerably jostled and pushed by the crowd. Shortly after getting in the Gieveland car he found that his pocket-book had been taken from his pentaleons pocket. The money was mostly in Treasury notes. Suspicion fell on two gentlemen in the cars, but on examination they were found to be respectable men. The Doctor was on a pleasure trip to the lakes, via Gleveland. He continued his journey.

continued his journey. Sourn Pistanuagh School Trachers.—The following Teachers have been elected for South Pittsburgh School for the ensuing year; Principal—G. N. Munro. Grammar Dapartment—Miss S.
