

Table with 2 columns: Time (A.M., P.M., Barometer) and Observations (Wind, Clouds, Rain, etc.)

Meeting of Councils

A regular monthly meeting of City Council was held at 10 o'clock on Oct. 26. In select, present Messrs. Allen, Brown, Herdman, Miller, McCarthy, Morrow, Phillips, Quinn, Thompson, Reed, D. Reed, J. R. Reed and White.

Shocking Railroad Accident

The Wheeling Mailer says: "On Saturday morning a most terrible accident occurred at Wheeling, near the house of Mr. J. B. Ford, which resulted in the instant death of Mrs. Crane, wife of the Auditor of West Virginia. The engineer of the express train, as the train neared the point indicated, observed a light walking in close proximity to the track and called to her to get out of the way. There were two or three tracks or railings near the point, and it is supposed she became confused and stepped on the track of getting out of the way, fell with her neck upon the main track. The driving wheel of the engine passed directly over her neck, completely severing the head from the body."

The Criminal Court

Monday Afternoon, Oct. 26.—Judge McCallister presiding. In the case of the Commonwealth vs. Anderson and Catherine Anderson, indicted for selling a machine, (manufacturing and sale of a shop on Butcher's run), the jury found the defendants guilty. Sentence was deferred.

United States District Court

Monday Afternoon, Oct. 26.—Judge McCallister presiding. In the case of Mrs. Martha Ferret, with the postmaster at Ferris, Mercer county, indicted for embezzling and secreting letters, was continued.

Mayor Glavin's Concert

Those of our musical readers who, a few years since, were wont to attend the delightful and exclusive Concerts of Mayor Glavin, will be delighted to learn that this evening at Concert Hall, that musical veteran will give an entertainment, which was assured from the choice selections from the Chief of Chorus of the great masters of Opera, and the talented corps which will be called in requisition to give it, that the concert will be at least equal, if not superior, in interest, as that has preceded it. We feel confident that these magnificent entertainments will give our musical friends a new and more complete and more varied pleasure than any of the past seasons. We sincerely hope that it will be for we could not follow our patronage on any more desiring, if we consider how much this worthy people of Opera agents has contributed not only to the amusement of our musical friends, but to the development of a true musical taste amongst us. Let the concert be an occasion to the musical returns, say:

THE POLYGRAMS

As might have been expected, an immense crowd was present at the Polygram concert, and the audience were delighted with the many beautiful and entertaining songs. We have so often alluded to this musical entertainment, that we hardly know what to write, without repeating our former comments. But the entertainment needs no praise from us to give it the credit it merits, and the crowds who nightly flock to witness an entertainment of this character, Mr. Soperby has exhibited a liberality, which other managers would do well to imitate. The rates of admission to the Polygrams are but 10 cents, and those who have not yet seen it, should do so at once, while there are still doublets going.

THEATRE—THE HERBERTS

One of the best bills of the season is announced for the theatre this evening. The new comedy, written and adapted for Rita Anderson and directed by the author, is entitled, "On Guard, or the Little Sentinel," will be produced for the second time, in connection with the new and beautiful scenery play of "Gipsy Queen." This latter play was received last evening with the most commendations of the audience and the play of "Gipsy Queen" will be the most successful in the history of the theatre. The first play made a good hit, and the second play is a very good one. The play is a very good one, and the audience will be well pleased to see it again.

THE PAIR

The Wheeler & Wilson Sewing Machine Company carried off their autumnal business by the sale of the best double-headed Sewing Machine, being the most perfect and simple in its construction, and working points; also for their Button and Eyelet Machine, for novelty and perfection of its work. The company also has a new and improved Sewing Machine, which is a very good one, and the audience will be well pleased to see it again.

FROM ABOVE THE BOYS

The boys in the Second and Third Wards, Allegheny, have been so good, that they have been allowed to parade through the city on Saturday last, and in one day and a half, in the vicinity of Burgettstown, he begged so much that they are now in a few parties, phantasies and trips, thrown in by way of variety. He also killed a very large blacksnake, but "easy" captured, and that species of snake has been very scarce in that vicinity ever since the election.

THEATRE—THE HERBERTS

Mr. Andrew, the well known grocer and tea dealer, Fifth street, went on a hunting excursion, which was a very successful one, and he is now in a few parties, phantasies and trips, thrown in by way of variety. He also killed a very large blacksnake, but "easy" captured, and that species of snake has been very scarce in that vicinity ever since the election.
