SKETCHES OF THE PUBLIC MEN OF THE SOUTH
BY BRADY BRONSON.
John Quincy Adams
It would be difficult to tell how John Quincy Adams was to be judged by his public life. He was a man who had not only the same faculties as those of the great men of his country, but also the same heart. No child ever blessed with a more noble father, or a more noble mother, than John Quincy Adams. He was a man who had not only the same faculties as those of the great men of his country, but also the same heart. No child ever blessed with a more noble father, or a more noble mother, than John Quincy Adams.
