Committee may be hed at this Office. A large mamber copies of this Report have been printed by us for cut lation, and it is destrable that they should be read every man in the city, and in the neighborhood of the dwaters of the Ohio, is well as between Baltimer. . They may be had without charge

The Journey of the President. The Journey of the President.

We copied yesterday morning the speech of the President upon the occasion of his reception at Philadelphia. "May our Constitution ever be kept sacred," is the language of the Executive in the protocol of the President upon the occasion of his reception at the new country.

It is somewhat uncertain, Mr. S. informs us interest of Conference, and the Select Courcil refusing, and adhering to their former position—finely and the protocol of the President upon the occasion of his reception at the new country.

It is somewhat uncertain, Mr. S. informs us in the language of the Executive in the protocol of the West they may conclude to the protocol of the President upon the occasion of his reception at the new country.

The Journal of the President.

Houses disagree in regard to the first and or the protocol of the Common Council proposing a Common C

THE PROPERTY OF THE PARTY OF TH

does the Executive find in the Constitution warrant for powers thus conferred,—to institute Civil
Government to-day, to establish Martial law tomorrow, to impose Revenues the next day, and eson, until all power, Legislative and Judicial, are
embodied in the person of the Executive. Hetherefore, who travels over this country praying
in public for perpetuity to our Constitution, ought
