Adexagers, and Sufference of Major Galacer and Berlend's party in Mexico. After the except of Capt. Hamile the primeers we a clearly guarded and proceeded in their Jone-mey to Sen Lois. They had but goins for before they met Gen. Senit Anns on his way to Agon Nurve to stack Ghen. Taylor. The General was in a large and abory carings drawn by sik bean-tiful mutes, and executed by a batalion of humars into tapleadily uniformed and mounted. As the planners passed, his carings was stopped, the hum-mar drow up, and at the request of Santa Anna, Maj. Gaines was introloced to him. The wily Mexican, was all similes and courty grees. He expressed his argent to find the Major and his party in their substrants situation, but promined
