MEDICAL.

TO THE SICK AND AFFLICTED.
DR. SWAYNE'S
GREAT DISCOVERY.
The great Remedy for
Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Inflammation, Croup, Broken Constitution, Sore Throat, Nervous Debility, and all diseases of the Throat, Breast and Lungs; the most efficient and speedy cure ever known for any of above diseases.
DR. SWAYNE'S
COMPOUND SYRUP OF WILD CHERRY.
ANOTHER LIVING WITNESS.—Read with astonishment the wonderful cure performed by Doctor Swayne's Compound Syrup of WILD CHERRY.
PHILADELPHIA, January 25, 1847.
Dr. Swayne—Dear Sir: In justice to yourself and a duty I owe to suffering humanity, I cheerfully give my testimony, and declare to the world the most astonishing effects, and the great cure your Compound Syrup of Wild Cherry performed on me, under the most unfortunate circumstances. I was taken with a violent Cough, Spitting of Blood, severe Pains in the Side and Breast, which seemed to break down and enfeeble my constitution, so that my physician thought my case beyond the power of medicine, and my friends all gave me up to die; but thanks to you and the effects of your great discovery, I now feel, myself a well man, and raised from a grave sickness to health and happiness. I was as I have been for years, and shall be pleased to give any information respecting my case, by calling at my residence, Mechanic street, third door below George street, Northern Liberties. JACOB FAIPTER.
Testimony is now received from all quarters of the Globe.
The following letters are presented with a view of more fully showing the opinions of Physicians in relation to the Medical value of Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.
It is sufficient to say that Dr. Swayne's Compound Syrup of Wild Cherry is extensively in my practice, I was requested by your Agent, Doctor Critcher, to express my opinion in writing of its properties as a remedial agent, I most cheerfully comply, as I feel by so doing, I will discharge a debt I owe the community at large, and Physicians in particular. As much as I detest Quack Remedies and Patent Nostrums, I was induced from a trifore of the most potent expectorants, accompanied in its use materia medica in cases of Diseased Lungs, to try your preparation of Prunus Virginia or Wild Cherry. It is sufficient to say that I was so much pleased with the result of that and no subsequent trials, that I now prescribe it in preference to all other Remedies where as expectorant is indicated. In the much dreaded Pneumonia or Disease of the Lungs, in the alarming form in which it appears in Kentucky, I regard it as an invaluable Remedy in the treatment of that disease. To all who know me I have made enough, but as that may be seen by persons out of the vicinity of Frankfort, I will briefly add, that I have been engaged in an active practice of my profession of 12 years, and am a Regular Graduate of University Indiana, and that is the first Patent Medicine I ever thought enough of to express an opinion in writing.

Testimonials will never cease.
From the Temperance Pledge.
Now that Winter is upon us with its attendant train of Pulmonic and Bronchial affections, Coughs Colds, &c. &c; we would advise those afflicted in this way to make immediate trial of Dr. Swayne's Compound Syrup of Wild Cherry. It will never fail to perform a permanent cure. The reputation of this medicine has caused many spurious articles to be put forth under its name; but the preparation of Dr. Swayne, besides being the first ever offered to the public, is the only one that can be relied on. The other mixtures sold for Wild Cherry, Syrup, Balsams, &c., are all spurious and worthless, and contain some of the virtues of the original preparation, Dr. Swayne's Compound Syrup of Wild Cherry.
From the Springfield Express.
Of the thousands of purported curative nostrums now before the public, but very few are found to possess the healing virtues of which they are recommended. Among the latter we are pleased to learn none stand a better test than Dr. Swayne's Compound Syrup of Wild Cherry. Those afflicted in this vicinity are beginning to see it, and to their joy they find in its use their hopes based upon its recommendations more than realized. The afflicted need not despair. While there is life, there now is hope.

A CAUTION TO THE PUBLIC.
☞Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums which they assert contain Wild Cherry, some are called "Balsams," "Bitters," and even a Syrup of Wild Cherry, but none is the original and only genuine preparation ever introduced to the public, which can be proven by the public Records of the Commonwealth of Pennsylvania. ☞The only safeguard against imposition is to see that my signature is on each bottle.
DR. H. SWAYNE.

CONSUMPTION ARRESTED—Tobacco Official with Diseases of the Lungs.
—This is to certify to those afflicted with the first premonitory symptoms of Consumption, that I have been laboring for several years with a bronchi, soreness of the throat and hoarseness. I used many medicines, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I have been using this valuable medicine for several years, and always find it to relieve whenever I make use of it. My occupation as an Auctioneer, which keeps me almost constantly engaged, causes my disease, at times, to become very alarming, when at once procure this medicine. I therefore take pleasure in making the public statement, that others affected with, disease of the lungs and expectorant organs may know the virtues of this 'all healing remedy,' and may be cured. I have recommended Dr. Duncan's Expectorant Remedy to many of my friends, some of whom are their lives to this medicine

IMPORTANT TO THE LADIES—Chemical Hair Cream, a matchless article for the Growth, Beauty and Restoration of the Hair. This Cream, when once known, will supersede all other articles of the kind now in use. Whether the hair is red, bristly, unhealthy or turning grey, a few applications will make the hair soft and fine, and give it a beautiful lively appearance, and will also restore it readily to its original and healthy color twice as long as all the preparations which are generally used. Every lady and gentleman who has the habit of using oils on their hair, should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it, and give perfect satisfaction in every instance.
For its extraordinary superior qualities, see the following letter from Rev. Mr. Caldwell, to Messrs. Hunt, Hard & Stretch, Nashville, General Agents for the Western States:
Letter from the Rev. R. Caldwell, pastor of the Presbyterian Church, Nashville.
Messrs. Hendershott & Stretch—Gentlemen: I take pleasure in adding my testimony in favor of the extraordinary preparation called Dr. Parrish's Chinese Hair Cream—for about two years ago my hair was very dry, brittly, and disposed to come out; but having purchased a bottle of the Cream, and used it according to the prescription, my hair is now soft, cleans and feels like a child's. My whiskers and moustache were applied each evening by hair in a worse state than before. This Cream, I am sure, has met my expectations.
As an article for the Toilet, my wife gives it preference over all others, being delicately perfumed, and not disagreeable to touch it. The ladies especially will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c.

MEDICAL.

DR. TOWNSEND'S
SARSAPARILLA.
Most extraordinary Medicine in the World.
This extract is put up in Quart bottles: it is as to times cheaper, pleasanter, and warranted superior to any cold. It cures disease without vomiting, purging, sickness or confinement in the house.
GREAT SPRING AND SUMMER MEDICINE
The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it Invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it Creates New, Pure and Rich Blood; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of Scrofula. Cases of Blotches, at least 5,000 of them were considered incurable. More than
3,000 cases of Chronic Rheumatism;
7,000 cases of Dyspepsia;
who cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
4,000 cases of Scrofula;
2,000 cases of Liver Complaint;
2,000 cases of Disease of the Blood, viz: Ulcers, Eruptions, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c. &c.
This, we are aware, must appear incredible, but we have facts, from physicians and our agents from all parts of the United States, to furnish us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the Preventive of disease known. It unquestionably saved the lives of more than
5,000 CHILDREN THE PAST SEASON!
As it removed the cause of disease, and prepared them to the Summer season.
UNITED STATES OFFICES.
CAPT. G. W. MCCLEAN, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.
NAVY YARD, Jan 23, 1847.
A year since I was taken with the influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it would cure 19/20 and would not be without it under any circumstance.
G. W. MCLEAN late U. S. N.
SCROFULA CURED.
This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Their system cleansed—bone became is unprocured.
THREE CHILDREN.
Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted with sore eyes, swelled necks, and running sores. Two bottles; it took them away, for which I feel myself under deep obligation.
Yours, respectfully,
HENRY W. LEAR, 103 Wooster st.
New York, March 1, 1847.
GREAT FEMALE MEDICINE.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Suppression, Irregularity, Whites, Pain, Obstruction, Whites, obstructed or difficult Menstruation, Inconstinance of Urine, or involuntary discharge thereof, and for the general prostration of the system so many suffer from the effects of inherent cause or causes, produced by irregularity, illness or accident.
Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and heaviness, from taking it, at once become active and free from the sensation of the female frame, which is the great cause of barrenness.
It will not be expected of us, in cases of so delicate a nature, to exhibit names of cures, but we can say to all, we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where females have been childless for years, after using a few bottles of this invaluable medicine, have been blood with healthy offspring.
Dr. Townsend's Sarsaparilla is greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and other distressing symptoms, having been in some cases your medicine has effected great cures; and also bearing it recommended for such cases as I have described, I bought a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it restored her completely and restored her health. Many grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MORSE,
Albany, Aug. 31, 1846. Cor of Broad and Lydius st.
CANCERS, Sept. 28, 1845.
Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the legs, nervous affections, and very much debilitated; with my persuasion, and the recommendation of those who had used it, she was induced to try it, with little or no faith, and suffice it to say, she received a benefit from it beyond desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.
If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.
I subscribe myself your most obedient and obliged servant.
S S JAMESON.
TO MOTHERS AND MARRIED LADIES.
This Extract of Sarsaparilla is particularly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the change of life," should neglect to use it, as it is the best preparative for any of the numerous and horrible diseases to which females are subject at this time of life. This period may justly be dreaded for others by using this medicine, for it is invaluable to those who are approaching womanhood, as it is calculated to make nature's operations easy, regular and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.
It braces the whole system, renews permanently the natural energy, purifies and invigorates the blood, and is prepared so as to be entirely vegetable in its composition, and may be administered to the infant of one week old with perfect safety. We take this opportunity, to say we believe it to be the best Sarsaparilla deserves the very great popularity it has acquired.

GIRLS READ THIS.
You who have pale complexions, and eyes blotches on the face, rough skin, or pimples, and are "out of spirits," use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, and cause a healthy appetite, give you complexion, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to women, and ladies.
DYSPEPSIA!!
No field or imagination can picture, I discovered which so nearly resembles the gastic juice or saliva in decomposing and strengthening the organs of digestion, as this preparation of Sarsaparilla.
EAST DEPARTMENT, Albany, May 10, 1843.
Dr Townsend: Dear Sir—I have been afflicted for several years with dyspepsia in its worst form, attended with weakness of stomach, loss of appetite, extreme heartburn, and I was not sensible for a length of time, but for weeks (when I could) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had not but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I found it to have a most salutary effect, and in a short time I felt. My wife has taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel confident that all who make a trial will be of the same opinion, and consequently not as many Doctor's bills for which it receives applause. I also gives to the stomach and bowels their regular tone. I keep the bond as a medicine store, so that those who may be in want can find it. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla.

MISCELLANEOUS.

IT NEVER FAILS!
Dr. CULLEN'S INDIAN VEGETABLE PANACEA
PERSONS afflicted with Scrofula, King's Evil Cancer, Erysipelas, Old Sores, Ulcers, Tetter Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.
READ, READ, READ!!!
We, the undersigned, having visited Mr. Isaac Brooks, jr., at this office of Messrs. Rowand and Walton, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed in hear of.
His disease was SCROFULA, and terrible must have been it: twelve years' conflict with the destroyer.
His palate, a entire roof of his mouth, Nose, Upper Lip, and lower Lid of the Right Eye have been destroyed, his Face nearly eaten up, and part of the Jaw Bone carried away. And yet we can give as description of his case.
Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face was a mass of deep and painful ulcers.
On the 14th of January last, he commenced taking Dr. CULLEN'S INDIAN VEGETABLE PANACEA, which checked the disease in a few days, since from that time the cure has progressed without interruption.
Now that has exploited the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.
We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used,—in fact, the PANACEA ALONE, has wrought this wonderful change

Dr. Brown will inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that a perfect cure can be radically and speedily cured, he having given his careful attention in the treatment of such cases, and succeeded in hundreds of instances in curing persons of a disease of the neck of the bladder, and kindred diseases which often result from those cases, leaving others for years to suffer the hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, as he feels confident within a few days after his cures treated in a careful, thorough and intelligent manner, patients of long experience, study and observation, which it's impossible for those engaged in general practice of medicine to give any one class a chance.
☞*Hernia or Rupture*—Dr. Brown also has persons afflicted with Hernia to call, as he has paid particular attention to this disease.
Skin Diseases; also Piles, Palsy, etc. speedily cured Chargers from $5 to $10.
