Flour—Market quiet, and prices firm as last quoted. The news by the steamer of the fall in the prices of Flour in the English market, has not, as yet, affected the prices here. The supply is so limited that the market can only be influenced so far as to lessen the desire for large purchases; the present prices will remain firm until the market is better supplied. Nothing has occurred in the way of operations worthy of notice. Retail sales were made yesterday amounting to about 100 bbls at $4,75 and 4,81. Small lots were received by river, intended, principally, for shipment. An offer of $4,75 for 100 bbls, was refused at the river.

Grain—The market is exceedingly dull, presenting no sales worth reporting.

Provisions—Some activity at former prices—Cash sales of 20,000 lbs Sides at 9c—10,000 lbs Hams at 9c—12,000 lbs Shoulders at 7c, 1500 pounds Hoground at 5&3/4c & 1b.

Cheese—The market is well supplied with a good article. We notice sales amounting to 150 boxes at 6c.

Whiskey—Very little doing in the market. Sale of 50 bbls rectified at 22c & gal.- Regular sales of old at 20c, and of raw at 18&19c & gal.

Ashes—The market continues quiet, with prices firm as last quoted. Sales of 8 tons Pots at 4c of 5 tons Scorchings at 4&4&1/4.

SALT HOUSE.

Corner Main and Sixth sts, Cincinnati.

THIS establishment is now in the best order for the reception of Salt, and will be kept in the following manner, viz: Salt will be received from the Springs every Monday, Wednesday and Friday of the season, and furnish horses and carriages at all other times as those wishing to visit Kenhawa.

Persons preferring the Vanceburgh route will do well to take the Portsmouth packet Scioto to Vanceburg on Tuesday, Thursday or Saturday, when they will find horses and carriages to forward them to the Springs.

M'CONNELL & GOULD, Proprietors.

P. S.—For other particulars, see lithographic bills, at the hotels, steamboats, &c., and if there be not convenient then take for granted the following facts, viz:

That Kenhawa is nearer the Ohio river than any other watering place—that it has the purest mountain air—the most delightful, cold, limpid, sparkling, sulphur water—the boldest, coldest, clearest, purest, pleasantest and most efficacious chalybeate fountain in the U. States—that it is surrounded by mountain scenery, with romantic, picturesque and diversified, with good fishing, shooting, fox chasing, deer racing, &c. &c., together with good sailing, drinking, sleeping, walking, riding, dancing, cleaning of the 'slums,' surgeoning of the spots, sizing, lounging, growing and blowing to say, dreading to go away, promising to come again—to bring friends, neighbors, sisters, wives, sweet hearts, &c, &c; and after all it is cheaper staying at Kenhawa than at any other of the fashionable watering places.

This is the voice of hundreds who have been there and mean to go again. jy16d&w

HOTELS.

DOUGLASS, or the White Sulphur and Chalybeate Springs, of Lewis county, Va. The above delightful watering place or summer resort, is now ready for the reception of visitors, under the direction of Michael Kean, Esq., late and for many years of the Lewisville Hotel, Mr. Kean and Lady will have the active management of the entire boarding department. Mr Hitchcock, of the tavern, bar, store, bowling saloon, and other amusements; and Mr. Bliss of the springs, bath houses, stables, horses, carriages, &c. &c.

Messrs. O M & P M Weeden, Stage Proprietors of Maysville, will run a regular four horse Post Coach to the Springs every Monday, Wednesday and Friday of the season, and furnish horses and carriages at all other times as those wishing to visit Kenhawa.

Persons preferring the Vanceburgh route will do well to take the Portsmouth packet Scioto to Vanceburg on Tuesday, Thursday or Saturday, when they will find horses and carriages to forward them to the Springs.

M'CONNELL & GOULD, Proprietors.

P. S.—For other particulars, see lithographic bills, at the hotels, steamboats, &c., and if there be not convenient then take for granted the following facts, viz:

That Kenhawa is nearer the Ohio river than any other watering place—that it has the purest mountain air—the most delightful, cold, limpid, sparkling, sulphur water—the boldest, coldest, clearest, purest, pleasantest and most efficacious chalybeate fountain in the U. States—that it is surrounded by mountain scenery, with romantic, picturesque and diversified, with good fishing, shooting, fox chasing, deer racing, &c. &c., together with good sailing, drinking, sleeping, walking, riding, dancing, cleaning of the 'slums,' surgeoning of the spots, sizing, lounging, growing and blowing to say, dreading to go away, promising to come again—to bring friends, neighbors, sisters, wives, sweet hearts, &c, &c; and after all it is cheaper staying at Kenhawa than at any other of the fashionable watering places.

This is the voice of hundreds who have been there and mean to go again. jy16d&w
