NOTWITHSTANDING

an unusual opposition in this invention of a Pittsburgh Mechanic, a majority of the Cabinet makers of this and Allegheny City, and their numerous customers have shown themselves above the vulgar prejudices against innovations, and they give Gazzam's Bedstead the preference, simply because it deserves it, being the best, strongest, and most convenient Bedstead in use. The following testimonial speaks for itself—

We, the subscribers, practical cabinet makers of the cities of Pittsburgh and Allegheny, Pa., do hereby certify that we have bought the right to manufacture bedsteads with Gazzam's Patent Fastenings, and shouldn't the same superior to any fastenings with which we are acquainted.

PATENT PRESS BRICK MACHINE

The subscribers having obtained a patent, May 18, 1847, for Press Brick Machine, and having since then taken the machine to Brick from credle relay, and will make 20,000 good pressed Brick per day, and certainly hard enough to burn in the kiln; thus avoiding the expense and labor of preparing the clay by drying and handling the brick after being moulded. It is simple, strong, not liable to get out of repair, and is constructed, that it can be taken to pieces and put together with great facility, thus rendering it portable. We are now building machines, and can furnish them on short notice. Persons feel desirous, we will refer to a machine now in successful operation at a Mill creek boatman, near the West end of Sixth Pittsburgh. Also, we shall be happy to furnish everything connected with it to all who may call. We have at present no authorized Agent: All letters to be address will be promptly attended to.
