CONSUMPTION ARRESTED—To those afflicted with Diseases of the Lungs.

—This is to certify to those afflicted with the first premonitory symptoms of Consumption, that I have been laboring for several years with a bronchi, symptoms of the disease called bronchocele. I used many medicines, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I therefore take pleasure in making this public statement; that others afflicted with a disease of the lungs and expectorant organs may know the virtues of this all healing remedy, which may be cured. I have recommended Dr. Duncan's Expectorant Remedy to many of my friends, some of whom own their lives to this medicine.

Consumptive's Consolation.

Does sickness weigh upon your heart?
Or pains affect your breast?
Try Dr. Dunconde's Healing Art,
And it will give you rest.

It clears away the misty cloud
Disease spreads o'er the soul,
And whispers through the gloomy shroud,
"Your health may yet be whole."

Soe yonder rose of lovely hue!
Its withering with decay
It scarcely saps the morning dew,
Before it fades away.

The Worm of Death was in the stem,
And straightened as it grew—
And when it bloomed, (a lovely gem,)
It nipped through and through.

That Worm of Death might be defied,
If Dr. Duncan's art were tried;
All many lovely diseases saved
The life of an untimely grave.

DR. JAYNE'S CARMINATIVE BALSAM.

Prepared by Rev ARA JAYNE, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the throat, pronounced by the attending great pain in the stomach for over twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was then afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use this medicine every evening and sometimes in the morning, and in a few weeks health was restored. The undersigned was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr Jayne's Carminative Balsam, as a reliable remedy for the disease of the stomach and bowels. J SHINN

DR. JAYNE'S FAMILY MEDICINES.

It is our principle in the management of this paper to notice anything which we find out, from personal inspection, to be of utility to the public. The sale of Dr. Jayne's medicines we have used in our family for many years. For instance the EXPECTORANT, the CARMINATIVE and VERMIFUGE, which we know to be good for the complaints they profess to cure. We were on Lake Ontario the past summer, when several of our travelling companions from having, in Western New York, drank, for many days, the limestone water of that section, were badly attacked with violent Diarrhœa, and Dysentery. Mr. R. had provided himself previous to leaving home, with "The Carminative or Balsam" and in all cases of the kind, among five persons, it was successful in effecting a speedy cure.

Dr. Jayne's Expectorant we have known used among our intimate friends with equal success; and we feel that we shall do a good act to families [especially those] situated as they cannot have access to immediate medical skill] to advise them to keep on hand both the Expectorant and Carminative. The Expectorant is believed by all physicians to be the best recipe for Pulmonary Consumptive Complaints, that has ever yet been compounded. Dr. Jayne has not a quack, but is a regular, scientific, and able medical practitioner himself. His medicines are used by the best physicians.
