Grey Assembly.—We would urge upon all Whigs and friends to Protection, the necessity of a general attendance at the election for Members of Assembly, on Tuesday next. Every vote is important, and we hope to see a full turn out in every township in the County. Let every man feel that the success of the Tariff depends upon his individual exertions, and that he is personally responsible for the result. Let no one stay away because he thinks the election is certain. We have no time to lose, and must work hard to secure a victory. Let every man do his duty, and we shall have no cause to regret the result.

Democratic Lies.—The Democratic papers are circulating a report that Mr. Lawrence, the Whig candidate for Governor, has declared himself in favor of the Sub-Treasury. This is false. Mr. Lawrence has declared himself in favor of a Tariff for Revenue, and opposed to the Sub-Treasury, and has never said anything else. Let every Whig contradict this lie wherever he hears it
