IT NEVER FAILS!

Dr. CULLEN'S INDIAN VEGETABLE PANACEA

PERSONS afflicted with Scrofula, King's Evil Tumor, Erysipelas, Old Sores, Ulcers, Tetter Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

READ! READ!! READ!!!

We, the undersigned, having visited Mr. Isaac Brooks, Jr., at his office, of Messrs. Howard and Waltons, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of:

His disease was SCROFULA, and terrible must have been his twelve years' conflict with the destroyer!

His Palate, the entire roof of his mouth, Nose, Upper Lip, and lower Lid of the Right Eye have been destroyed, his Face nearly eaten up, and part of the Jaw Bone carried away. And yet we can give no description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face was a mass of deep and painful ulcers!

On the 16th of January last, he commenced taking Dr. CULLEN'S INDIAN VEGETABLE PANACEA, which checked the disease in a few days, and from that time the cure has progressed without interruption.

New flesh has supplied the place of the destroyed, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used,—in fact, the PANACEA ALONE, has wrought this wonderful change

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular.

First, because they are prepared by Dr. S. B. Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptability to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and disease.

Third; Because of their combined effects, properties not contained in any other pills; namely, purifing from the system all scrofulous and bilious matter, and at the same time purifying the blood and fluids of the body.

Fourth; Because they are the cheapest and best medicine before the public—a single box costing but 25 cents, and containing 40 pills, serving to persons as many dollars oft-times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, you will be trifling with your constitution by trying all kinds of pills or other medicines you see published and recommended by one and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always be found good in almost all worms of disease, inflamation of the stomach, bowels, liver and intestines, cramps of the stomach, colic, whitlow, breath; inward fevers, foul breath, boils in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion want of appetite, bilious sfections, diseases of the spleen and kidneys; diseases of the skin, scaly eruptions dry and watery pimples or blotches of the face and body, tetter, rash, prickle heat and salt rheum, headache, giddiness, heaviness, pains over the heart, or side, shoulder, sides, along the back and spine, rheumatism and gout; lovers of all kinds, small pox, variloid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood

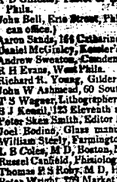
MEDICAL AND SURGICAL OFFICE



No. 68 DIAMOND ALLEY, a few doors below Wood street, towards the market.

DR. BROWN,

Having been regularly educated to the medical profession, and been for some time in general practice, has made his attention to the treatment of those diseases and delicate complaints for which his opportunities and experience have qualified him, a study devoted to the study and treatment of those complaints, (during which time he has had more than the lot of any private practitioner) amply qualifies him to offer his services, confidently assuring those afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, he having given his careful attention to such of cases, and has succeeded in hundreds in the treatment of such cases, and is convinced of the necessity of immediate application of the nock of the bladder, and kindred diseases which often result from those cases which are neglected or improperly treated at first. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every attention will be given them and their cases treated in a careful, thorough and intelligent manner, pointed out by long experience, study and investigation, which is a requisite for those engaged in general practice of medicine to give any one case a description.

Dr. Hernia or Rupture—Dr. Brown also invites persons afflicted with Hernia to call, as he has paticular attention this disease.

Dr. Brown also Piles, Palsy, etc. speedily cured. Chargeas very low.

Persons afflicted of either sex living at a distance by stating their disease in writing, giving all the symptoms, can obtain medicine to cure without a personal interview. DR. BROWN, M. D. post paid and encloseing a fee.

DR. JAYNE'S FAMILY MEDICINES.

The unprecedented increase in the demand for these popular remedies, and the consequent increase in the number of spurious articles which we find out, from personal investigation, to be of guilty to the public. Some of Dr. Jayne's remedies we have used in our family for many years. For instance the EXPECTURANT, the CARMINATIVE, and VERMIFUGE, which we found to be a good for the complaints they profess to cure. We have seen in Lake Ontario the past summer, where several of our vessels were detained sometimes, from having, in Western parts, bark, drank, for many days, the limestone water of that region, were badly attacking with Cholera Morbus, Dysentery, &c., and had provided himself, before leaving home, with "The Culminative of Dr Jaynes," as soon as the symptoms of the disease were manifested, found it useful in effecting a speedy cure.

The Expectorant we have known used among our immediate friends and neighbors, and we feel that we should do a good act to families (especially those situated as they cannot have access to Physicians) to advise them to keep on hand both the Expectorant and Carminative. The Expectorant is believed by good physicians to be the best recipe for Pulmonary complaints, that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular scientific, and able medical practitioner himself. His medicines are used by the best physicians.

Consumptives Consolation.

Does sickness weigh upon your heart?
Or pains infest your breast?
Try Dr. Downers Healing Art,
And feel quite new your rest.

Is short'ness of breath the misty cloud
Dimmes mortals eye the most,
And whispers through the gloomy shroud,
"Your health may yet be lost."

Rest your case no longer then!
"Tis wisdom with sweet
It will help you the morning thro',
Before it take away.

The Worm of Death was in the stem;
And Consumption fix'd its grave;
And when it bloomed (it lovely seem)
It sicken'd, sigh and drooped.

The Worm of Death might be defied,
If Downers Balsam were tried
And made of its untimely curse.

MEDICAL.

CHILD BIRTH.

DR. BONDELOQUE'S CELEBRATED REMEDY.

FOR relieving the pains and dangers incident to Pregnancy and Child Birth, which insures the easy and unprotracted process of the functions of woman which Nature, when unhindered by the luxuries of civilized life, intended should be performed expeditiously, with little pain, and without subsequent indisposition.

Dr Bondeloque during his travels in Asia, observed this remarkable fact. That the women of those countries are peculiarly different from all other lands, in this respect—that they are free from the pains and dangers which make the period of Pregnancy as object of so much anticipated suffering and risk. Curiosity and the zeal for Scientific discovery prompted him to investigate the cause of this remarkable exception to the severe trials to which the married females are generally subjected, and the result was the discovery of the fact that the women of those countries were in the habit of using during the last stages of Pregnancy, certain plants which have the faculty of imparting that degree of tone and elasticity to the nerves and blood vessels of the Uterus, or Womb which enables it to perform its functions in all their native simplicity of action and freedom from pain.

It is a singular fact, also, that the Indian women of North America are in a remarkable degree free from those pains and dangers of pregnancy and child birth to which the white women are subjected—Whether they use the same plants as do the women of Asia we cannot tell. Certain it is that the fact is of too remarkable a character to be overlooked by the dutes of wives and mothers with comfort and happiness.

It is at this time now first presented to the women of America, by Dr. Bondeloque, through his sole agent, Dr. ADOLPHUS GRAS, and he is confident that independent of its intrinsic merits it will recommend itself to the moral part of the community, as it is fully calculated to do away with the horrid crime of which so many, through fear of pains of child birth, are guilty, (the production of premature delivery.)

This medicine is also remarkable for remedying that hitherto incurable disease Barrenness, and its almost constant accompaniment Fluor Albus, a fact that relaxed and fallen state of the Womb which accompanies this disease is never felt after the shortest use of this medicine.

This medicine is prepared in such a way as to be agreeable and pleasant to take.

Dr. Bondeloque's Sarsaparilla is a sovereign and speedy remedy for Constipation, Scurvy, Leprosy, Ulcers, Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the greater number of diseases of the matrix, the humor may be of mineral cause or cause, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and nervousness, from the above named causes, will find themselves under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of the many cases in which it has been effected, that hundreds of cases have been reported to us. Several cases where families have been without children, after using but a few bottles of Dr. Bondeloque's Sarsaparilla, have been blest with healthy offspring.

Dr. Townsend:—My wife being greatly distressed by a complaint which the Doctors call Prolapsus, suffering continually by pain, and a sensation of bearing down, falling of the womb, and with a difficulty of having children, and where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Sarsaparilla, and by strictly following the directions you gave me, in a short period it removed her complaints and restored her health. Being grateful for the benefit received, I take pleasure in recommending it, and recommending it the public. M. D. HOUSE,
Albany, Aug. 17, 1844. Cor. of Grand and Lydius sts.

CONSACRE, Sept. 29, 1845.

Dr Townsend: To all whom it may concern, I hereby certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the existing circumstances of her case, which was attended with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my persuasion she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, and she was confined in the early part of the month, after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is restored. Yours, &c. JOHN SOUTH.
Albany, March 13, 1846.

CONSACRE, Sept. 29, 1845.

I do certify that my self and wife have used Dr. Townsend's Sarsaparilla, and we find it to be a very valuable medicine for the blood, and for all cases of Scrofula and Scrofulous Humors, and we recommend it to all persons afflicted with any of the above complaints. JOHN SOUTH.

Prepared and sold by DR. ADOLPHUS GRAS, Sole Agent for the United States, 139 Fulton st, Sun Building, N Y; Redding & Co State st Boston; Dr Dyott & Sons, 132 North Second st, and Fahnestock & Woods, 6 Wood st, Pittsburgh; and by principal druggists generally throughout the United States, West Indies and the Canadas.

None genuine unless put up in the large square bottles, which contain a quart and signed with the written signature of B. P. TOWNSEND, and also the name of the agent.

From the New York Daily Express of April 9, 1847.

A pretty thing appeared in the streets yesterday. It was a little girl, about four years old, with a head of hair like floss silk, and a face like a full blown rose. The whole thing is got up in good taste: some of the ornamental tradesmen's paintings are beautiful, and this, ingenious and pretty as it is, is not the least so in the run, made a show nearly equalled in Broadway. We take this opportunity to say we believe the extensive sale of Dr. Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

NEW YORK, March 27, 1847

Dr. Townsend:—I have been afflicted for about three years with a painful shaking in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the use of mercury, which I was induced to take for a cold in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. Having seen your Sarsaparilla highly recommended for all cases of Scrofula, from which I found great relief. I have taken several more bottles, and I am unhesitatingly my self and wife have taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits" use a bottle or two of Dr. Townsend's Sarsaparilla. It will clear your blood, purify the system, give a healthy color, give new animation, sparkling eye, fine spirits, and beautiful complexion—all of which are of immense value to women. Read below.

DYSPEPSIA.

No kind of medicine has ever been discovered which so perfectly resembles the gastric juice as that obtained from the gland and strengthening the organs of digestion, as this preparation of Sarsaparilla.

ROSE DEPARTMENT, Albany, May 10, 1845.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst form, attended with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and was induced to try your Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any circumstances.

G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Many persons cured in one house is unprecedented.

THOS CHILDERS.

Dr. Townsend: Sir—I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted with running sores; I have used but a few bottles; it took them away, for which I feel myself under deep obligations. ISAAC W. CRAIG, 105 Wooster st.
