OFFICE PITTSBURGH GAZETTE,
Tuesday Morning, November 2.

We have no change to note in the general prices of the market; business, in a regular way, is quite fair.

Flour—No additions have been made to supplies, for sometime back, consequently they have dwindled somewhat, and prices continue firm, with a tendency upward. Regular sales from store by dray load at 4,90@5 ℔ bbl, with retail, or sales by single bbl, at $5,12½@5,25 ℔ bbl.

Grain—The market is very quiet. With moderate sales at previous rates, viz: Wheat 90 to 95; Rye 45; Barley 45; Corn 40 to 45; Oats 25 to 28c ℔ bu.

Bacon—The market continues quiet, with no change in prices. We quote moderate sales of Hams at 8½ to 9c; Sides 7½ to 7¾; Shoulders 6½ to 7 ℔ lb.

Feathers—Sales of 2000 lbs at 31c cash. Some holders are asking 32c.

Beeswax—Supply quite limited, with moderate sales at 24c. Very little demand in the market.

Lard—The market is rather dull, with moderate sales at 8½ to 9c.

Metal—We quote the following sales since our last report:—6 tons Jefferson, 50 do Deer Creek, 60 do Helen, 40 do Mary Ann, at $32, 6 mos. 200 tons Allegheny were sold on private terms.

SUNK.—The Hibernia, arrived yesterday from St Louis, reports that the Simon Kenton struck a snag at Hat Island, on Friday night last and sunk in a few moments. The Monona struck a snag within an hundred yards of the same spot, on Saturday night last, and also sunk in a short time. We have no particulars of the disasters.

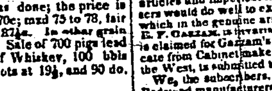
GAZZAM'S PATENT BEDSTEAD.



THIS *Ne Plus Ultra* improvement has now been in use about two years, and wherever it is known, preferred to all other Bedsteads.

For cheapness, strength and convenience it has not and cannot be equalled, as it is decidedly the best, cheapest and most convenient Bedstead in use, and perfectly proof against Bugs.

The principal Cabinet makers and Turners in Allegheny city and in Pittsburgh, have secured Rights to manufacture and sell the article. As there are spurious articles and imperfect imitations in the market, purchasers would do well to examine the cast iron plates on which is the genuine article the name of the patentee, E. F. Gazzam, is invariably cast. As a proof of all that is claimed for Gazzam's Bedsteads, the following certificate from Cabinet makers well known in Pittsburgh and Allegheny, is submitted to the public:

We, the subscribers, practical cabinet makers and Bedstead manufacturers of the cities of Pittsburgh and Allegheny, Pa., do hereby certify that we have bought the right to manufacture bedsteads with Gazzam's Patent Fastenings, and consider the same superior to any fastenings with which we are acquainted.

A Hero's Grand Piano,
FOR SALE AT A GREAT BARGAIN.
RECEIVED recently from the Piano Forte manufactory of Henri Herz, Paris, one of his elegant Rosewood semi-grand, premium Piano Fortes, six and three quarters octave; compass of key board, elegantly finished in every particular, and of most exquisite tone and touch. This Piano is provided with a double Iron frame, giving additional strength to prevent it from getting out of tone, and finished with elegantly carved mouldings, all in the latest Parisian fashion.

Those who are unacquainted with the relative merits of different Piano fortes, and cannot judge of the merits of tone and touch, are respectfully referred to the opinions of Professor Rohbock, Mr John C Mowry, Teacher of the Piano forte; Mr S Bowen, Mr W Evenson, and others who have examined this piano forte. Those who have examined it, have pronounced it to be, not only infinitely superior to the many grand pianos now in use in this city, but the best they have ever seen.

The above Piano Forte for sale at $575, being one hundred and twenty five dollars less than the same article has been sold for in Philadelphia and N. York, out of this importation. Terms cash only.

Pork Packing at Beardstown.
THE Pork Packing season is just approaching. I shall be prepared to pack pork and slaugh or Hogs as usual, on good terms—barrels, kegs and salt furnished if desired, at the lowest market price. It is well known to pork buyers the advantage of packing at this point—the number of Hogs belonging to the point will be unusually large, and of the finest quality, owing to the immense corn crops in this section, the Hogs will be very large and fat. Buyers who intend packing in the west would do well to call at this point before locating elsewhere. I will also pack on commission for Farmers or Drovers; or if any of them wish to pack on their own account I will accommodate them with every requisite. There ought to be 25,000 Hogs packed at this point this winter, as the greater portion of the Hogs will be too large and fat to drive any distance, only at too great a sacrifice to the owner. I shall be prepared to pack any quantity, and recommend buyers to be in the field in due time, and make arrangements for packing before our river closes for winter.

BEACH'S UNIVERSAL EXPANSIVE SHELLER.
—This labor saving Machine was Patented, April 18th, 1846, which in view of its durability, cheapness and efficiency, its simplicity of construction, and the ease with which it is used by either Boys or adults; is inevitably destined to supercede all other Corn Shellers for general use. It is in fact supplies a desideratum which has long been wanted throughout the Great Western States, for while it costs less than one-tenth of the price of the rotary shellers, one person can shell corn with it, as fast as with any. HOUSES, LOTS, FARMS, &c.

Purchaser Wanted.
FOR a farm containing 184 acres of land, 100 of which is cleared and cultivated, on Indian Wheeling creek, within 8 miles of the Ohio river, 3 miles from St Clairsville, (county seat of Belmont Co.) 3 miles from the National Road, and on the route selected for a Rail Road from Wheeling, westward. On this farm is a saw mill in operation; a grist mill and fulling mill, not now in order; 3 dwelling houses; necessary stabling and corn cribs; and a fountain spring, with a spring house. On it is an orchard of grafted fruit (apples) of about 200 trees, one of the best orchards in the country; the tract abounds with Coal, which might be profitably worked for the supply of St. Clairsville.

This is valuable property, well watered and would be sold very low, perhaps for half the price that similar property is sold for, if location really no better.

Immediate possession would be given if sold within a month, and the purchaser could, if he desired, buy a large crop of Corn on the ground.

Letters addressed to the subscriber in relation to the above will meet with prompt attention.

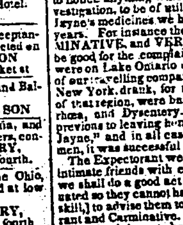
MEDICAL.

MEDICAL AND SURGICAL OFFICE



No. 65 DIAMOND ALLEY, a few doors below Wood street, towards the market.

DR. BROWN,
Having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him.—Eleven years assiduously devoted to the study and treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of a private practitioner) amply qualifies him to offer assurances of speedy, permanent, and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, he having given his careful attention to the treatment of such cases, and succeeded in hundreds of cases in curing persons of inflamation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them and their cases treated in a careful, thorough and intelligent manner, pointed out by long experience, study and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of disease.

☞ Hernia or Rupture.—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.

Skin Diseases; also Piles, Palsy, etc. speedily cured
Charges very low.

N. B.—Patients of either sex living at a distance by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T BROWN, M. D. post paid and enclosing a fee.

Office No. 65 Diamond alley, opposite the Waverly House. dc19

☞ No cure, no pay!

DR. JAYNE'S FAMILY MEDICINES.—It is our principle in the management of this paper to notice anything which we find out, from personal investigation, to be of utility to the public. Some of Dr. Jayne's medicines we have used in our family for many years. For instance the EXPECTORANT, the CARMINATIVE, and VERMIFUGE, which we know to be good for the complaints they profess to cure. We were on Lake Ontario the past summer, when several of our travelling companions, from having in Western New York, drank, for many days, the limestone water of that region, were badly attacked with violent Diarrhea, and Dysentery. Mr. B had provided himself, previous to leaving home, with "The Carminative of Dr Jayne," and in all cases of its use, among five gentlemen, it was successful in effecting a speedy cure.

The Expectorant we have known used among our intimate friends with equal success; and we feel that we shall do a good act to families (especially those situated so they cannot have access to immediate medical aid) to urge them to keep on hand both the Expectorant and Carminative. The Expectorant is believed by good physicians to be the best recipe for Pulmonary Consumptive Complaints, that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and able medical practitioner himself. His medicines are used by the best physicians.

DR. JAYNE'S CARMINATIVE BALSAM.
FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

Consumptive Consolation.
Consumption's iron sickness weigh upon your heart?
Or pains afflict your breast?
Try *Dr. Duncan's Healing Art,*
And it will give you rest.

It clears away the misty cloud
Disease spreads o'er the soul,
And whispers through the gloomy shroud,
"Your health may yet be whole."

See yonder rose of lovely hue!
'Tis withering with decay
It scarcely sips the morning dew,
Before it fades away.

The Worm of Death was in the stem,
And strengthened as it grew—
And when it bloomed, (a lovely gem,)
It nipped through and through.

That Worm of Death might be defied,
If Dr. Duncan's art were tried;
And many lovely damsels saved
The fate of an untimely grave.

PULMONARY BALSAM—
Messrs. Reed & Cutler—I feel it a duty I owe to my fellow creatures to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs—one a few days since—and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventative, and prevention is better than cure. I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.
