SELLERS' IMPERIAL COUGH SYRUP.—It is cheap, easy to take, and highly effacious.

ALLEGHENY CITY, March 28, 1847.

Mr. R. E. Sellers: My children, like others, have been subject to troublesome coughs, and having used different remedies to very little purpose, I was induced by an advertisement about the cough syrup, to give it a trial. I gave it to two of my boys, and also to my daughter; several different times, and it has never failed to do so. I have recommended it to my neighbors, and do most conscientiously believe that it is the best cough medicine that has ever been offered to the public.

ANDREW ARMSTRONG.

Parents should not permit their children to suffer from coughs, when they may be cured by a 25 cent bottle of this syrup.

IMPUDENCE.

FROM a published card of McCallmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned some time since the exclusive agency system," and that we have no right to claim "exclusive privileges with their sales." I never pretended to sell the teas of this spurious concern. I have been selling my teas of the New York Pekin Tea Co for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately but as wool dealers.

The Tea business of McCallmont & Bond is about 8 months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man of firm to assume, but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Company of New York is entirely false; they having been denied even an agency in Philadelphia for the New York Company, that Company having referred even this far to confide in them. I know not what kind of wool they keep nor what kind Teas; I am only certain they keep or obtain none of the Pekin Tea Company's of New York.

Any person reading their card will see the gross deception they wish to practice on the public, and to the injury of my customers, McCallmont & Bond are wool dealers in Philadelphia and have sent an agent out here to pull wool over the eyes of some of our good citizens to look out for a black sheep. MEDICAL.

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular

First, Because they are prepared by DR N B LEIDY himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and diseases.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving in pocket as many dollars oft times in Doctor's bills, and numerous medicines bought & tried on the recommendations of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, do not be trifling with your constitution by trying all kinds of pills or medicines you see published and recommended in every sale and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always cure the most confirmed humors of disease, inflammation of the stomach, bowels, liver and intestines, cramps of the stomach, colic, Waterbrash, inward sweats, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, bilious affections, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions dry and watery pimples or blotches of the face and body, tetter, rash, prickle heat and salt rheum, headache, giddiness, faintness, pains over the heart, of the breast, sides, along the back and spine, rheumatism and gout, fevers of all kinds, small pox, varioloid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula, in all its multiplied forms whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 8 South Third Street, Philadelphia.

Sold at the Pekin Tea Store, No. 72 Fourth street Pittsburgh mch31

DR. JAYNE'S FAMILY MEDICINES.—It is our principle in the management of this paper to notice anything which we find out from personal investagation, to be of utility to the public. Some of Dr Jayne's medicines we have used in our family for many years. For instance the EXPECTORANT, the CARMINATIVE and VERMIFUGE, which we know to be good for the complaints they profess to cure. We were on Lake Ontario the past summer, when several of our travelling companions, from having, in West or New York, drank, for many days, the limestone water of that region, were badly attacked with violent Diarrhœa, and Dysentery. Mr. B. had provided himself previous to leaving home, with "Dr Clarkson Jayne's Carminative," and in all cases of its use, among five gentlemen, it was successful in effecting a speedy cure.

The Expectorant we have used among our intimate friends with equal success; and we feel that we shall do a good act to families [especially those situated as they cannot have access to immediate medical assistance] to advise them to keep on hand both the Expectorant and Carminative. The Expectorant is relieved by good physicians to be the best receipt for Pulmonary and Consumptive Complaints, that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and able medical practitioner himself. His medicines are used by the best physicians.

PULMONARY BALSAM—

Messrs. Reed & Cutler—I feel it a duty owe to my fellow creatures to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about sixteen years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs—one a few days ago—and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know but it will cure a fixed consumption, but I believe it will be in many cases a preventative, and prevention is better than cure. I do therefore, for the love of my fellow men, cordially recommend the use of this Balsam in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.

DR. JAYNE'S CARMINATIVE BALSAM FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for from twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks Leath was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN

I continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. MCLEAN, late U. S. N.
