MEDICAL.

SEVERAL REASONS WHY DR. LEI SDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular

First, Because they are prepared by Dr N B Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the cause of Philadelphia, who knows the nature, the cause of disease, and the quality of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and disease.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all offensive matter digested, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box containing but 25 cents, and containing 40 pills, saving to persons as many dollars on large bills, and numerous medicines bought & used on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any of the pills, do not be trifled with by persons or proprietors, by trying all kinds of pills or medicines you are persuaded and recommended to by one and another but take as soon

Dr. Leidy's Sarsaparilla Blood Pills

and you will not be disappointed. In this case nothing else will be used. The pills alone in a short time will remove all impurities in the stomach, bowels, liver and intestines; cramps of the stomach; colic; Waterbrash; jaundice; fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, bilious affections, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions and disfigurations by blotches of the face and body, watery pimples like broken out with heat, tetter, rash, pricklo heat and salt rheum, headache, giddiness, faintness, palpitation of the heart, all fevers, and all kinds of humors, boils, carbuncles, ringworm, scrofula or king's evil, scurvy, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood

SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms, whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. There is none, unless this principle can be destroyed, no radical cure can be effected; but if the principle upon which the disease depends, is removed, the disease must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many intelligent diseases. It destroys the virus or principle from which these diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. DR. JAYNE'S FAMILY MEDICINES.—It is our principle at the commencement of this paper to notice anything which we find will, from personal investigation, be of utility to the public. Some of Dr. Jayne's medicines we have used in our family for many years. The justly celebrated EXPECTORANT, the CARMINATIVE, and VERMIFUGE, which we know to be good for the complaints they profess to cure. Others we have taken to the part sanctum, which several of our travelling companions, from having, in Western New York, drank, for many days, the limpid water of that region, were badly afflicted with violent Diarrhœa and Dysentery. Mr. B. had provided himself, previous to leaving home, with "The Carminative of Dr Jayne," and in all cases of the kind, effected a speedy cure. In fact, it was successful in effecting a speedy cure.

The Expectorant we have known from infancy our intimate friends and for all coughs, colds, &c. &c. we shall do a good act in families (especially those situated so they cannot have access to immediate medical assistance) to advise them to keep on hand both the Expectorant and Carminative. The Expectorant is believed by good physicians to be the best recipe for Pulmonary Consumptive Complaints that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and able medical practitioner himself. His medicines are used by the best physicians.

PULMONARY BALSAM.

Messrs. Reed & Cutler—Feel it a duty I owe to my fellow creatures to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect which I then gave an account of, I have used several severe complaints and attacks at my lungs—quite a few days since—as it is every winter, I have used the Balsam, and always with good and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure consumption, but I believe it will be in many cases a preventative, and prevents its being than cure. I do therefore, for the love of my fellow men, cheerfully recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.

DR. JAYNE'S CARMINATIVE BALSAM FROM the Rev ASA SHINN, a well Known and popular Clergyman of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for hour or two in hours during intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every unpleasant sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. It is continued to use the medicine every evening when I can procure it, and am thereby preserved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr Jayne's Carminative Balsam, as a salutary medicine in diseases of the stomach and bowels.

SARSAPARILLA.

Most extraordinary Medicine in the World.

The extract is put up in Quart bottles—it is six times cheaper, more powerful, and warranted superior to any sarsaparilla, or other compound ever offered to the public for the cure of

DISEASES OF THE BLOOD,

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicines is, whether it Exchequer Disease it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*; a power possessed by no other Medicine, and in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 25,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Cancer Rheumatism;

2,000 cases of Dyspepsia;

800 cases of General Debility and Want of Energy;

2,000 cases of different Female Complaints;

2,000 cases of Salt Rheum;

1,500 cases of the Worst Complaint;

2,500 cases of Disease of the Kidney and Dropsy,

and Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. To speak in still stronger terms of Rich the Sarsaparilla, Pain in the Side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Bunkirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York; which we will refer to with pleasure, and to those of character. It is the best medicine for the preservation of disease known. It undoubtedly saved the life, of more than

3,000 CHILDREN THE PAST SEASON!

As it removes the cause of disease, and prepared them for the Summer season.

Surgeon's Department, Albany, May 10, 1845.

A year since I was taken with the influenza, and my whole system fell in a debilitated state, and was reduced to a very low ebb. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I am unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have been a heavy smoker for many years, but since I commenced taking it, and find that I have entirely lost all desire for it. I believe it saved my life, and would not be without it under any consideration.

SCHOOLS CURED.

This certificate convinces me that this Sarsaparilla has a perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented in the history of Sarsaparilla.

Dr. Townsend—Dear Sir: Thave the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your Sarsaparilla. The sores are entirely well and healed up, and the children are now perfectly well with bad sores; have only taken four bottles; it took them easy, for which I feel myself under great obligations. GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for all Complaints, Diseases, Weaknesses, &c., peculiar to Females, whether of a delicate Menstruation, Inconvenience of Pregnancy, or the Debility and Irritation attending Change of Life, or Incontinence, or Suppression, or Excessive Flowing, and for the general health of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been cured by this medicine, cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend! My wife being greatly distressed by weakness and general debility, and suffering continually by pain and weariness in the back, Bilging of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and whereas my wife was confined to her bed, I immediately procured a bottle of your Extract of Sarsaparilla, and followed the directions you gave me in a short period it removed her complaints entirely, and restored her health. Being grateful for the benefits received, I take pleasure in this acknowledging it, and recommending it to the public. Yours, &c.

As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be returned to the purchaser. SHERMAN'S TOOTH PASTE

A PERMIUM DENTIFRICE.

It should be used every night with a stiff brush, and the teeth and mouth will only require washing in the morning. Where the teeth are worn away, or cold will answer, and rub a few times on the paste, when enough will adhere for a day's use. It is a safe article to swallow, and is the most delightful fragrance to the breath. Its taste is not disagreeable. It is warranted not to injure the teeth, but to preserve them.

By using it regularly it will remove the tartar and prevent it from accumulation—prevent the toothache strengthen the gums, and prevent all diseases of the mouth. Chemists, physicians, and the clergy recommend it as decidedly superior to every thing of the kind in use. A large proportion of the disease, that afflict mankind arise from some derangement of the stomach and bowels, which a timely use of the Cathe tic Lozenges would entirely obviate. Persons of bilious habits should never be without a box at hand, and as soon as they feel the least derangement in their health. A judicious use of these Lozenges would prevent thousands of cases.

LADIES Who Use Common Prepared Chalk, are often not aware of the injury it does to the skin. It often not aware of the injury it does to the skin. You who have pale complexions, sallow eyes, blotches on the face, rough skin, or freckles, and are "out of spirits" in the least a little or two of Dr. Townsend's Sarsaparilla, and in a few weeks you will be surprised at the change for the better. It will remove the freckles and blotches, and give you animation, sparkling eye, fine spirits, and beautiful complexion—all which are of immense value to married, and single.

DYSPEPSIA.

No kind of medicine has been ever discovered which so nearly resembles the gastric juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

BEAR INDEPENDENT, Albany, May 10, 1845.

Dr. Townsend—Sir—I have been afflicted for several years with a disease of the stomach, attended with great sickness of stomach, loss of appetite, extreme faintness, and a great aversion to all kinds of food, for weeks I refused to eat, and I have no doubt that I owe my life to your medicine on my stomach. I tried the usual remedies, but they had not little or no effect in removing the complaint, until I used your Sarsaparilla, which I did by the advice of a friend, who was using it with great success. I have used five bottles, and I must say with little confidence, but after using nearly two bottles, I found my appetite restored, and my health entirely restored. I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c. W. W. MARR

ALMOST A MIRACLE

Read the following, and then say, if you can, that Townsend's Sarsaparilla cannot be cured.

This is only one of the several hundred cases that Townsend's Sarsaparilla has cured.

Dr Townsend—Dear Sir—About a little over a year ago, was taken with a severe cough and pain in my side. I attended on two very able physicians, and they prescribed for my sickness to have their constant attendance, but all to no purpose, for I grew worse every day, and night sweats, and shaking very hard set in, and I could do nothing for me. I went into the hospital in hope of relief, but I grew worse every day, and after being in about three weeks, I was more generally distressed at the lungs and could scarcely breathe; I also became emaciated, and expected the day was coming when I should be called to die. In this situation I remained for some time, when I was induced to try a friend, who had used your Sarsaparilla, and followed the directions you gave me in a short period it removed my complaints entirely, and restored my health. Being grateful for the benefits received, I take pleasure in this acknowledging it, and recommending it to the public. Yours, &c.

DR. JNO. LEIDY'S Pile Specific, an internal remedy for the cure of Piles, Fistula, Ulcerations, external bleeding or blind, also, for irritation of the kidneys and bladder, pains in the back and side, habitual costiveness, croup, &c.

Females before and after confinement are often troubled with constipation of the bowels or costiveness, as well as the piles, for which this Specific can be taken with perfect safety, and is a certain remedy. The Specific is sorry for sale, and is entirely vegetable remedy, without a particle of gamboge, colocynth or aloes—pleasant to take and pass, gently harmless as the most delicate cases.

This is to certify that I have Dr. Ingoldsby's Pile Specific to be a certain cure and safe remedy. Having seen its effect in several cases, amongst my family connexions, in several cases, amongst my family connexions, in several cases, friend and seven cases of the piles, others it made an entire cure in every case.

The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. It is continued to use the medicine every evening when I can procure it, and am thereby preserved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr Jayne's Carminative Balsam, as a salutary medicine in diseases of the stomach and bowels.

There are thousands of cases in the City of New York; which we will refer to with pleasure, and to those of character. It is the best medicine for the preservation of disease known. It undoubtedly saved the life, of more than

Surgeon's Department, Albany, May 10, 1845.

A year since I was taken with the influenza, and my whole system fell in a debilitated state, and was reduced to a very low ebb. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I am unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have been a heavy smoker for many years, but since I commenced taking it, and find that I have entirely lost all desire for it. I believe it saved my life, and would not be without it under any consideration.

Yours, &c. W. McLEAN, late U. S. N.

SCHOOLS CURED.

This certificate convinces me that this Sarsaparilla has a perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented in the history of Sarsaparilla.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your Sarsaparilla. The sores are entirely well and healed up, and the children are now perfectly well with bad sores; have only taken four bottles; it took them easy, for which I feel myself under great obligations. Yours, &c. ISAAC W. CRAIG, 105 Wooster st.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for all Complaints, Diseases, Weaknesses, &c., peculiar to Females, whether of a delicate Menstruation, Inconvenience of Pregnancy, or the Debility and Irritation attending Change of Life, or Incontinence, or Suppression, or Excessive Flowing, and for the general health of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been cured by this medicine, cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend! My wife being greatly distressed by weakness and general debility, and suffering continually by pain and weariness in the back, Bilging of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and whereas my wife was confined to her bed, I immediately procured a bottle of your Extract of Sarsaparilla, and followed the directions you gave me in a short period it removed her complaints entirely, and restored her health. Being grateful for the benefits received, I take pleasure in this acknowledging it, and recommending it to the public. Yours, &c.

Indian ladies, I'm astonished,
When you know that you are promised
A natural, life-like, new complexion,
That you will still use common chalk,
And look a deathly yellow bright,
The time of the Harbinger and of talk.

If you would use a box of JONES'S Lilly-white, it would give your skin an alabaster yet natural white, and at the same time clear and improve it. Sold at JACKSON'S, 89 Liberty st. Price 25 cents per box. nov6

SCRATCH, SCRATCH.

TETTER, ITCH, SALT RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that Dr. LEIDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be returned to the purchaser.
