☞ **Balm of Columbia**—HAIR TONIC—To the Bald and Grey—If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia, and by one application it will more than exceed your expectations. Many who have lost their hair for ten years have had it restored to its original perfection by the use of this balm. No state or condition appear to be no obstacle whatever; it also causes the hair to grow with which the delicate hair tube is filled, by which means thousands (whose hair was gray as the Antarctic Eagle) have had their hair restored in its natural color by the use of this valuable remedy. In all cases of fever it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out; it strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled; it holds three times as much as other so-called hair restoratives and is more effectual. The genuine is manufactured by Comstock & Co, 21 Courtland st, New York.

Sold in Pittsburgh, only genuine, by WM. JACKSON, 69 Liberty st, head of Wood; in Washington, Pa., by Sweeny & Son; in Brownsville, by Bennett & Crocker; in Canonsburgh, by Dr. Vowel; also, by our agents in every town in Pa., Ohio and Md. nyl5d&wow7

☞ **To Steamboat Men and Others**—Connell's Magical Pain Extractor—It is now conceded by medical men that Connell's magical Pain Extractor, manufactured by Comstock & Co, of Courtland st, N. Y., is the greatest wonder of the 19th century. Its effects are truly miraculous. All pains are removed from burns, scalds, &c., and external sores, in a few minutes after its application, healing the same on the most delicate skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as sore Nipples and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, Tic Doloreaux, &c. We might add as proof to all we say, the names of many eminent physicians who use it in their practice, and hundreds of the clergy who praise it to their people. Kind parent keep it constantly on hand, in case of accident by fire, life may be lost without it, but by its use all burns are subject to its control, unless the vitals are destroyed. Caution—Remember and ask for Connell's Magical Pain Extractor, manufactured by Comstock & Co, N. Y., and no other.

Sold by WM. JACKSON, Agent for Pittsburgh, 69 Liberty st, head of wood. ny13d&wtoT

☞ **Salter's Ginseng Panacea.**—MEDICAL TESTIMONY—We beg leave to call public attention to the following, from Dr. Wm. Dean, of Williamsville Clermont Co., and one of the very first practitioners in the county in which he resides, and late Senator in the State Legislature. It is cheering thus to see the leading men of the profession, bursting the bonds of professional prejudice, and giving merit its due:

"Sir: I have in my practice been using some of your Ginseng Panacea, and, so far, am well pleased in its effects in Catarrhal and Bronchial Complaints. Please send me half a dozen bottles—them as low as you can; as I expect if it continues to render as general satisfaction as it has heretofore, to keep it constantly on hand. Respectfully, WM. DEAN, M. D

OFFICE PITTSBURGH GAZETTE, Thursday morning, December 23.

Our local markets were unfortunately pied at a late hour last night, which will account for the absence this morning of the regular daily report.

No change of importance has taken place, every thing remaining as last quoted. The weather is extremely cold, and the markets present but little animation.

The river, last evening at dusk, was falling slowly with seven feet water in the channel.

Retail Prices in the City Market.

HIBBERT'S CHEMICAL WRITING FLUID.

In soliciting the support of the public for this article, it is not right and just that its merits on which the claim for support is based should be fully and fairly set forth and also some guarantee be given that the consumity will not be imposed upon by using it.

In the first place it is well known that the generality of black "Inks" are composed of a precipitate, held together by gum Arabic, and when the water, either in whole or part is evaporated the gum and precipitate are left as a pasty mass in the pen or inkstand which contains it. It is also common to add vinegar to the Ink mixture to make it more fluid, which increases the evil by acting on the pen, if a steel one, corroding it through in a very short time. Now the "Writing Fluid" differs from this mixture in every respect, as it is a chemical solution requiring no viscid matter to hold it in suspension, therefore will never get thick, and being very fluid it flows free from the pen without any pressure, penetrating deeper into the fibre of the paper making a more permanent stain and one less easily moved by attrition than if it was only plastered on the surface. It also contains no matter that has an affinity for metallic iron, therefore will not corrode steel pens—it will not mould, and although it writes of a bluish green color yet in a few hours it becomes a deep black which will endure for ages. It is warranted superior to the following recommendations will suffice, as all must be aware, that the names there given could not have been obtained by any means for an unworthy purpose.

We recommend "Hibbert's Chemical Writing Fluid" to the patronage of the public, as a first rate article in all respects; it flows free from the pen without clogging it up and in the course of a few hours becomes a deep bright black.

Mr T K Hibbert—Dear Sir: I have been using your Writing Fluid, some three weeks ago, I consider it fully equal if not superior to Arnold's or any other ink now in use, I know of.

Respectfully,

Mr T K Hibbert—Dear Sir: I am using your Chemical Writing Fluid, and find it to be a most excellent article for many years, as it does not clog them unlike the generality of other inks, it flows free and becomes a deep black in a few hours.

CONSUMPTION ARRESTED—Thirteen Afflicted with Diseases of the Lungs,

This is to certify to those afflicted with the first symptoms of Consumption, that I have been laboring for several years with a bronchial, soreness of the throat and hoarseness. I used many remedies, but found no relief in any preparation of medicine, until I made use of DR. DUNCAN'S EXPECTORANT REMEDY. I have been using this valuable remedy for several years, and always find it to relieve whenever I take it. It is my occupation as an Auctioneer, which keeps me almost constantly engaged—I exercise my disease, at times, to become very alarming, when I commence this medicine. I therefore take pleasure in making this public statement, that others afflicted with a disease of the lungs and expectorant organs may know the virtues of this "all-healing remedy," and may be cured. I have purchased Dr. Duncan's Expectorant Remedy to many of my friends, some of whom owe their life to this medicine

Somerset, Ohio, Oct. 13, 1846. JAMES HEWIT

WASHINGTON, D. C., Dec. 6th, 1847.

Gentr: *D. Thompson, Esq., Pittsburgh, Pa.*

SIR: I have read your advertisement in one of the Pittsburgh papers with not a little surprise. I find that you have copied my business Circular entire, and appropriated it to yourself. I will take the liberty to inform you that my business Circular is my own conception and is entirely common property. I shall also willingly consent to be placed in a position, that will indeed astonish those who do not know me to suppose that I am not capable of writing my own business card; or that I am capable of pilfering and appropriating the card of another to my own use. I am, therefore, under the necessity of noticing and exposing your plagiarism in this manner.
