TOR MAYOR OF ALLEGHENY. HENRY CAMPBELL. Editorial Correspondence of the Pittsburgh Gazetta. MR. CALHOUN'S SPEECH, REMARKS

Spollations, &c., &c. Washington; Jan. 4 Tuesday nightexplages in Congress are becom ng. Mr. Calhoun's spoech. rief sketch of which I send you, drew an im e was immense for its numbers and highly inience was intrache for its numbers and highly in tellectual and fashionable. The ladies crowded their own circular gallery till there was no room for forgets or circular gallery till there was no room for forgets or circular gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this have end gallery till there was no room ing the rights and honor of the pation." On this will abadon no doubt, with the same which he has abandoned the whig pa origin of the war, and in relation to of Mexico. The voice was then inter on was mereated fit solices and beauty. The drawing too was much of it gorgeous. Any man, no matter how aged, or sober, might well be proud of drawing forth such concourse of people, and indeed there are but few into who could thus fill the chamber. Mr. Cab hour's manner of speaking, it strong and affective, without being pleasing. He never aims at orna-ment and arely gives utternice to metaphor, com-who below the source of or sole in the more billiant and sole of the source of a section the sole of the sole of the sole of the sole who below the sole of the sole of the sole of the sole of the sole without being pleasing. He never aims at orna-ment and rarely gives utternice to metaphor, com-trant who below the sole of the s

men who could thus fill the chamber. Mr. Cal-bon's manaet of speaking is strong and affectivrs, without being pleaking. He never sins at orre-ment and rarely gives uterance to metaphor, com-parisen, or a furth of peoch of asy cort. In this mention of chamber but one and that an ispeal to Scantor, when speaking of Marinta Mr. They would not chamber but one and that in the yourd in chamber but use and that an ispeal to Scantor, when speaking of Marinta Mr. Cal-bons ary. He jumps at once into the vere y being of his subject. His speech. His speech to day is not an any one to assver, and hast and grout weight the speak of his speech. His speech to day is not an ary yone to assver, and hast and grout weight to be speaked and the war. His comparison to what Mr. Cal-bons ary. He jumps at once into the very being of his subject. Mither to day is not an any one to assver, and hast and grout weight to be general opposition to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons ary and the war. His comparison to what Mr. Cal-bons and the war. His comparison to what and ary one to asaver, and hast add grout weight the great could obly the war. His to make and the bin the war. His to war. His to war. His to present the set and ophinos of the public her makes and when our wises and whot hey have committed the immense erysons. The set and be war. His comparison the set and ophinos the servers tim the great on the data set and ophinos of the public her makes and what are the set and ophinos. Whis was neither to strengthen the set and ophinos the servers tim the great on the data set and ophinos the servers tim. The great data set and ophinos the servers tim. The great data set and ophinos the servers tim. The data set to make and the t

125-

The speech was not long not more indiced that one hour and a half, and was rooken, as is Mi Calbour's habit without notes, or even areference of any sort. Such is Mr. Calboan's custom, and to night or to-morrow, he will probably dictate it to not my row and the second second second second second second second in the second second second second second second second second second ho delivered if himself to be Scaate. I cannot suppose the speech has had much effect among men in power here, for that is noteom, mon, but it must serve to contiru those who have been inclined to similar opinions, and who may have been wavering in their judgment. It will, how ever strengthen the Pence mail words, while and who may and whose opinions tell upon their own and will prove the bane of the Republiching the tory says a wise min, is Fallosophin the sad example," and the world aloute of conquest more and particularly of wars upon and phore how the fullow of the and the sad example," and the world aloute of conquest is upon this strange vete carept that I am and whose strange vete carept the sad example," and the world aloute of conquest is the particularly of wars upon and phore how and the world aloute of conquest is the particularly of wars upon and particularly of wars upon and phore how how the aloute of conquest is the particularly of wars upon and particularly of wars upon and phore how and the world aloute of conquest is the particularly of wars upon and particularly of wars upon and particularly of wars upon and par tary Glory, if it is the estimations of the ufil his will prove the bane of the Republicking by I tory says a wise min, "is Fullosophih the sad example," and the world abound of conquest, ensequences growing out of intionally come and particularly of wars up menced. Mr. Calhour's Result session, for he will not a time,-perhaps in it is some probability of their call them up utility.

We copy from the National Intelligencer the fol-lating report of proceedings: Mr. Houston, of Delaware, provious notice hav-ing been given, hursdneed the following joint resolts Mr. Houston, of belaware, provides actice lat-ing here given, introduced the following/init resolu-tion of thanks to Mujor Gen. Taylor; Resolved by the Snites and House of Representa-tiers of the United States of America in, Congress assembled, That the itanks of Congress are due, and they are hereby itendered to Major General Zachary Taylor, and through him to the officers and soldiers of the orgular army and of the volum-teers under this command, for their indomitable valor, skill, and good conduct, conspicenously dis-played on the 22d and 23d days of February last-in the battle of Buena Vista, in defeating a sume-rous Mexican army, consisting of four times their number, and composed of chosen troops under their favorite commander General Santa Anne, and

under, and composed of chosen troops under their avorite commander General Santa Anna, and hereby obtaining a victory over the eachy which for its signal and brilliant character, is ussurpassed in the military annals of the world. *Resofted*, That the President of the United States be requested to cause to be struck a gold medal with devices emblematical of this splendid achiere-ment, and presented to Mayor General Taylor, as a surpression of the high energy concerns a

inclui, and presented to diverse entertained by Congress of his judicious and distinguished conduct on that memorable occasion. Resolved, That the President of the United States he requested to cause the force ing resolutions to be requested to cause the force ing resolutions to be communicated to Major General Taylor is such manner as he moy deem best calculated to effect the objects thereof.

After some discussion. Mr. Henley moved to

manly independ

The sentiments expressed by our correspondent,

H, the cut direct. He admits, in view of the state of affairs in Mexico, the utter improbability of a treaty with that couptry, which would be satis-fattory to our citizens; recornizes the fact of our He admits, in view of the sta possession of a large portion of the Mexicon ritory, and the probable subjugation of the w country; and clearly points to the admission the whole of that country into the Anjeri Union, as a body of *free Statte.* Mr. Haupton sufficiently well versed in international law, a the coastitution of our country, to know, that i States which may be braned of that territory, c to be any other than *free Statte.* hat slavery is not recogn f México; that a conquer aavery is not recognized among the of México, that a conquered people ; if this right were recognized, our Coi gives to Congress no power whatever o subject. His preamble and resolution. it to other commendable features, clearly opp Federal heresy more recently known by it of the Wilmor Proviso. Let Mr. H. but throughout, to the principles clearly deduce throughout, to the principles clearly deducible from his proposition, and he will find himselfacting with he great body of the Democratic party.

at body of the Democratic party. ces of loco focoism failed to do has been accom plished by the one who was selected to fill the post of honor. A loco foco member has been elected by whig votes. He has shown his willingness

rifice the honor of the Union, and of the whige to the loco toeos upon a cardinal principle, and we will abandon, no doubt, with the same facility w

which he has abandoned the whig position on the origin of the war, and in relation to the conques

Sketch of Mr. Calhoun's Speech siterers of art canonav speech. Mr. Calhoun on the 4th inst, under the speech 1 long anticipated, in relation to our Mexican polic His Resolutions having been read, he said. J substance, that is offering to Senatory these res-lutions he had been governed by the reasons while induced him to oppose the war. His original o position to the war he did not intend further to o

but the could not get morely. Mr. C. said he had conversed within intellige gendement who ought to know, and has opnus was that for a Lean of forty millions; we could get more than nineity, which was equal to seve per cent. A war of conquest was disavowed, h it was certain the 'narts successful ibu's war w

The vigorous prosecution of the war would -eat all we disavowed. We disavow the nation hard better bolten from the fact of mini-fresident proposed that all the factions i hauld be put down, and the effect of the aruction to Mexico.

smalls be put down, and the entert of this was de struction to Mexico. Mr. C. said that a free and independant leput lican Government could not grow up innote a coo-quered people. It might under a kingly power an aritezary, or a despotism, but not under a free Republic. But this inder the preverses of opnono-was decuned an obsolete size. He preversed utorly against building up any Government in Mex-ico with a piedge of protection. As Hundestan had fullen into the hands of England, from a missi-ken policy, so Mexico would fall into eur owi-hands. This yaas the inevitable consequence of a vigorous prosecution, of the war, and the Prev-dent of the country was quoted to provo this. Al-who went forward in this war of conquest woold be unwilling to come back. But if we meant in demnity, why, not take it now,—without expend-

we had lost in our civil and political was sorry that our Government should the reputation for moderation, justice a which distinguished at in us early time-never before incorporated into our cour Congress when the attempt was made to declare that War existed by the act of Mexico, he would the Caucasian race. If we took we should, and for the first time, ta race among us. We proposed to t the Union, and to place them upo

have voted may, reversing his opinion so soon, may well cause Whigs to ask. Who among us is true? The indelible stain that never fails to mark le stain that never fails to mark cf Don Lopez de Santa Anna, for the facts attend-ing the return of Paredes, and for the instructions-given to Mr. Slidel. We shall soon see how much "aid and comfar" Mr. Polk and his friends have given to the Mexican generals. The Committee on Foreign Affairs have report ed a bill appropriating five millions of dollars, in five per cent. Stock. for French: Spolfations com-bond, and leave our Representative in the hands re-mitted write in 1600. There is an according of the party whose dishonor has made his own of the party whose dishonor has made his own the comparison of the protected most volumnty against it. How could we associate with our pro-let his mixture of Indians and half blods! if a the thing was done it might be the cold of our t the thing was usue in norm a second second race. Before so sensible a body as the Senate, he need not porve that the conjuest of free States was hav-tile and dangerous to our Institutions. All exam-ples proved that the people who conquered free States were themselves, in ture conquered. The Union would become imperious, and its patronage of the party whose dishonor he has made his own. While the Whigs regret the apostacy of their
