PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR JANUARY.
N. B. CRAIG. W. H. DENNY. CHAS. ZUG.

OFFICE PITTSBURGH GAZETTE, Saturday Morning, January 29, 1848.

OUR markets, generally, are without change in any important particular; business is still mainly confined to the narrow channel of a regular home trade only, and prices present but slight variation from our yesterday's report.

FLOUR—The market presents very little activity. Supplies continue quite full, and prices seem to indicate a further decline. Regular sales from store, by dray load, are effected at $4,87@4,93.—Limited sales have been effected at river at 4,70@4,75, as in quality.

GRAIN—Sales of 500 bu Corn at 38@40c, and 500 bu Oats at 26@27c ℔ bu. Of other grains, we hear of no sales worth reporting—prices are merely nominal, and are without change.

PROVISIONS—The market is in a quiet state, and nothing is doing beyond the regular sales to trade. In bacon, operations are quite light; the market is becoming well stocked with new cured, but the time has not yet arrived for any considerable transactions in the article. We continue to quote moderate sales at the following rates: hams 6@6½; sides 5@5¼, and shoulder 4@4¼ ℔ lb. Bulk meat is abundant, and is held generally at 4c for hog round; at which figure, however, purchasers are not willing to take hold.

LARD—The market is abundantly supplied, and very little activity is manifested. We continue to quote moderate sales at 5@5¼, as in quality.

BUTTER—We quote sales of 500 lbs roll at 12@13c, with moderate sales of keg at 9@10c ℔ lb.

CHEESE—The market is steady; but not active. Sales of W. R. are regularly effected at 6½@6½c ℔ pound.

HONEY—Supplies have become quite limited, and sales to a moderate extent are effected at 18c ℔ lb.

HOPS—Very little is doing in the market. Limited sales only are effected at 10@12c ℔ lb.

LEAD—Sales of 300 pigs, in lots, at 6½@6½c, cash and time. Sales of Bar at 4½c ℔ lb.

FISH—We continue to quote at the following rates: Mackerel, Nos. 1, 2 and 3, $12,50, 10,50 and 7,50 ℔ bbl. Sales of Salmon, at $20. Of Herring, 6,50 ℔ bbl.

FOR ST. LOUIS.—We noticed yesterday, at the wharf, the fine steamers Colorado and Anglo Saxon, both up for St. Louis. They have just undergone a thorough fitting up and repainting, and will afford pleasant quarters to all who may be going that way.

THE WEATHER AND THE RIVER.—Within the past day or two, the weather has undergone a change—assuming more of the wintry temperature. Considerable rain has fallen, and the river, at dusk last evening, was rising slowly, with 6 feet water in channel.

The number of steamboats, and their tonnage, built for four years, has been as follows:

	No.	Tonnage.
Year ending June 30, 1844,	31	6,238 53
" " " 1845,	46	6,707 41
" " " 1846,	49	7,506 89
" " " 1847,	57	9,086 58
Total,	185	29,438 51

The last figures which end June 30, 1847, the fiscal year of the Government, show that Pittsburgh has increased the amount of tonnage built, in as large, if not larger proportion than any Salt Water town, and again demonstrates that our inland commerce has claims upon the general government full as strong as any section, whether of lake or ocean boundary.

OHIO AND INDIANA CANALS.—We learn from a reliable source, that the Board of Public Works of Ohio, and the Trustees of the Wabash and Erie Canal in the State of Indiana, have agreed to unite in adjustment of the *Rates of Tolls* on the Miama and Erie and the Wabash and Erie Canals, on such reduced terms as will, it is supposed, make it an object to transport from Cincinnati all articles designed for the upper Wabash country, by way of their canals, instead of the route by way of the Ohio and Wabash rivers.—*State Journal.*

MISCELLANEOUS.

IMPORTANT TO BACON DEALERS.

J. JORDAN & SON, dealers in Bacon and Lard, manufacturers of Lard Oil, and General Commission Merchants, 13 Liberty street, opposite Smithfield, Pittsburgh, Pa. Particular attention paid to the sale of Bacon.

J. J. & S. have made arrangements as heretofore, for smoking and packing bulk meat and bacon the present season; and their long experience in this business gives them assurance of giving satisfaction to those entrusting such business to their care.

There are advantages to be derived from smoking meat in Pittsburgh, with which all may not be acquainted.

It may be shipped loose from any point below without injury, and after having been smoked here, can be forwarded to the eastern cities, either by wagon or by canal, without transhipment, where it almost invariably arrives in fine condition, and generally commands the highest market prices.

By this arrangement there is a saving of casks and freight on the same, which are unavoidable expenses where Bacon intended for eastern markets is smoked at points below, not taking into account the fact that it arrives in much better order than when packed in casks. It will also be borne in mind that Pittsburgh is one of the best points in the Union for selling Bacon.

$200 REWARD.

THE undersigned will give the above reward to any person who will arrest and deliver at the Maryland Penitentiary, a convict named ALBION FLOYD, who escaped from said institution on the night of the 16th inst. Said Floyd is about 27 years of age; has light auburn hair, fair complexion, & grey eyes. He is 5 feet 3½ inches high, has a large head, and a scar on his forehead.

He has a pleasing countenance, good address, and has been well educated. He represented himself to be a jeweller by trade. While in this institution he worked, respectively, at the tailoring and painting business, and can turn his hand to almost any kind of mechanical labor. He stated that he was born in Newbern, North Carolina, though he is suspected of being an Englishman by birth, his accent being that of a Londoner. It is believed that the name of Floyd is a feigned one.

He stole from the institution a greenish Tweed coat, a pair of black cassimere pantaloons, a black satin vest, a silk cravat, black ground with yellow and white spots, and a pair of boots, but as he is a plausible fellow and a noted hotel-thief, he will, doubtless, speedily change his dress. WM. JOHNSON, Warden Md. Penitentiary. Maryland Penitentiary, Baltimore, Jan. 21. ja26

SCROFULOUS CANCER CURED.—The following certificate from a highly respectable lady, has been sent to Dr. Jayne by his agents, Messrs Jason Ham & Co: Centreville, Ia., March 19th, 1847.

MR. JAYNE—Dear Sir—Duty to my fellow creatures demands that I should add my testimony to the well established efficacy of your ALTERATIVE. I have had what the doctors all pronounced an incurable Scrofulous Cancer of three year's standing. After a faithful use of the remedies of the profession, until my patience is exhausted, I commenced taking your Alterative. After I had taken it about six months, I was not only cured by it, but my Cancer was literally rooted out and dropped off. I am now completely and permanently cured, and have no hesitation in saying that it is the most efficacious remedy extant. I have no scruples nor fears in undergoing its virtues and commending it to all similarly affected. Respectfully yours, NANCY FALLS.

Dr. D. Jayne—Dear Sir—We enclose you a certificate from Nancy Falls, of an important cure performed on her by your Alterative. The facts stated by her we know to be true. Yours, JASON HAM & Co. Centreville, Ia., March 19, '47. Per C J Woods.

MEDICAL.

FITS! FITS!!

THE ONLY REMEDY!

HART'S VEGETABLE EXTRACT is an invaluable remedy for Epileptic Fits or Falling Sickness, Convulsions, Spasms, &c. It is well known, that from time immemorial, physicians have pronounced Epileptic Fits incurable. It has baffled all their skill, and the boasted power of all medicine, and consequently thousands have suffered through a miserable existence, and at last yielded up their lives on the altar of Insanity. With all deference, however, to the opinions of the great and learned, we say that it has been cured.

HART'S VEGETABLE EXTRACT,

For sixteen years, has been tested by many persons who have suffered with this dreadful disease, and in every case where it has had a fair trial, has effected a permanent cure.

Fits of 26 years and 6 months, cured by the use of this truly wonderful medicine.

Read the following remarkable case of the son of Wm. Secore, Esq. of Philadelphia, afflicted with Epileptic Fits 27 years and 6 months. After travelling through England, Scotland, Germany and France, consulting the most eminent physicians, and expending for medicine, medical treatment and advice, three thousand dollars, returned with his son to this country in November last, without receiving any benefit whatever, and was cured by using

HART'S VEGETABLE EXTRACT.

Mr. William Secore's Letter to Drs. Ivans and Hart.

I have spent over three thousand dollars for medicine and medical attendance. I was advised to take a tour to Europe with him, which I did. I first visited England. I consulted the most eminent physicians there in respect to his case; they examined him and prescribed accordingly. I remained three months without perceiving any change for the better, which cost me about two hundred and fifty dollars pocketed by the physicians, and the most that I received was their opinion that my son's case was hopeless and positively incurable. I accordingly left England, travelled through Scotland, Germany and France, and returned home in the month of November last, with my son as far from being cured as when I left. I saw your advertisement in one of the New York papers, and concluded to try Hart's Vegetable Extract, seeing your statements and certificates of so many cures, some of twenty and thirty years' standing, and I can assure you I am not sorry I did so, as by the use of Hart's Vegetable Extract alone, he was restored to perfect health. His reason, which was so far gone as to unfit him for business, is entirely restored, with the prospect now before him of life, health and usefulness. He is now 28 years of age, and 27 years and 6 months of this time has been afflicted with this most dreadful of diseases, but thank God he is now enjoying good health.

Now, gentlemen, faith without works I don't believe in. To say that I shall be ever grateful to you is one thing, and as I here enclose you one hundred dollars, I have no doubt but that you will think this another and quite a different thing. The debt of gratitude I still owe you, but please to accept the present amount as interest on the debt in advance.

Yours very respectfully,
(Signed,) WILLIAM SECORE.

TO THE AFFLICTED.

One of the proprietors of this invaluable medicine was afflicted for several years with Epileptic Fits. The disease had produced the worst effect upon his system, viz: Loss of memory, imbecility of mind, and a perfect prostration of the nervous system. He had tried the skill of the best physicians for seven years, and grew worse under their treatment, and he knew that this medicine was his only hope for health and life, and was therefore determined to give it a fair trial, and to persevere in its use, which he did, and the result was a perfect restoration to health, which was continued uninterrupted for nearly sixteen years.

We would refer to the following persons who have been cured by using Hart's Vegetable Extract:

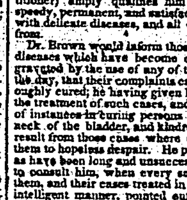
MEDICAL & SURGICAL OFFICE,



No. 65, DIAMOND ALLEY, a few doors below Wood street, towards the market.

DR. BROWN, having been regularly educated to the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints for which his opportunities and experience peculiarly qualify him. Eleven years assiduously devoted to the study and treatment of those complaints, (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) amply qualifies him to offer assurances of speedy, permanent, and satisfactory cure to all afflicted with delicate diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured; he having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, when every satisfaction will be given them, and their cases treated in a careful, thorough and intelligent manner, pointed out by a long experience, study, and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of disease.

☞ Hernia or Rupture.—Dr. Brown also invites persons afflicted with Hernia to call, as he has paid particular attention to this disease.

Skin diseases; also Piles, Palsy, etc., speedily cured. Charges very low.

N. B.—Patients of either sex living at a distance, by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T. BROWN, M. D., post paid, and enclosing a fee.

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R. E. SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., July 19th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have delayed doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have gone the way, since your Liver Pi is have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians; to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 3 or 4 times; and finally given up as incurable. In 1836-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which I now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, but give me much relief. I have kept them in my store for 6 or 7 years; sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superseded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J L MORRIS.

CAUTION—As there are other Pills before the public CALLED Liver Pills, persons who want the GENUINE should ask for and take no other than those prepared and sold by R E SELLERS, No 57 Wood st. between Third and Fourth streets.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by Dr. Jayne's Alterative, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. Eve. Post.

Pulmonary Balsam.

MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam in all pulmonary complaints. I am confident that it has been the means of prolonging my life to this day. Boston June 16, '45. BENJAMIN PARSONS.
