THE PITTSBURGH GAZETTE Wheeling merchants are petitioning Co. grous for the batter regulation of seembost naviga-tion on the Western waters. Mr. Harriste to der presented a well distant passabrial from them. Wil-not the Pineburgh Board of Trade take this matter PITTSBURGH: PRIDAY MORNING, FEBRUARY 18, 1848 [] The Privace of Dair Greet's to publishe Daily, Tri-Weekly, and Weekly,—The Daily is Seven Dollars per annun; the Tri-Weekly is Five Bollars per annun; the Weekly is Two Dollars per annun, sweet the Weekly is Two Dollars per annun. ugresions, has been sent me from a citizen of intaburgh, and I have placed, a copy before, the committees on Commerce, in the two Houses of longress.

Existent Staviers of Mr. Boundars.—The orial Correspondence of the Putsburgh Gaz THE SLAVERY QUESTION. Existent Structures or Mr. Bochanan.—The Combination of the South to extend Slavery over which this proposition received. This speech will be concluded from row.

Existent Structures or Mr. Bochanan or his wine by the brightness of his wisdom or his wine to annex to make the first to the same taken of the South to extend Slavery over whatever kneight territory may be annexed not which the territory may be annexed not substantialing the territory may be annexed not substantialing the territory may be annexed not substantialing the territory may be free, maintained, today, the principle embodied in his resolution.—
He does not seem to favor the same ration of territory as sealously as some of his party, and fears, perhaps, the effect of the mixture of races, or a cordin of fire States beaming in Slavery. Mr. Yoles, how ever, is not one of those who will set the world on fire by the brightness of his wisdom or his wit.—
You may remember him, perhaps, for his proposition to annex Cubs to the Usion,—and the one word which this proposition received. This speech will be concluded to-morrow.

The Existent Structures or Mr. Bochanan in company with Mr. Rogers and John to annex Cubs to the Usion,—and the one word which this proposition received. This speech will be concluded to-morrow.

The Existent Structures or Mr. Bochanan, and the one word which this proposition received. This speech will be concluded to-morrow.

The Existent Structure Structure or the service of the war, the annexation of Mexico and Administration measures generally. This gen them are seemed lass disposed to conceal the real policy of the Administration party than some others who have spelers. He had no fears of that "wallowing" of territory with which, recently, Mr. Cass conveyed his intentions to the Senate. Nor did he concern with Mr. Calbounthast the Caucaism that the concern with Mr. Calbounthast the Caucaism to on the side of the proposition in the exist of the wine of the concern with Mr. Calbounthast the Caucaism to one of the concern with M

Major wanted to see it. The tavorite of the Key-stone State having ridden away: "lives to fight another day.

The worthy Secretary and would be President, has an equal aversion to tax-gatherers that he showed to gunpowder. The proceedings of the Loco Foco Buchanan meetings generally speak of him as "Pennsylvania shavorite son." It is a great mistake. Mr. Buchanan has repudiated Pennsyl-vania, and is entitled to no such honorable nocellaont, and Mr. Breeze, to-day, almost discret the real designs of the Administration. It is said, however, that some of the friends of the Executive are beginmistake. Mr. Buchanan has repudiated Pennsylvania, and is entitled to no such honorable appellation. He is no longer a citizen of our State, having volonitarily expariated himself. He wrote a letter to the Commissioners of Lancaster County, repudiating his residence, in order to avoid the payment of taxen on about \$55,000, money at interest, and succeeded in relieving himself of a tax of five or at hundred dollars. Thus he voluntarily relieving himself of the contractive of the contractive hundred dollars. Thus he voluntarily relieving the support of the Government, and the payment of our debts.

[INFORMATION WANIED.—We should like to have the Post say whether it means to come out in an hing to be bully alarmed at the consequences of this extreme measure, and that they desire to inake the party back out if they can. they will soon have to make out a presentmen against the great body of the people. Mr. Corwin presented, in the Senate, to day, the proceedings of the Ohio Yoarly Meeting of Friends, asking that of the Ohio Yoarly Meeting of Friends, asking that of the other processing the same process.

All these petitions are sent to the Committee of Foreign Relations, where, organized as the Committee is, they will sleep the sleep that knows n

this bill. There were two speeches to-day uponit, one from Mr. Duer, of New York, and one fro

made some attempt to correct a statement/bt sound himself in error. It would be a good thing if speeches like this could penetrate every soo and corner in the country. While they defy cor

to use Editors of the Putsburgh Gasetts:

I am glad to see that a discussion has commence
d in the columns of the Post as to the best method
of improving our system of city schools, so as to
tring the advantages of a thorough education with
the feach of every child, of the poor as well as
of the first.

of the jield.

This is no demagogue movement. The spirit of true Republicanism and sound philosophy has evidently prompted this discussion, and I think the time has come when our clikens are ready to sustain any plan which promises the most effectually to throw open to all the means of acquiring knowledge.

One writer makes the complaint, which we all know to be a very just one, that our, public schools only teach the rudiments of education, and that the poor, man who is unable to support his child at a private school, must of necessity send him into the

for her, they therefore rendered the following verdict: that the jury should pay the value of the cow the magistrate treat the party, and the constable pay the costs.

The verdict was immediately ratified, and satisfied, to the great joy of the entirs neighborhood.—

Missouri Toracco Cror.—A merchant writing to the St. Louis Republican, says.—I have recently made a tour through some of the principal tobacco growing c unites of Missouri, and had frequent opportunities of examining carefully samples of the crop now being made ready for market. I have also seen many samples of more provided to the crop now the control of the planters from different parts of the State, concerning the article. From all I saw and heard, I am led to believe that the crop of lodacco now in hand in Missouri, is the finest for manufacturing purposes that has ever been produced to the State. This appears to me as item of information of some importance to the manufacturers abroad, and I would be glad if you, would publish the fact.

CHIESTON.—The growing importance of the cheese trade in this region is acknowledged by all, yet few, we apprehend, are aware of the extent to which that business has increased in a few years. By a reference to the books at the canal office, we are enabled to state the amount cleared for market during the last six years, which we think will be interesting to our renders. The statement commences with 1842.

mences with 1842

1842 1,200,168 lbs. | 1945 2,003,776 lbs. |
1843 2,415,177 | 1846 4,763,721 |
1894 3,944,404 | 1947 6,560,170 |
It will be seen that the increase has been very great each year, except during the season of the drought, 1845. Present indications warrent the belief that 1848 will far exceed any one of its predecessors.—Western Reserve Chronicle.
