Ioustoa (Texas) (Telegraph securit to ta guant at the establishment of a territorial ust at Start for the guide of New Mich. deed it has a right to be, if the Rio Grap. dence of the Pinnburgh Gazett Decision for the Suprem ty of Stansheat Owner. The Ho Watersorter, March 8, 1948. ame Court have given an opinion, an ortant to Western, steamboet owner eing the rightful boundary into the second distribution of the Maxico, that magnificent city of mu te as important to Western, steambort owners ad shippers as to those of the East, upon the case at the time of its annexation to the Republic of Te tates! But then, while, if Mr. Polk had not se #n. Kearney thither to conquer it, there widu are been an "territorial covernment" in sector Merchants Bank of Boston even e New Jersey Steam Navigation C ion Company. The time, it is not less r Lexington on the night of her ill-fated passage Providence and New York. The steam red to be a ing as aforetime the laws of ing the homage of the people nout question, exclusively own soil. We do not see clearly ng of the 17th of Januar An attempt was made to head her for the tore, but the ropes by which she was steered ere burnt, and the vessel became unmanageable The Houston paper suggests to the Legisla of Texas that "a new county should be laid of that region, of which the city of Santa Fe sho he county seat." In that event, should U is an abolish his territorial government She was burn, and the vesser became unmanageable She was burn, many lives were lost, and a grea deal of valuable property, including the speciencluding the specie-died in the decision of

tiness upon the Western wa gh the well known house of Harnden & Cos nate no disas

who had a contract, with the Steam Navigation Company of the following character. That for the sum of \$250 a month they would carry a crate five BUCHANAN AND PUBLIC OPINION .- The North merican gives us a leaf out of the history of the convention at Harrisburg, that has quite a spice offic et by six on board of every steamboat sailing by seen Providence and New York. The Compan boat sailing be erest. It need not be said that the convention was equired that Harnden should carry all goods heir own risk, that they should so advertise urce played for the benefit of the "favorite so they contracted to deliver the specie, but the own-ers or ahippers look to the public carriers, and not to those contracting to deliver the specie, for reat a way-side tavern. The choicest specimen fun was caused by Mr. Kerr, Benton Kerr, doubt of this region. When the troops were a into line for the purpose of nominating delegat to the Baltimore Convention, a "Mr. Penniman t say that there was "gross neg. ic) the Bartimere Convention, a "Mr. Penniman Gregating the second structure of the second structure bare of the second structure bare of the second structure bare of the second structure of the on board the Laxington,-that under th aw of Congress for the bett utty of Lives Passengers, she was bound to have an engine in od order and in a convenient place, with a full paratus, and also an iron tiller rope. When the seel was burned there were Cotton pales in close us proximity to the boilers. The engine place, the hose in another, and the ere but two or three fire buckets. In the gene I confusion, the boxes which contained the spe were used as water buckets. Had the boat bee were used as weise buckts. Ital the boat been kopped when the for was discovered, in the opin-ion of the Judges, the accident might not have oc-curred; or had therefore nögross negligence there would have been no accident. Upon the tip pre-vious to that when the vessel was burnt, she was

a una question was discussed the whole after during; which time all kinds of speeches mide, by men of all kinds of character and ca So much steam and patrioism. I ventur asy, never escaped in so short a time. Has Mexicans hears some of the speeches they we have made fight; but they would andoutkedly 1 remarked to us, you need not fire—Vil come de at open. mund to be on fire, and half of a box of goods was There were other facts in the ca the Atlantic States, as the question of Admirally jurisdiction was involved, and on this branch of the bject the Court were much divided in opini out the above facts are important for all readers a owing the disposition of the Con

rémarked to us, you need not fire—I'll come dou at once." While the firing was hottest, a gentleman b the name of Smodgrass, of Westmoreland, got th ficor, and addressed the Convention somewhat! this manner.—"While the Convention somewhat! this mannet..." While the convention somewhat! persons caught him by the cost and autempted t pell him down)—but he would not come—'troaw laughter.) Sir. Providence elected Geu. Harrison (cheers i aughter; and crise of go on, but Frav dence killed--(here his voice was drowned b cheers, laughter; and applause.)) Sir. Pennayi' aithful execution of the laws of Congr inther of holding the owners of steamboat sible for the goods they may carry when losses a he burden of proof as to proper care and cautio hould rest upon the owners of steamh tot upon passengers and shippers of goods. The decision was delivered by Judge Net

The Committee on Con rted their bill upon the asfer zette, and answer the inqu who have written here for copies. It has been a wed partly with a view of hea Mr. Lowry successful in quelling the turnult, usins of a comprehence requiring the delegates we written plodges to the State Central Comm is, that they will support James Buchanan. reuns, therefore, that Locolocos.cannot trust enms might be made by gentlemen fro Cincinnati and elsewhere, who have manifeste an interest in the enactment of a salutary and eff
