HITED-STATES OF AMERICA WEXICAN REPUBLIC, GUADALUPE HIDALGO

SECOND DAY OF FEBRUARY BATIFIED, WITH AMENDMENTS

American Senate,

In the name of Almighty God.

The United States of America and the United Mexican States, animated by a sincere desire to put an ead to the catapities of the war, which unhappily exists between the two republics, and to establish lish on a solid basis relations of peace and friend-ship, which shall confer reciprocal benefits on the citizens of both, and assure the concord, harmony, and mintial confidence wherein the two people should live as good neighbors, have, for that pur-pose, appointed their respective plenipotentiaries; that is to say, the President of the United States has appointed N.P. Trist, a citizen of the United States, and the President of the Mexican republic has appointed Don. Louis Gonzaga Coavas, Don Hernando Conto, and Don Miguel Attristin, citizens of the said republic, who, after a reciprocal com-munication of their respective powers, have under the protection of Almighty God, the author of peace, arranged, agreed upon and agned the fol-lowing treaty of peace, friendship, limits and settle-ment, between the United States of America and the Mexican republic. enpreductive. No onerous taxes can be level than the paid the rate paid ingua sipplated for, to emake this read to constitute the constitute of which may be placed as the constitute of the con

Immediately on the signature of this treaty, a convention shall be entered into between a commissioner appointed by the General is-Chief of the forces of the United States, and

occupied by the said farees, constitutional ordermay be re-established, as regards the political, administrative, and judicial branches, so far as this shall be permitted by the circumstances of military occipiation.

ATICLE III.

**Immediately upon the ratification of the present treaty, by the government of the United States, orders shall be, transmitted, to the commanders of their shall be a transmitted to the commanders of the states of the states of the shall be shall be government of the Mexican republic, immediately to desix from hot-fadilies. another towns and our inherent demand that we should not not indeed build note, and here channel of business as a create. States.

In the said territories, property of every kind, now belonging to Mexicans not established there, shall be involably respected. The present owners, the heirs of those, and all Mexicans who may bereafter acquire said property by contract, shall enjoy, with respect to it, guarantees equally ample as if the same belonged to citizens of the United

ARTICLE: IX.

the obligation in fuffil the said conditions within the pictods to how counted from the date of the exchange of ratifications of this treaty, in default of which said grant shall not be obligatory on the State of Texas, in witure of the stipulations contained in the stricle.

be null and void.

The Mexican government declares that to grain whatever of lands in Texas has been 'made since the second day of March, one thousand eight har dred and thirty-sin; and has, no grant watever or lands in, any of the territories aforesaid. has been made since the thirteenth 'day of May, one-thou

also as their respective excess to these persons, and last as their respective excess, about such be necessary.

The boundary line established by this surface shall be religiously respected by each of the two republics, and as change shall per give made therein, excest by the services shall be religiously respected by each of the two republics, and as change shall per je made therein, except by the services shall be religiously represented to the United States, as defined by the fill the period of the Maxican populor the sym crifteen militors of the Maxican republic the sym crifteen militors of the Maxican populor the sym crifteen militors of seals in confurnity with its ownconstructions. be donard, in the one or the other of the two modes below specified, government shall at the time of ratifying this treaty, declare which, of these two modes, of payment if prefers, and the mode as elected by it shall be conformed to by that of the United States.

made. The state of government, shall be delivered, and transferable by the said government to the same by that of the U. States.

Second mode of payment—limitediately after this treaty shall have been duly ratified by the government of the Mexican-republic, the sum of three millions of dollars shall be paid to the said government by that of the United States, at the city of Mexico, in the gold or aliver! coin of Mexico. The remaining twelve millions of delivers shall be.

of Mexico, in the gold or ailver! coin of Mexico. The remaining weeve millions of dollars shall be paid at the same place, and in the same coin, in annual instalments of three millions of dollars great, together with interest on the same, at the rate of six per centum per annum. This interest shall begin to run upon the whole, sum of twelve millions from the day of the ratification of the present treaty by the Mexican government, and the first of the instalments shall be paid at the expiration of one year from the same day. Together with each annual instalment, as it falls due, the whole interests according on which interests a contract of the same and the same contracts. one year from the same day. Together with each annual instalment, as it falls due, the whole interests accruing on such instalment from the beginning shall also be paid.

[Certificates in the proper form for the said instalment, respectively in such sums as shall be desired by the Mexican government; and transferable by it, shall be delivered to the said government by that of the United States.]

[N. B.—The first of these modes is rejected. The latter is adopted, with the exception of the last paragraph, within brackets.]

The United States engage, moreover, to assume and pay to the claimants all the amounts now due them, and those hereafter to become due, by reason of the claims already liquidated and decided against the Mexican republic, under the conventions between the two republics severally concluded on the eleventh day of Airli achieves hundred.

The United States do furt Mexican republic from sil-claims of citizens of the Juited States, not heretofore decided against the Mexican government, which may have arisen pre-riously to the date of the signature of this treaty; who which discharge shall be final and perpetual, whether the said claims be rejected or be allowed by the board of commissioners provided for in the following article, and whatever shall be the total amount of those allowed.

ARTICLE XV.

The United States, exonerating Mexico from all demands on account of the claims of their citizens mentioned in the preceding article, and considering them entirely and forever cancelled, whatever their amount may be, undertake to make satisfactors.

receipt of sunn demand, to cause any or it records, or documents, so specified, white in their possession or power (or author copies or extracts' of the same) to be transathe said Secretary of State, who shall insure deliver them over to the said board of comers, Provided, that no such, a pilication made by, or at the instance of, any chimna the facts which it is expected to prove it books, records or documents, shall have be

Each of the contraction parties reserves to it the entire right to fortify whatever point withit terratory it may judge proper to fortify, for its series. ARTICLE XVII.

the additional article, and except as the additional article, and except as the additional of the said treaty may not be incompatible with any stipulation contained in the present ity, is hereby revived for the period of eight year from the day of the exchange of ratifications the day of the exchange of ratifications with the same force and virtue as if

All supplies whatever for troops of the United States in Mexico, surving at ports in the occupation of such troops previous to the final evacuation thereof, although subsequently to the restoration of the custom houses at such ports, shall be entirely the custom houses at such ports, shall be entirely and the supplies of the custom houses at such ports, shall be entirely and the supplies of the custom from detties and charges of any kind; the

special stempt, when duly proved and enable lished by sentence of a completent thirount, shall be properly sentenced a completent thirount, shall be a tempted to be fraudicately introduced.
