It was runored from the interior that the whites
of the country was on the ever of a general revolation, and that the celebrated General Paez was
making great efforts to rally the whites.
The white population along the sea-count were
trying to excape out of the country. Most of their
were going to the Island of Curacos, and taken
passage in different United States vessels Mr. Weseman, lady and family, came passengers in the Orbit, being obliged to abandon their beautiful estate
by this dreadful panic.
To the time of the Orbit's sailing, no actual
murders had been committed by the blacks
since the assassination of the national representatives.
