and the Mexican Government, the determ of the second of the s

these estimates as a bart of increase and calculation were characterized as bothfalse and deceptive, and Mr. Rues, not knowing that there was a most that deception, expressed his astonishment that had been alwested the sestimates of the Treasury Department.

A mail is to run require between Vera Cruz and the City, twice a month. It will be estorted by cavalry.

of the exports of last year, or the presentation of these estimates as a baris of increase and calculation were characterized as both false and deceptive, and Mr. Alies, not knowing that there was a most use in mid-thic deception, expréssed his autoniabment that he had been allowed tofand its way into the estimates of the Treasury Department.

I was glad to hear the Sanator from Connecticut, quote approvingly the remarks of Mr. Huakinsoe, of England, who said that the man who would plange his country into a mercenary war, so as to increase the debt of England, would deserve to lose his head! What shall be said of an American Tresident, who has plunged his country into "an unnecessary and unconstitutional war." Let Mr. Nies after this answer by his own rule, I hope in a political sense only he would consent to sever Mr. Polit's head from his body.

There was a bold attempt made lodey to raise the Tra Resonant Br. from the Speaker's table in the Tra Resonant Br. from the Speaker's table in the Tra Resonant Br. from the Speaker's table in the Tra Resonant Br. for the Speaker's table in the Resonant Br. from the Speaker's table in the

versure systems, and the said troops in the trive duty upon the manufactured article in judit too to the duty imposed. England has persualting the nations to alsendon their those markets, but also mine no occasion to save her own. With an expenditure of \$25,000,000 per ennum, the socks to entire herself and prucces her weeks to entire herself and prucces her weeks. The most strangent system of Government.

Mr. Niles today drays a parallel between the first long of the England has persualted to the England has p
