MEDICAL.

WALTER'S
GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

CONSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its surprising powers. These, with a mass of testimony from all parts of the country,—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by nine out of ten individuals under the assumed name of some celebrated physician, and puffed into notoriety by certain persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, to all of which we are prepared to give full information relative to it.

T. SALTER, Proprietor.

Broadway, Cincinnati, Ohio.

ASTHMA, OR DIFFICULTY OF BREATHING.—This disease is caused by a paroxysmal construction of the air cells; it is very debilitating, almost causing suffocation. DR. SWEET-SEN'S PANACEA is the only certain cure.

Hoarseness can be entirely cured by a free use of Dr. Sweetser's Panacea.

Catarrh, or nasal cold, which, if neglected, will terminate in Consumption, is effectually relieved and cured by Dr. Sweetser's Panacea.

Bronchitis, if unchecked, will effectually lead to Bronchial Consumption, but a timely use of Dr. Sweetser's Panacea will effectually cure it.

Inflammation of the Tonsils or Sore Throat.—This disease often leads to serious consequences from neglect, such as ulceration of the throat. On the first symptoms, Dr. Sweetser's Panacea should be procured and used freely.

Coughs and Colds find a sovereign remedy in Dr. Sweetser's Panacea.

Pneumonia Notha—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution; aged persons are subject to it—Dr. Sweetser's Panacea should be used on the first symptoms, which are a cough or cold.

Night Sweats.—This debilitating complaint will meet with a timely check by using Dr. Sweetser's Panacea.

Consumption.—If on the first appearance of consumptive symptoms, which are a pain in the side and breast, cough or spitting of blood, Dr. Sweetser's Panacea is freely used, no danger need be apprehended.

When the Lungs, the Windpipe, or Bronchial Tubes become clogged with phlegm so as to impede respiration or breathing, Dr. Sweetser's Panacea, which is a powerful Expectorant, should be taken according to the directions.

Influenza.—This distressing epidemic, so prevalent in our climate, is speedily cured by Dr. Sweetser's Panacea.

Price 61 per bottle, or six bottles for $5.

Scratch! Scratch!!

ETTER, ITCH, SALT, RHEUM, &c.—Who would not for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

The horrible to be obliged to rub and scratch when aloue, but more horrible to be obliged to do it for decency sake, when in company. Let it be remembered that DR LEIDY'S TETTER AND ITCH OINTMENT is the only medicine now before the public in existence for curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood, and fluids of the body, so where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the Ointment, they will cure in any case, whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured with the Ointment alone, unless the system of the skin be impregnated by the diseased humors which will be completely carried off from the system by Dr Leidy's Sarsaparilla, and the surface of the skin healed by the ointment. Price of ointment 25 cents.

SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure! PITTSBURGH, Feb. 14, 1847.

R. E. SELLERS:—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but without any relief. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could relieve her. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonfuls of Syrup always cures it. Call at my store and take a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World.

Seventh Ward, city of Pittsburgh.

The above certificate should induce all who are troubled with coughs, colds, &c., to try the Syrup a trial. It may be had for 25 cents, a bottle, at the drug store of R. E. SELLERS, 57 wood st.

MISCELLANEOUS.

HIBBERT'S CHEMICAL WRITING FLUID—In submitting the present to the notice of the public for this article, it is but right and just over Ink to merits for which the claim for support is based should be fully and fairly set forth and also some guarantee be given that the same will agree with and be borne out upon by using it.

In the first place it is well known that the generality of black "Inks" are composed of a precipitate, held together by gum Arabic, and when the water, either in whole or part is evaporated the gum and precipitate are left as a pasty mass on the pen or inkstand which contains it. It is also common to add vinegar to the Ink mixture to make it more fluid, which increases the evil by acting on the pen, it's steel one, corroding it through in a very short time. Now the "Writing Fluid" differs from the above mixtures in every respect, as it is a chemical solution requiring no viscid matter to hold it together, therefore will never get thick, and being very fluid in large quantity flows from the pen into a given space preserving its deep tint the fibre of the paper making a more permanent mark and one that can easily moved by attrition than if it was only plastered on the surface. It also contains no matter that has an affinity for metalic iron, therefore will not corrode steel pens—I will not specify, and although it writes of a bluish green color yet in a few hours it becomes a deep black which will endure for ages. It is warranted superior to the foreign writing known by the name of "Arnold's Writing Fluid," and one-half cheaper for the same price. As a guarantee against imposition of any kind being attempted the following recommendations will suffice, as all must be aware, that no one will give credit who has not been obtained by any means for an unworthy purpose.

We recommend "Hibbert's Chemical Writing Fluid" to the patronage of the public, as a first rate article in all respects; it flows freely from the pen without clogging it up and in the course of a few hours becomes a deep black.
