Whig and Anti-Masonic Nomin FOR CANAL COMMISSIONER, BER MIDDLESWARTH,

OF THION COUNTY. THE PENNSYLVANIA BAIL ROAD. Has not the time arrived for action on the part our citizens in reference to the Pennsylvani a our citizens in reference to the remuser was Rail Road? The Legislature has passed a suppl mentary act, authorizing the County of Alleghen and the cities of Pittsburgh and Allegheny, to su and the cilies of Fitsburgh and Allegnery, to sub-cirilles to the stock, to an amount not exceeding five per cent on the assessed value of property imbject to installor, permitting the Rail Road Com-pany to receive the bonds of the Corporation as cash in payment for the stock: fixing an equita ble mode of representing the stock in the direction and anthorizing the directors of the Rail Road Com panyto pay six per cent interest upon all insta' ments until the Road shall be completed.

nearts until the Road shall be completed. The other provisions of the supplement make the charter more advantageous than before; and all that is now necessary to insure the early comple-tion of a Rail Road communication from the Iron City to Philadelphia, New York, Boston and Balti-more it insured and the Statement of the Stat cary to rematoring and theral subscription on the more is a prompt and theral subscription on the part of Alleghenry country, which every considera-tion of emightened self interest, must suggest and

own country, and mortified as a prisoner among the enemy, though not to the enemy-no wonder the spirit of such a man should occasionally burst The surveys made during the past . year for the Rail Road, prove that the physical obstacles have been heretokre greatly overrated. The vigorous commencement of the Eastern Division, of which forth like a pent up fire, and that his injuries forced Such like a peat up fire, and that his injuries forced an utterance, which, had there been room for ai-lence, would never have been heard. When the proceedings of this court martial shall come before Congress, you may expect to hear a hule of thuf representative 'thunder' which sometimes rever-berates through the walls of the Capitol. I do not believe that even the friends of the Administration can keep allent, as they read the record of partiali-te invaries and availment of one whose great at least sixty miles will be prepared for the rail-during the present year, shows that the Company i

menous carnes. The disasters of last scason, when the can The dissisters of last scason, when the canal was in the spring unable to yeat the produce of the west, and in the fall was torn to pieces by the foods to which it is ever subject, prove that a Bail Road is imperatively necessary. The efforts of Balumore, New York and Boston, to reach the West by Rail Road routes, which will leave Pitte west by Ran noau routes, which will rear rise burgh out of the regular track of commerce, ad monish ins that every hour of supineness will be monish is that every method hereafter.

The Pennsylvania Road offers the best and shortest comprise with Philadelphia our comm cial metropolis: it gives us a more direct comm ation with Baltimore via Harrisburgh and York than we should have via Connellsville and Cum

unan, we anould nave via Connelisville and Cum berland; and it completes our Rail Road connexion with New York and Boston. Its value in the eyes of our Western neighbors

With New York and Boston.
Its values in the eyes of our. Western neighbors, is been shown by the Legislation of Ohio, last wind is the state of March 19th makes the following discloares which will be passed on Moulay.
It is been shown by the Legislation of Ohio, last wind is at Pittborgh, designed to opten avenues from the northers and central portions of the state of March 19th makes the following discloares which will arrest public at the following and the restrictions on the state line of Indiana; and the restrictions on the state line to Clueinaati.
Whether any or all of these lines a stall be constructed, dopends mainly upon the questions are of the arrest of the arrow and the destinities of Pittsbargh are fixed beyond a performed by the one released. Undow the extrict the arrest at the destinities of Pittsbargh are fixed beyond a performed by the one released. Military Court of Enguiry. The proceedings of the court dow siting at the sity of Mexico, are of much interest, and we is-ret our laability to give them in detail. The old oldier is as ready in the court is in the emphysical of it mode. are they? *A have asked Gen. Cadwalader and Gen. Pierce in relation to the march from Vera Cruz to Puebla some months affer we arrived in the city. Did you not mention to Gen. Pillow when you received the paper. No. 1, our your refusal to make use of it why you asked to take it avay?" "I thought there might be something in it 1 did not know before it might serve me in giving an it needs no great degree of keenness to se

Military Court of Inquiry.

"Gen. Scott submitted a portion of the eviden to be procured from the hands of Gen. Pillow bearing upon the letter of Leonidas. This do-nent is marked No. 1. d for which the masses are not to be held asible-the intelligence has imparted great ere at the Capitol. For the first two or the Gument is marked No. 1. Gen. Pillow, being called upon to know if he re-Gen. Pillow, being called upon to know if he re-cognized that document, and he acknowledged, some of the interfineations to be in his handwri-ting. The following its eachowledges to be writ-ten by him. Battery, 'it, 'ground,' general,' 'con-tenter' twant,' 'universal,'. He (Gen. P.) admitted banded to Mr. Free banded to Mr. Free edings of the Court Martial in the Scott. The whole bearing of th lland General in Chief has elevated him to th

[en by him: 'Battery,' 'ii,' 'ground,' 'general' con-jecture,' want,' 'universal', - He (Gen P.) admited that said document had been handed to Mr. Frea-ner, knowing him to be a correspondent of the New Orleans Delha. Gen Scott requested that the admission made by Gen. P. be recorded. Gen. Pillow asid, that in substance the matter contained in that document was true, and that the fact of his schoding a Mexican officer is also sub-stantially true. He said the document was taken from a router ir record of his own. aguest point of fame in the popular estimation. Among members of Congress, and others who has ead the proceedings, I hear the most enthusias emarks in his praise, and a general condemnation of the treatment he has received from the Admir stration." It has been the power of the Govern ent, concentrated in a selfish oligarchy here, con

stantially true. He said the document was taken from a rough report of his own. Gen. Scott said he next submitted a letter, which was printed in the New Orleans Delta; this he said was the actual letter of Leoniday itself, which he said was its addressed to the Editors of the Del-ta. He world show this letter also was interlined by Gen. Fillow, some of the instringtions, he said were done in the office of the Delta, but others he would show were done by Gen. Fillow. He would then inform the Jone was altered and the inform the Jone was altered and world of that document (Leonidas) was in his hand-writing. ning to rob a brave soldier and true patriot of hi and earned fame. No wonder that General So ffer the hard service he has seen, feels keen states, the Secretary of War, and all the represent atives of Executive Power at the sent of Govern-ment. I can pardon something of the spirit and temper, even if it were temper, in which be defies his enemies, and rises in vindication of rights givhis enemics, and rises in vindication of rights giv-en to him by the God of Nature. He seemed to me, to day at the Capitol, when pleading his de-fence against the Administration, and his tender of magnanimity to General Pillow and Colonel Dun-can, as firm and erect, and as immovable as one of the massive pillars of the Capitol. Struck down from his command—alone in the midst of the com-mon enemy—robled of his honors at the very Cap-tel he had mean the state of the the Administration. The Court being ready for the examination of the Court being ready for the examination of the Net

'After he took the papers I drew his attention to it and told him what it ways. 'Did it pass out of Mr. Trist's hands into th hands of Gen. Scott with your permission and a probabion? 'Yest.' Gen. Pillow having declined putting say mor questions to Mr. Freaner, Gen Scott and be had question to ask bim. The question was put by th Indge Advocate as follows: 'What is your social relation with Gen Scott when did you become personally's acquainted with when did you become personally acquainted with the sour social relation with Gen Scott and the social relatio witnesses. Mr. Freaner, correspondent of the New Orleass Delia, was called. Gen. Pillow, said he objected to the original let-ter of Leonidas being recorded, ualess it could be proved to be his, which he knew was an impossi-bility.

what is your social relation with the Scott-when did you become personally acquainted with him, and by whom introduced? My social relations with the General are noth-ing more than a passing acquaintance, as it were, meeting a gentleman in the streets, and having the salutations of the day interchanged, my acquari-ance commenced in Puebla; I was introduced by Gen. Pilow; at his quarter; I have frequently for-warded despatches for him by modes of corresy-ance which I had at my command. When at Pu-ebla, communications were almost entirely cut of -my counter bounds communications to him form proved to be his, which he knew was an impossi-bility. EXAMINATION OF ME. PERANER. Judge Advocate—What does the winters know of the two papers now before him? Wintess—This paper marked No. 1, I received from Gen. Fillow. Ho was passing by Gen. Fil-low's quarters, and was requested by him (Gen. Fillow) to call in the evening. Winters emarked by Gen. Fillow. Ho was marked by fem. Gen. Fillow is a call. He told me if i would come back to his house that night, he would give me a comfortable place to write, some place to sleep, and soldier fare—or words to that effect.— After having stated to him the inconvenience it would be to me to come back, as I was going for a list of the killed and wounded, and was to send an account of the battles the next day, he still urg-ed me, and (complied. I trained during the time ebla, communications were almost entirely cut of -my courier brought communications to him from commanders down below, and sometimes gave him / such, information through his Adjutan General, Ia. Col. Hitchcock, as my courier bounded:

Peneral as we would be also be a set of the an account of the battles the next day, he st ed me, and I complied. It raised during th ofmy, return: After having, supper, I wer Gen. Pillow into the next room, and, after some conversation, he handed me the pape before me, marked No. 1. athority.' 'After he took the papers I drew his attention to

place to keep my papers unless my

k the papers a unan-what it was.' out of Mr: Trist's hands into the . Scott with your permission and ar

and 'Come in.' Here the examination of Mr. Frenner closed for the present. Gen Scott said, he would move the Court in re-lation to winesses and their depositions, some of whom were in the United States. He supposed Gen Pierce no longer ablends to the army; if so, he was no longer ablends to the courd of the Court. Regarding the other winesses—Judge Walker, one of the editors of the Delin; and Mr. Maginais, of the same paper, he would that the Court issue summons to the military witnesses, and issue its commission in order to have the deposi-tions of Judge Walker and Mr. Maginais on the subject nave before the Court. Gen Pillow abd Gen Pierce was a witness for himself (Gen P) and as to Judge Walker and Mr. Maginais, he would like to be informed what they were likely to prove. The Judge Advocate here read the decision of the court on the subject at issue: That the Court, on the examination of the wintenesse in Mexico, deem the evidence insufficient, or should the evidence insufficient, it would adjoint to the United States for further proceeding. s me, he read it and interlin t-ted to Gen. Pillow that h d it. He (witne ding off a detailed account of the battles—fie mere-ly wranted to send off an account of the result as soon as possible; he would send a detailed ac-count in a lew days, when he would have an op-portunity of getting an account of the battles. Gen. Pillow then said that he (Gen. Pillow) was very anrious that that letter should go off with the first impressions, and he desired him (witness) to en-grafi it a his report. After some conversation, generally, he (witness) asked Ged. Pillow if he would keep the paper, and no objections having been made, hep ut it in his pocket. After he looked at the paper, he saw that portions of it were incorrect: he did not look at it

order. After the address at the paper, he saw that orders of it were incorrect, he did not look at it fierwards until he got into the ciry, and put it with ther papers. When the Locatidas letter was talk-d of I looked for this paper and found it. I com-ared it, on being told that it was similar. I then laced the paper, together, with the comparison I leve, away. Some time atterwards, I received a redust message from Gen. Fillow, staling that he was det correct. Each out of lows. Gen Scott said that the next winesses were Mr. Fast and Mr. Peoples, of the American Star, he lesired that summons be fasued to them. The Court then adjourned until 10 o'clock next at his house; he (Gen. P.) asked me if I reco

bed all has house in the third as paper from him. I re-plied that I did. He then asked if I still had it in my possession. I tokh him I had. He hen re-quested that I should return it to him. I replied that I was on my road out of town, and that oa my return I would see about it. He said be did not -----

Pennsylvania and Ohio Railroad Co. We call the attention of our citizens to the fact-that the Books of Subscription to the Obio and Pennsylvania Rail Road Company will be opened to day, at the St. Charles Hotel. As this is a matto day, at the St. Charles initial its inter-ter of great importance to Pittaburgh, we hope our citizens will come forward and subscribe liberally towards this road. Let us no longer squabble about this or that route, but like Hercules put our aboulders to the whiel at ouce. Pittsburgh, by Charter 61 steamers, ships & brigs, \$300,201,200 ber inactivity, has justly subjected herself to the implication of exhibitions implication of exhibiting a great want of liberalit fowards these matters—and we trust it will be th

Nozz Corrector: - The Whig tramph in Con-nection is emphatically service of Principlea-The Whigs of that State have fought the battle manfolly on the broadest Whig grounds. They are usequivarially for the Protection of Home La-bor. They are for a liberal policy with regard to River and Histor improvements. They are hor-fis to the Sub-Treasury and the surplicious, repail-ting, do nothing policy of which it is the result-They loathe the Waron Mexico and desire no ac-quisition of Territory by Conjust. They are op-posed to a National Debt, and in favor of paying as we go. Above all, they are sterally resolved to battle to the last against any Extension of Human Elswary nonder the flag of our Union. And that they are straight of the engineers in the straight of the straight and they are straight of the engineers law the straight and the straight of the straight and the strai ry under the first of our Union. And that re straight out unequivocally, unqualifiely, we of Henry Clay for next President in pre-tio any other living man, the world well . Scarzely a Whit Couvening or meeting in heid in the State in which their choice been earnessly, decisively manifested. is victory to more decisively manifested. has some used a use of the in which their choice has not been earneally, decisively manifestel-And their victory is more decisive, their majority larger than at any State Flection of the last six years. Hone to the faithful Whigs of Connecti-cut-N.Y. Tribura.

For Linger-The Liberia packet is to sail from Balimore on the 11th inst, with more than 200 col-ored emigrants for Liberia. About 50 more would have been glad to take passage in her, but abe was full.

he has admitted already with my hand writing. The court overruled th low's hand writing, I should rictorious nothing_and Here the examination of e, and smended by tung \$100 as the s alary. Laid ove datula Me Freaner, od 1 that at an of protection detection of the evi-lence of Mr. Freener. The Judge Advocate then put the following uestions to witness, emanating from General Pilrades of the street and alley in the 5th ward. orted the ordinance without any amend which was accepted, and the ordinance pass Mr. Layng offered a resolution authoriza street committee to invite a resolution admitrating t and paving of 5th street, between: Smithfield a Ross streets, and to put the same under cohrr orthwith: payment for the work to be made rash. Read twice and laid over. questions to winces, constants from veneral ris-low. Judge Advocate—What were your social rela-tions with Gen, Pillow, when he invited you to partake of his hospitality? Witness—My social relations with General Pil-low were somewhat on the same footing as his rank and my position. I have partaken of his hos-pitality—the hasolten invited me to do so, but have shunned his unvitations, as I have done all other officers of rank. On the night I received the pa-per, his solicitations were so urgent that I could not refue to come. I never knew Gen. Pilkow

<text> Aujurned. Tux Sucorney Arrang—Thilip Motts, one of the night police, was able has night by Mr. John W. Blar, a respectable citizen of this place. The cirrumstances, as detailed to us by one present, ite as follows: Mr. Blair with a number of toher persons were standing at theorener of Wood and Poorth streets, as tookers on at the Fancy Ball, when Motts came up and took liker by the caller, said he was druck, and using go to the watch house. Blair told him it was not so, and b let him go-fr baid not, be would hart him. Motts retained him hold and rapped the wall with his mace for assistance, which was answered from the opposite side of the street. A pixol was then fird. Bigt is represented as making no noise or disturb-

drana of Grandfather Whitehead, and 'Napoleon Old Guard,' will be performed for the banefit this distinguished actor. Those who see merit this distinguished actor. Those who see merit in ranning, will not be pleased, but a rare treat will be afforded to those who love the drama for its good qualities, not its excesses and failts. To night is the last appearance of the second failed to the second all the officers whose reports the had seen. "Ther was great discussion, in Julpa, relative to the 'in correctness of reports which had been published On that occasion I looked at the reports of the of ifcers in Gen. Twiggs' division." "In Jalapa, at the office, I suppose, of General Twiggs." "State if you ever saw suy report of the open-tions in the Valley of Mexico: and if so, asue whose were they?" "I eaven one." "Even after you received the paper, No. 1, from General Pillow?" qualities, not its excesses and failts the last appearance of Mr. Placide.
