THE PITTSBURGH GAZETTE

BY EASTUS BROOKS CO:

We proposed is Green that the Country of the Personal Co The financial measures of M. Garnier Pages have been all generally approved, and none spore so than its base and generally approved, and none spore so than its last decree, creating public stores under the surveillance of the State, with a view of warranting the receipts to be negotiable for the specified value of the deposit in warres.

The fallowing is the Paris news:

On Wednesday the Bank of Discount commencating the second of the deposit of the specified was discounted to the second on which Welles will be given to day. Discounts for about a million of france were made on Monday, and on Tuesday about 1200,000. This establishment will render great service to com-AUCTION SALES FIN Large Sale of Busic by Lateless (IS Saturday avening, the Sale use, or , results Commercial Sales Shoot, cerease CV and street, will be said a large collection of value collection of such collessess busics, subtracting standard weeks yr, history, poetry, arts, acteoces, music, annily bibles, letter and cap w movement.

This great event, more important than French Revolution took place on the 13th."

pople, guided by the heads of the learned bot presented a memorial demanding from the government the liberty of the press, and other organic forms. The Council was sitting, but being un JOHN D DAVIS, And armined to renewe you arous summanding general in Mexico."

Here the impression is clearly conveyed that Gen. Scott was relieved at his own request. To correspondence refered to, in which that request said to have been urged, a compliance with i promised, has never yet been published. W Gen. Scott was relieved at his own request. The correspondence referred to, in which that request is said to have been urged, a compliance with it promised, has never yet been published. We have, however, received a copy of it from Washington; and, as it exhibits still more clearly than the documentary evidence already before the public the injuntice which has marked the conduct of the Administration towards. Gen. Scott from the Gen. Scott, as the world known, was compelled to hat for a long time at Pachla, awaiing reinforcements which had been promised him months be found that the result of the conduct of the Administration towards. Gen. Scott from the Gen. Scott, as the world known, was compelled to hat for a long time at Pachla, awaiing reinforcements which had been promised him months be found to the long time at Pachla, awaiing reinforcements which had been promised him months be found extraordinary occurrence of the property of the presentable to his advance. Finally came Mr. Trin as Commissioner, with his claim of power to concide an armistice, out of the hands of General Scott. Under this state of things, the General Scott. Under this state of the property of the scott and the state of the property of the scott of the property of th per cent premium. The price of bread has been reduced in Paris.

The Provisional Government was going forward, still sustained by the people. General Cavignae has been appointed Minister of War. Haussioiero has been named Minister of Police, and has issued a decree stating that the steps to be taken for employing workmen in the public workshops, will be R CANAL COMMISSIONER, MIDDLESWARTH. nce of the Pittsburgh Gazet WARRISOTON, April 11, 1848.

Rates of Fereign Pestage.

Committee on Post Offices and Post Roads
reported a bill providing for the following fore. The official documents demonstrate the most extraordinary neglect, on the part of the War Department, to supply him with the means indispensable to his advance. Finally came Mr. Trist as Commissioner, with his claim of power to conclude an armistice, out of the hands of General Scott. Under this state of things, the General Scott. Under this state of things, the General Scott. Scott of the Mar Department: pinified, and took his seat.

One of the above Packets. will. leave Reaverening, (Sundays excepted) at 7 celock, and are
receivable, the next morning at 11 octock; as the service was not meant as one of symphthy for any cause or people, but simply a requiem for those say some or people, but simply a requism for those who had died in the recent fierce struggle.

CALFORNIAN CLAIMS, &c.

Mr. Beaton discoursed some two or three hours in the Semiter to day, upon these claims. His speech contained a valuable history of the geography, people, and military campaign of Upper Chil. Straig, but mainly as connected with the movements of his son in law, Lieutenant Colonel Fremont from the son in law, Lieutenant Colonel Fremont from the Administration; but Mr. Beaton knew hotter than to prejudice his son in law claims, by any such reference. His speech was very dry, though instructive, but hardy attracted the attaction of a quorum of Senators, while the gilleries presented a beggarity account of empty bores.

Aral. 5, 1948.

We the undersigned, do certify that we have seen the original letter of Gen. Z Taylor to—and have no doubt of its grantineness, and the copy on the other side of this heaves its literally correct in every particular.
