MEDICAL.

SALTER'S

GINSENG PANACEA!

TO THOSE SUFFERING WITH DISEASED LUNGS.—The unprecedented success which has attended the use of the

GINSENG PANACEA

in all the various forms which irritation of the lungs assumes, has induced the proprietor again to call attention to this

WONDERFUL PREPARATION.

The changable weather which marks our fall and winter months, is always a fruitful source of

COLDS AND COUGHS.

These, if neglected, are but the precursors of that fell destroyer,

COSUMPTION.

The question, then, how shall we nip the destroyer in the bud? how shall we get clear of our coughs and colds? is of vital importance to the public.

THE GREAT AND ONLY REMEDY

will be found in the Ginseng Panacea. In proof of this we have from time to time published the certificates of dozens of our best known citizens, who have experienced its curative powers. These, with a mass of testimony from all parts of the country,—from

MEDICAL MEN OF THE FIRST STANDING,

Ministers of the Gospel, &c., together with copious notices from the

JOURNALS OF THE DAY,

we have embodied in pamphlet form, and may be had gratis of any of our agents throughout the country.

HUNDREDS OF BOTTLES

have been used in this city.

THOUSANDS AND TENS OF THOUSANDS

throughout the United States and Canada, and we challenge any man to point out a

SINGLE INSTANCE

in which, when taken according to directions, and before the lungs had become fatally disorganized, it has ever failed to

EFFECT A PERFECT CURE.

Why, then, need the afflicted hesitate? Why resort to the miserable nostrums, gotten up by unknown individuals under the assumed name of some celebrated physician, and puffed into notoriety by certificates of persons equally unknown? Whilst a medicine of

UNPARALLELED EFFICACY

is to be had, whose vouchers are at home,—our neighbors,—many of whom it has

SNATCHED FROM THE GRAVE.

In order that this invaluable medicine may be placed within the reach of the poor as well the rich, we have put the price at

ONLY FIFTY CENTS,

just one half the usual cost of cough medicines. It is for sale by our agents in nearly every town and village over the west, who are prepared to give full information relative to it.

T. SALTER, Proprietor,
Broadway, Cincinnati, Ohio.

ASTHMA, OR DIFFICULTY OF BREATHING.—This disease is caused by a paroxysmal construction of the air cells; is very debilitating, almost causing suffocation. DR. SWEETSER'S PANACEA is the only certain cure.

Hoarseness can be entirely cured by a free use of Dr. Sweetser's Panacea.

Catarrh, or common cold, which, if neglected, will terminate in Consumption, is effectually relieved and cured by Dr. Sweetser's Panacea.

Bronchitis, if unchecked, will effectually lead to Bronchial Consumption, but a timely use of Dr. Sweetser's Panacea will effectually cure it.

Inflammation of the Tonsils or Sore Throat.—This disease often leads to serious consequences from neglect; such as ulceration of the throat. On the first symptoms, Dr. Sweetser's Panacea should be procured and used freely.

Coughs and Colds find a sovereign remedy in Dr. Sweeter's Panacea.

Pneumonia Notha.—A very fatal disease, resulting from a violent cough and cold on a debilitated or broken down constitution; aged persons are subject to it.—Dr. Sweeter's Panacea should be used on the first symptoms, which are a cough or cold.

Night Sweats.—This debilitating complaint will meet with a timely check, by using Dr. Sweetser's Panacea.

Consumption.—If on the first appearance of consumptive symptoms, which are a pain in the side and breast, cough or spitting of blood, if Dr. Sweetser's Panacea is freely used, no danger need be apprehended.

When the Lungs, the Windpipe, or Bronchial Tubes become clogged up with phlegm so as to impede respiration or breathing, Dr. Sweetser's Panacea, which is a powerful Expectorant, should be taken according to the directions.

Influenza.—This distressing epidemic, so prevalent in our climate, is speedily cured by Dr. Sweetser's Panacea.

Price $1 per bottle, or six bottles for $5.

Scratch! Scratch!!

TETTER, ITCH, SALT, RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, [for decency sake,] when in company. Let it be remembered that Dr. LEIDY'S TETTER and ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and fluids of the body, and where such disease be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch ointment, unless the whole system is impregnated by the diseased humors which will be completely carried off from the system by Dr Leidy's blood pills, and the surface of the skin healed by the ointment. Price of ointment 25 cents.

PEACE! PEACE!!

NOT IN MEXICO,

BUT IN EVERY MOTHER'S HOMESTEAD.

THE undersigned has long been convinced of the necessity for some medicine adapted to the use of Children and Infants to supercede the use of all those medicines which contain opium, and has at length succeeded in preparing and offering to the public a medicine fully answering every purpose for all diseases of the bowels, without the use of that deleterious drug, or any other calculated to injure in the least. The Infant Panacea has been fully tested and tried, the last twelve months, by numerous persons, and found to possess all the extraordinary virtues, and to produce all the astonishing effects as set forth on the bill of directions. Diarrhœa, Vomiting, Cholic, Griping, Pains, Sickness and Diseases arising from Teething, acting immediately without disturbing any of the functions of the body, producing the happiest and most pleasant transition from violent pain to a tranquil and joyous state of feeling in the little sufferer.

SELLER'S IMPERIAL COUGH SYRUP.—It has power to cure! PITTSBURGH, Feb. 14, 1847.

R. E. SELLERS—My wife has for years been subject to a distressing cough, accompanied with asthma, for the cure of which she used different cough remedies, and had the advice of the most eminent physicians in England, but all was unavailing. By chance I heard of your Imperial Cough Syrup, and was induced to buy a bottle for trial, although I had no belief that anything could remove her complaint. To my great surprise, two doses gave her immediate relief. She is at times troubled with a cough, but two teaspoonsful of Syrup always stops it. I am satisfied, after a trial of three or four years, that Seller's Cough Syrup is the best cough medicine I have ever tried either in the Old or New World.

WM. FAIRBOURNE,
Seventh Ward, city of Pittsburgh.

The above certificate should induce all who are troubled with cough or asthma, to give the Syrup a trial. It may be had for 25 cents a bottle, at the drug store of R E SELLERS, 57 wood st.

Pulmonary Balsam.

MESSRS. REED & CUTLER—I feel it a duty I owe to my fellow creatures, to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure in a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventive, and prevention is better than cure; I do therefore, for the love of my fellow men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day.

SELLER'S VERMIFUGE.—The greatest of all Worm medicines! NEW LISBON, OHIO, Jan. 8, 1845.

This is to certify that after using different preparations for expelling worms, I bought of C. F. Helman, of New Lisbon, two vials of R E Sellers' Vermifuge, and gave the contents of one vial to three of my children. From the first, aged 6 years, it expelled 45 worms; from the second, 8½ years old, 70; and from the third, 2½ years old, 110; making 245 worms expelled by using but one vial. I recommend Sellers' Vermifuge as a safe and one of the most effectual Worm medicines before the public. HUGH MORROW.

Patent Block Spring Truss,

NEWLY INVENTED—For the relief and Permanent Cure of HERNIA or RUPTURE. (Suited to all sizes.)

The superior claims of this Truss consist in the comparative ease with which it may be worn. The pad of wood being neatly balanced on springs, yields to pressure on any part of it, and thoroughly adapts itself to any movement made by the wearer. It can be worn without intermission, until a cure is effected. The subscribers have made arrangements for the manufacture of these valuable Trusses, in a superior style, in Philadelphia, and have them now for sale at their office, No. 77, Smithfield st. near Sixth, Pittsburgh.

GEO. WATT,
ja30 D. W. KAUFFMAN.

B. A. FAHNESTOCK'S Pneumonic or Cough Balsam, has a great advantage over many other Cough preparations, as its pleasant taste permits it to be used without inconvenience. But its value as a Balsam consists in the speediness of its cure. We have known some of the most desperate coughs, some of which had been running on for a considerable length of time, yield almost immediately to its power.

In such weather as we have had during the past winter, every one is liable to take cold, unless great precautions are used.

Wet feet and undue exposure to the inclemency of the weather often lays the foundation of a hacking cough, which needs a quick remedy to prevent serious results.

We have numerous certificates of cures which it has performed, many of which are from persons in this city and the neighborhood, and they are a sufficient reference without saying another word in its favor.

VEGETABLE PULMONARY BALSAM.—To the proprietors of the Vegetable Pulmonary Balsam;—I am satisfied that the Vegetable Pulmonary Balsam is a valuable medicine. It has been used in this place with complete success in an obstinate complaint of the lungs, attended with a severe cough, loss of voice, and the raising of much blood which had previously resisted many approved prescriptions. After using the balsam one week the patient's voice returned, and he was enabled to speak audibly. This case occurred some time since, and the man is now engaged not only in active but in laborious business. Respectfully yours,

A STRONG EVIDENCE that Dr JAYNE'S EXPECTORANT is superior to all other remedies for Coughs, Consumption, Bronchitis, Asthma, and other Pulmonary affections, is that the same persons who commenced the use of it in their families ten years ago, still prefer it to all other remedies of the kind; and where any have been induced to try other preparations they have almost invariably been disappointed in receiving the benefit which was reasonably anticipated from the high praises bestowed by the proprietors, and have returned to the use of JAYNE'S EXPECTORANT, as a remedy that has never failed to relieve them, and which probably never had its equal in arresting pulmonary diseases.

J. S MORRIS & Co's, BLACK WRITING INK, for steel or quill pens, and the copying press. This Ink is the result of the experiments of several years, devoted to the manufacture, on an extensive scale, of an article suited to all the purposes of the consumer. The perfection of this writing Ink consists in the following properties: FLUIDITY—in which property, it will be found to surpass all previous preparations. It will flow with perfect freedom either from quill or steel pens, and is entirely free from any corrosive qualities. COLOR—The color of this article is a rich, beautiful blue black. It is necessary, however, to give consumers the following caution.

All good black ink, from its necessary chemical constitution, requires exposure to the air to impart a deep color. It must not, therefore, be expected, that the moment the bottle is opened, the ink will be found to be a jet black. The first appearance will be pale. But after exposure to the chemical action of the atmosphere either on paper or in the inkstand, it will assure a brilliant black hue.

PERMANENCY—The color is unalterable by the lapse of time. It will never fade. On this account, all important records should be made in this article, as years only deepen and strengthen its tint.

N B. This ink is suitable for all kinds of metallic pens, and for pens made of quills, and what is important and very desirable with many, will give a perfect impression by the copying press.

We are using in the institutions with which we are connected, Morris' blue black writing ink, and in respect to fluidity, brilliancy of color and permanency, believe it superior to any ink we have heretofore used.

A Challenge to the World.

TWENTY-FIVE DOLLARS will be paid to any one who will produce a spot of paint, green or dry, that cannot be extracted with Hott's Improved Chemical Soap. I have the satisfaction of saying to the people of this place, that this article, by my own improvement on it, now stands unrivalled in the country for extracting grease, tar, pitch, oil, paint, or any other greasy substance, from all kinds of gentlemen's or ladies' clothing, carpets, table cloths, merino shawls, ladies' bonnets, &c, without injuring anything that pure water will not injure. More than one thousand persons in different parts of the country have told me they would not be without it, if it cost one dollar per cake. In trying this Soap on more than 200 articles of light silks, satins, alpaccas, and calicoes, I have only found three pieces of silk, two of alpacca, and four of calico, on which it changed the color; therefore before putting it on a light dress try a sample of the dress first. I state this because I am determined not to recommend it any stronger than I know to be strictly true. N H HOTT.

MEDICAL.

DR. TOWNSEND'S

SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickness or debilitating the patient.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it Invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known, it not only purifies the whole system and strengthens the person, but it *Creates New, Pure and Rich Blood*, a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption.

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c. Together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq. one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the Preventive of disease known. It undoubtedly saved the live of more than

5,000 CHILDREN THE PAST SEASON!

As it removed the cause of disease, and prepared them for the Summer season.

UNITED STATES OFFICER.

CAPT. G. W. McCLEAN, OF THE UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells its own story.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe it saved my life, and would not be without it under any consideration.

G. W. McLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

DR. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have only taken four bottles; It took them away, for which I feel myself under deep obligation. Yours, respectfully,

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherant cause or causes, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nerveless of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures; and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D. MOORE,

Albany, Aug. 17, 1844. Cor. of Grand and Lydius sts.

COXSACKIE, Sept. 29, 1845.

Dr Townsend: To all whom this may concern—This is to certify that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitated; with my persuasion, and the recommendation of those who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous.

If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged servant,

S S JAMISON.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "*The turn of life,*" should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable to those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all of the delicate diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

GIRLS READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, or freckles, and are "out of spirits," use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

DYSPEPSIA.

No fluid or medicine has ever been discovered which so nearly resembles the gastic juice or saliva in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

BANK DEPARTMENT, Albany, May 10, 1845.

Dr Townsend: Sir—I have been afflicted for several years with dyspepsia in its worst forms, attended with soreness of stomach, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I have been unable to retain but a small portion on my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months since, to try your Extract of Sarsaparilla, and I must say with little confidence, but after using nearly two bottles, I found my appetite restored, and the heartburn entirely removed; and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c., W. W. VAN ZANDT.

ALMOST A MIRACLE.

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured:

Dr Townsend—Dear Sir, I was taken, a little over a year ago, with a severe cough and pain in my side. It increased on me very fast, indeed. I was pronounced by physicians to have the quick consumption. I raised large quantities of bad matter, had night sweats, and sinking very fast; my doctor said he could do nothing for me. I went into the hospital in hope of being benefitted, but was pronounced there as incurable. I was now greatly distressed at the lungs and could hardly breathe; I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have watchers. indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of remedies, and all seemed to be to no purpose. I read of some most extraordinary cures performed by your medicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it, I did so, and am very thankful I did. I cannot say that I am entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and raise but very little, and am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please.

Opinions of Physicians.

Dr Townshend is almost daily receiving orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

—A pretty thing appeared in the streets yesterday. It was the advertising cab, or Sarsaparilla Express of Dr Townsend. The whole thing is got up in good taste: some of the ornamental landscape paintings are beautiful, which, together with the scroll work, in gold, glistening in the sun, made a show rarely equalled in Broadway. We take this opportunity to say we believe this extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

NEW YORK, March 27, 1847

Dr. Townsend:—I have been afflicted more or less for 3 years, with a dreadful sinking in the chest, giddiness in the head, loss of appetite, pain in the limbs, and general debility, brought on no doubt by the continual heat and cold to which I am subject to in my business as a dyer. I have taken other medicines, too numerous to mention, but with little or no success. I was induced by what I saw in the paper to try a bottle of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I can unhesitatingly say it is the best medicine I have ever taken—the pain in my chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have now a better appetite than ever I had. My wife has taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if so used there would not be half the sickness there is, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr Townsend's Sarsaparilla

MORGAN'S COUGH SYRUP—It proved to be the great Panacea in curing my child's distressing cough.

From the Temperance Banner, Nov 3 1847.

COUGH SYRUP.—We are not in the habit of puffing, much less taking patent medicines, but we feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's cough syrup, and by it relief was obtained in a few hours. It proved to be the panacea in this case at least.

MEDICAL.

CONSUMPTION,

Asthma, Bronchitis, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremors, Liver Complaint, and Diseased Kidneys, are radically cured by

Dr. Swayne's Compound Syrup of Wild Cherry.

It is mild and pleasant to the taste, perfectly safe and harmless in its operations, and yet it is one of the most powerful and certain remedies for Consumption of the Lungs, Coughs, Colds, Asthma, Spitting Blood, Liver Complaint, Pains in the Side or Breast, and general Debility of the Constitution, that was ever invented by the skill of man for the relief of the afflicted public. Certificates and evidences of its wonderful curative powers are daily received from all quarters. It is impossible to conceive the aggregate of suffering and misery that has been relieved or banished by it; nor can we calculate the immense benefit that shall accrue from it hereafter. All ages, sexes, and constitutions are alike affected by it, and the disease is eradicated from the system, the constitution repaired, and health restored by the use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY. How many sufferers do we daily behold approaching to an untimely grave, wrested, in the bloom of youth, from their relatives and friends, afflicted with that fatal malady, CONSUMPTION, which wastes the miserable sufferer until he is beyond the power of human skill. If such sufferers would only make a trial of Dr. Swayne's Compound Syrup of Wild Cherry, they would find themselves sooner relieved than by gulping the various ineffective remedies with which our newspapers abound; this 'Vegetable Remedy' heals the ulcerated lungs, stopping profuse night sweats, at the same time inducing a natural and healthy expectoration, and the patient will soon find himself in the enjoyment of comfortable health. The public should bear in mind that Dr. Swayne is a regular practising physician, and has had years of experience in diseases of the Lungs, Chest, &c. The (original and only) genuine article is only prepared by DR. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.

ANOTHER HOME CERTIFICATE.

Of all the cures that has ever been recorded, we may safely say the annals of medicine cannot furnish one to surpass this, which now stands as a living proof of the curability of consumption, even when life had been despaired of. Dr. Swayne's Compound Syrup of Wild Cherry is all it professes to be, the greatest medicine in the known world.

The True Riches of Life is Health.

DR. SWAYNE—Dear Sir—For the good of the public, I feel myself in duty bound to testify to the great cure which your Compound Syrup of Wild Cherry performed on me. For my part, I feel as if every body ought to know it. I was afflicted with a violent cough, spitting of blood, night sweats, hoarseness, and sound of the voice indicating an alarming state of the disease; my appetite was gone, and my strength had so far failed me that my friends and physician were persuaded I could not survive many days. My sister, who was my anxious care-taker, made inquiry where she would be likely to procure the most certain relief. She was told that if Dr. Swayne's Compound Syrup of Wild Cherry failed in the cure, my life was then hopeless. Your medicine was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixth bottle, my cough had left me and my strength was much improved. In short, it has made a perfect cure of me, and I am at this present time as hearty a man as I wish, and have good reason to believe that the use of your medicine has saved me from a premature grave. I shall be pleased to give any information respecting my case. I M REEVES,

CAUTION! CAUTION!!

Consumptives, Read! Read!! Dr. Swayne's Compound Syrup of Wild Cherry.

In about the year 1837, I found it necessary in my professional practice, to compound a medicinal preparation for diseases of the chest and lungs, possessing more powerful healing properties than any other hitherto known for such diseases. In my COMPOUND SYRUP OF WILD CHERRY, I have been very successful. The truly astonishing cures effected by my medicine soon spread its fame abroad; for it owes none of its success to manufactured newspaper puffs or forged certificates—the real intrinsic merits of my compound is the only cause of its popularity. Its extensive sale soon excited the envy of certain speculators in the afflictions of his fellow creatures, so much so that in a few years from the time that my preparation was introduced to the public and in great demand, a firm in this city, finding that my preparation had gained a high reputation for its curative properties, came out with what they called Dr. Wistar's Balsam of Wild Cherry. This respectable and popular physician had no more to do with the article than poor Sam Patch. The name of Dr Wistar is attached to make it appear that this eminent practitioner was the original inventor of the preparation; such is not the fact. The above firm, the real inventor, sold the recipe and right to manufacture to some patent medicine dealers in Cincinnati for the West and South, and another in New York for the East, who afterwards, it is asserted, sold out to a druggist in Boston—so the number of hands into which it may have changed is an enigma.

In some places they assert it emanated from a physician in Philadelphia; in others, from a physician in Massachusetts. So it has falsehood and stratagem stamped in every feature.

There have been a number of other preparations purporting to contain Wild Cherry put out since, from the hands of inexperience, which the public should guard against, as they contain none of the virtues of the original and only genuine preparation, which bears the signature of Dr. Swayne on each bottle. The present manufacturers of their puffs and false certificates have the daring effrontery to caution the public against purchasing my medicine, the only truly genuine and original preparation of Wild Cherry before the public, which is proved satisfactorily by the public records of the Commonwealth of Pennsylvania, as well as various other official documents. DR. H. SWAYNE,

Inventor and sole Proprietor of the genuine Compound Syrup of Whild Cherry, corner of Eighth and Race streets, Philadelphia.

Pamphlets can be obtained gratis, setting forth an array of testimony that will convince the most skeptical of the wonderful virtues of Dr Swayne's Compound Syrup of Wild Cherry. Call and get one, that all may read. Purchase the medicine, and be cured.

Great English Remedy.

FOR Coughs, Colds, Asthma and Consumption! The GREAT AND ONLY REMEDY for the cure of the above diseases, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, brochitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough and croup.

DR. JAYNE'S ALTERATIVE.

We have been informed by Mrs. Rose of a cure performed on her by **Dr. Jayne's Alterative**, which proves its superiority over every other remedy of the kind. She has been afflicted for the last sixteen years with NECROSES or WHITE SWELLINGS, attended with ulcerations and exfoliation of various bones, during which time many pieces have been discharged from the frontal bone of the cranium, from both her arms, wrists and hands, and from both legs, and from the left femoral bone, and from the right knee, besides painful ulcers on other parts of her person, which have baffled the skill of a number of the most eminent physicians of our city—during most of the time her sufferings have been excruciating and deplorable. About three months since she was induced to try Dr. Jayne's Alterative, which has had an astonishingly happy effect upon her, by removing all pain and swellings, and causing the ulcers to heal, while at the same time her general health has become completely restored, so that she now weighs 25 lbs more than she did before she commenced the use of this truly valuable preparation.—[Sat. SCROFULA AND SCROFULOUS SWELLINGS.—Scrofula in all its multiplied forms whether in that of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause; which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. LADIES Who Use Common Prepared Chalk, are often not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead. We have prepared a beautiful vegetable article, which we call JONES'S SPANISH LILY WHITE! It is perfectly innocent, being purified of all deleterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, living white, at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones's Spanish Lilly White, I find it possesses the most beautiful and natural, at the same time innocent white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying."

THEREFORE, beware of all spurious mixtures of Tar or Naptha as imitations are abroad.

M. S. P. Thomson—Dear Sir—The astonishing benefit I have experienced from the use of your Compound Syrup of Tar and Naptha renders it my duty to inform you of it. I had been long afflicted with a very bad cough, causing severe pain in the breast, with great oppression, difficulty of breathing and loss of appetite. Using various remedies without effect. I became alarmed, I heard of your medicine, but being averse to using most advertised medicines, I thought I would adhere to what I had been using. Finding myself getting worse a friend persuaded me to try a bottle of your preparation, saying "he owed his life to its virtues." I immediately procured a bottle and commenced using it, and before I had taken two bottles, I was completely restored to health.

Solely for the benefit of others I make the above brief statement. Any further inquiries can be made at my residence, 148 Catharine street.

Respectfully yours, FRANCIS PREVOST.

Still another Remarkable Cure.

Carlisle, Pa., Nov. 20, 1845,

About six years since, in consequence of the sedentary nature of my business, I was attacked with severe pains in the breast, palpitation of the heart and shortness of breath, which were soon followed by the failure of appetite, extreme wakefulness at night and partial paralysis of my limbs—these symptoms of a deranged system being frequently attended with spitting of blood. For about two years I was occasionally thrown into convulsions, which left me in a miserable state of feebleness and began to affect my mind. From time to time my sufferings were more or less severe, until at length they increased to such a degree, and the violence of the symptoms were so augmented, that for a whole year I was unable to attend to any business. During this time I consulted some able physicians and attended to their prescriptions, but all their skill was unavailing to procure me relief, and at length they regarded my recovery as entirely hopeless. In this condition I was informed of the salutary effects of Thomson's Compound Syrup of Tar and Wood Naptha, in a case somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly advised to try this medicine, I was at length prevailed upon to do so, and I have now to say, that by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as usual. SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular.

First, Because they are prepared by Dr N. B. Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and diseases.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving to persons as many dollars oft-times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, do not be trifling with your constitution by trying all kinds of pills or other medicines you see published and recommended by one and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always be found good in almost all worms of disease, Inflamation of the stomach, bowels, liver and intestines; cramps of the stomach; colic, Waterbrash; inward fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, billious affections, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions, dry and watery pimples or blotches of the face and body, tetter, rash, prickle heat and salt rheum, headache, giddiness, faintness, pains over the heart, of the breast, sides, along the back and spine, rheumatism and gout, fevers of all kinds, small pox, varioloid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood.

SHERMAN'S TOOTH PASTE.

A PREMIUM DENTIFRICE.

THE best article known for cleaning and whitening the Teeth, strengthening the gums, sweetening the breath, &c. It should be used every night with a stiff brush, and the teeth and mouth will only require a slight washing in the morning. Wet the brush with warm water, or cold will answer, and rub it a few times on the paste, when enough will adhere for cleaning the teeth. It leaves a delicious taste in the mouth, and imparts a most delightful fragrance to the breath. It stands unrivalled as a pleasant, efficacious, convenient, and safe dentrifice. It is warranted not to injure the teeth, but to preserve them.

By using it regularly, it will remove the tartar and prevent its accumulation—prevent the toothache—strengthen the gums, and prevent all diseases of them. Chemists, physicians, and the clergy recommend it a decidedly superior to every thing of the kind in use.—Ask for Sherman's Compound Orris Tooth Paste, and observe his signature is attached to each pot.

Recommended by Dr. Castle, 281 Broadway, one of our best Dentists, and by most of the old established ones in the United States, and even extensively used by the Nobility of England and France.

A large proportion of the disease that afflict mankind arise from some derangement of the stomach or bowels, which a timely use of the Cathartic Lozenges would entirely obviate. Persons of billious habits should always have a box at hand, and take a dose whenever they feel the least derangement in their health. A judicious use of these Lozenges would prevent thousands of cases.

A GREAT CURE, performed by the original and only true and genuine Liver Pill, prepared and sold by R. E. SELLERS.

MORRIS' FACTORY, Westmoreland Co., Pa., July 19th, 1847.

Mr. R. E. Sellers:—A sense of duty to you and the afflicted induces me to add my humble testimony in favor of your justly celebrated Liver Pills. I have deferred doing so for years, adhering to Davy Crockett's maxim, "be sure you are right, then go ahead." Most of the many preparations of empirics and quacks, lauded to the skies, have sunk into oblivion since your Liver Pills have been offered to the public, and, indeed, I believe they will "survive them all," as they are just what you represent them to be. I have been afflicted with Liver Complaint from my youth; have suffered much; employed many eminent physicians, to whom I paid much money; have lost much blood; been vomited and physicked almost to death; salivated 5 or 6 times, and finally given up as incurable. In 1836-7 I was induced to try your Liver Pills, and SOON GOT WELL. One box of which is now sufficient to keep me clear of pain in the side, and all the other symptoms, for at least 12 months. Your Pills are also the best cathartic I ever used; being mild, not griping or giving much sickness at the stomach, but give as much relief. I have kept them in my store for 6 or 7 years, sold hundreds of boxes, and have never heard a single complaint uttered by any one who has used them. They have superceded almost every other pill in this neighborhood, and in a short time will banish them all. I earnestly recommend them to all persons needing physic, whether for Liver Complaint or Billious Affections. I consider them far superior to Calomel or the Blue Pill. Respectfully yours, J A MORRIS

CAUTION.—As there are other Pills before the public CALLED Liver Pills, persons who want the GENUINE should ask for and take no other than those prepared and sold by R. E. SELLERS, No 57 Wood st. between Third and Fourth streets.

DR. JAYNE'S CARMINATIVE BALSAM

FROM the Rev ASA SHINN, a well known and popular Clergyman of the Protestant Methodist Church

The undersigned having been afflicted during the past winter with a disease of the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and after having tried various remedies with little effect, was furnished with a bottle of Dr D Jayne's Carminative Balsam. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr. D Jayne's Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. A SHINN
